15
16 Section 1. Subsection (27) is added to section
17 409.811, Florida Statutes, to read:

18 409.811 Definitions relating to Florida Kidcare
19 Act.--As used in ss. 409.810-409.820, the term:

20 (27) "Maximum income threshold" means a percentage of
21 the current federal poverty level used to determine
22 eligibility for certain program components, as approved by
23 federal waiver or an amendment to the state plan.

24 Section 2. Paragraph (a) of subsection (6) and
25 subsection (7) of section 409.8132, Florida Statutes, are
26 amended to read:

27 409.8132 Medikids program component.--

28 (6) ELIGIBILITY.--

29 (a) A child who has attained the age of 1 year but who
30 is under the age of 5 years is eligible to enroll in the
31 Medikids program component of the Florida Kidcare program, if

1 | the child is a member of a family that has a family income
2 | which exceeds the Medicaid applicable income level as
3 | specified in s. 409.903, but which is equal to or below the
4 | maximum income threshold ~~200 percent of the current federal~~
5 | ~~poverty level~~. In determining the eligibility of such a child,
6 | an assets test is not required. A child who is eligible for
7 | Medikids may elect to enroll in Florida Healthy Kids coverage
8 | or employer-sponsored group coverage. However, a child who is
9 | eligible for Medikids may participate in the Florida Healthy
10 | Kids program only if the child has a sibling participating in
11 | the Florida Healthy Kids program and the child's county of
12 | residence permits such enrollment.

13 | (7) ENROLLMENT.--Enrollment in the Medikids program
14 | component may occur at any time throughout the year. A child
15 | may not receive services under the Medikids program until the
16 | child is enrolled in a managed care plan or MediPass. Once
17 | determined eligible, an applicant may receive choice
18 | counseling and select a managed care plan or MediPass. The
19 | agency may initiate mandatory assignment for a Medikids
20 | applicant who has not chosen a managed care plan or MediPass
21 | provider after the applicant's voluntary choice period ends.
22 | The Medikids mandatory assignment process shall assign
23 | applicants to managed care plans or MediPass providers in
24 | order to keep family members assigned to the same managed care
25 | plan or MediPass provider to the greatest extent possible,
26 | including situations in which some family members are enrolled
27 | in Medicaid and others are enrolled in a Title XXI Kidcare
28 | component. An applicant may select MediPass under the Medikids
29 | program component only in counties that have fewer than two
30 | managed care plans available to serve Medicaid recipients and
31 | only if the federal Health Care Financing Administration

1 determines that MediPass constitutes "health insurance
2 coverage" as defined in Title XXI of the Social Security Act.

3 Section 3. Subsection (2) of section 409.8134, Florida
4 Statutes, is amended to read:

5 409.8134 Program expenditure ceiling.--

6 (2) The Florida Kidcare program may conduct enrollment
7 at any time throughout the year for the purpose of enrolling
8 children eligible for all program components listed in s.

9 409.813 except Medicaid. The four Florida Kidcare

10 administrators shall work together to ensure that the

11 year-round enrollment period is announced statewide. Eligible

12 children shall be enrolled on a first-come, first-served basis

13 using the date the enrollment application is received.

14 Enrollment shall immediately cease when the expenditure

15 ceiling is reached. Year-round enrollment shall ~~only~~ be held

16 only if the Social Services Estimating Conference determines

17 that sufficient ~~federal and state~~ funds will be available to

18 finance the increased enrollment ~~through federal fiscal year~~

19 ~~2007~~. Any individual who is not enrolled must reapply by

20 submitting a new application. The application for the Florida

21 Kidcare program shall be valid for a period of 120 days after

22 the date it was received. At the end of the 120-day period, if

23 the applicant has not been enrolled in the program, the

24 application shall be invalid and the applicant shall be

25 notified of the action. The applicant may reactivate ~~resubmit~~

26 the application after notification of the action taken by the

27 program. Except for the Medicaid program, whenever the Social

28 Services Estimating Conference determines that there are

29 presently, or will be by the end of the current fiscal year,

30 insufficient funds to finance the current or projected

31 enrollment in the Florida Kidcare program, all additional

1 enrollment must cease and additional enrollment may not resume
2 until sufficient funds are available to finance such
3 enrollment.

4 Section 4. Section 409.814, Florida Statutes, is
5 amended to read:

6 409.814 Eligibility.--A child who has not reached 19
7 years of age and whose family income is equal to or below the
8 maximum income threshold ~~200 percent of the federal poverty~~
9 ~~level~~ is eligible for the Florida Kidcare program as provided
10 in this section. For enrollment in the Children's Medical
11 Services Network, a complete application includes the medical
12 or behavioral health screening. If, subsequently, an
13 individual is determined to be ineligible for coverage, he or

15 Florida Kidcare program component.

16 (1) A child who is eligible for Medicaid coverage
17 under s. 409.903 or s. 409.904 must be enrolled in Medicaid

22 is eligible for the Florida Kidcare program, may obtain health
23 benefits coverage under any of the other components listed in
24 s. 409.813 if such coverage is approved and available in the
25 county in which the child resides. However, a child who is
26 eligible for Medikids may participate in the Florida Healthy
27 Kids program only if the child has a sibling participating in
28 the Florida Healthy Kids program and the child's county of
29 residence permits such enrollment.

30 (3) A child who is eligible for the Florida Kidcare

1 determined through a medical or behavioral screening
2 instrument, is eligible for health benefits coverage from and
3 shall be referred to the Children's Medical Services Network.

4 (4) A child who will lose eligibility for Florida
5 Kidcare coverage funded under Title XIX because the child has
6 exceeded income or age limits shall be presumed eligible for
7 the Florida Kidcare program and shall have 60 days of
8 continued eligibility within his or her existing plan or
9 coverage following redetermination in order to allow for a
10 transition to Title XXI-funded Florida Kidcare coverage
11 without a lapse in coverage. The Agency for Health Care
12 Administration shall seek federal waiver authority under Title
13 XIX or Title XXI for such continued eligibility with the goal
14 of securing federal matching funds consistent with the federal
15 SCHIP match for the additional 60 days of eligibility.

16 ~~(5)(4)~~ The following children are not eligible to
17 receive premium assistance for health benefits coverage under
18 the Florida Kidcare program, except under Medicaid if the
19 child would have been eligible for Medicaid under s. 409.903
20 or s. 409.904 as of June 1, 1997:

21 (a) A child who is eligible for coverage under a state
22 health benefit plan on the basis of a family member's
23 employment with a public agency in the state.

24 (b) A child who is currently eligible for or covered
25 under a family member's group health benefit plan or under
26 other employer health insurance coverage, excluding coverage
27 provided under the Florida Healthy Kids Corporation as
28 established under s. 624.91, provided that the cost of the
29 child's participation is not greater than 5 percent of the
30 family's income. ~~This provision shall be applied during~~
31 ~~redetermination for children who were enrolled prior to July~~

1 ~~1, 2004. These enrollees shall have 6 months of eligibility~~
2 ~~following redetermination to allow for a transition to the~~
3 ~~other health benefit plan.~~

4 (c) A child who is seeking premium assistance for the
5 Florida Kidcare program through employer-sponsored group
6 coverage, if the child has been covered by the same employer's
7 group coverage during the 6 months prior to the family's
8 submitting an application for determination of eligibility
9 under the program.

10 (d) A child who is an alien, but who does not meet the
11 definition of qualified alien, in the United States.

12 (e) A child who is an inmate of a public institution
13 or a patient in an institution for mental diseases.

14 ~~(f) A child who has had his or her coverage in an~~
15 ~~employer sponsored health benefit plan voluntarily canceled in~~
16 ~~the last 6 months, except those children who were on the~~
17 ~~waiting list prior to March 12, 2004.~~

18 ~~(f)(g)~~ A child who is otherwise eligible for Kidcare
19 and who has a preexisting condition that prevents coverage
20 under another insurance plan as described in paragraph (b)
21 which would have disqualified the child for Kidcare if the
22 child were able to enroll in the plan shall be eligible for
23 Kidcare coverage when enrollment is possible.

24 ~~(6)(5)~~ A child whose family income is above the
25 maximum income threshold ~~200 percent of the federal poverty~~
26 ~~level~~ or a child who is excluded under the provisions of
27 subsection ~~(5)(4)~~ may participate in the Medikids program as
28 provided in s. 409.8132 or, if the child is ineligible for
29 Medikids by reason of age, in the Florida Healthy Kids
30 program, subject to the following provisions:
31

1 (a) The family is not eligible for premium assistance
2 payments and must pay the full cost of the premium, including
3 any administrative costs.

4 (b) The agency is authorized to place limits on
5 enrollment in Medikids by these children in order to avoid
6 adverse selection. The number of children participating in
7 Medikids whose family income exceeds the maximum income
8 threshold ~~200 percent of the federal poverty level~~ must not
9 exceed 10 percent of total enrollees in the Medikids program.

10 (c) The board of directors of the Florida Healthy Kids
11 Corporation is authorized to place limits on enrollment of
12 these children in order to avoid adverse selection. In
13 addition, the board is authorized to offer a reduced benefit
14 package to these children in order to limit program costs for
15 such families. The number of children participating in the
16 Florida Healthy Kids program whose family income exceeds the
17 maximum income threshold ~~200 percent of the federal poverty~~
18 ~~level~~ must not exceed 10 percent of total enrollees in the
19 Florida Healthy Kids program.

20 ~~(7)(6)~~ Once a child is enrolled in the Florida Kidcare
21 program, the child is eligible for coverage under the program
22 for 12 months without a redetermination or reverification of
23 eligibility, if the family continues to pay the applicable
24 premium. Eligibility for program components funded through
25 Title XXI of the Social Security Act shall terminate when a
26 child attains the age of 19. Effective January 1, 1999, a
27 child who has not attained the age of 5 and who has been
28 determined eligible for the Medicaid program is eligible for
29 coverage for 12 months without a redetermination or
30 reverification of eligibility.

31

1 ~~(8)(7)~~ When determining or reviewing a child's
2 eligibility under the Florida Kidcare program, the applicant
3 shall be provided with reasonable notice of changes in
4 eligibility which may affect enrollment in one or more of the
5 program components. When a transition from one program
6 component to another is authorized, there shall be cooperation
7 between the program components, ~~and~~ the affected family, the
8 child's health plan, and the child's health care providers to
9 promote which promotes continuity of health care coverage. The
10 agency, in coordination with the Department of Children and
11 Family Services, shall notify the Medicaid managed care plans
12 and MediPass providers concerning their members' or patients'
13 loss of eligibility for Medicaid or Medikids no less than 60
14 days in advance so that the health plans and providers may
15 assist the families in applying for the Florida Healthy Kids
16 program. Any authorized transfers must be managed within the
17 program's overall appropriated or authorized levels of
18 funding. Each component of the program shall establish a
19 reserve to ensure that transfers between components will be
20 accomplished within current year appropriations. These
21 reserves shall be reviewed by each convening of the Social
22 Services Estimating Conference to determine the adequacy of
23 such reserves to meet actual experience.

24 ~~(9)(8)~~ In determining the eligibility of a child, an
25 assets test is not required. Each applicant's family income,
26 birth certificate, and proof of identity shall be verified
27 electronically in order to determine eligibility for the
28 Florida Kidcare program. If electronic verification of
29 eligibility information is not available, an ~~Each~~ applicant
30 shall provide written documentation during the application
31

1 process and the redetermination process, including, but not
2 limited to, the following:

3 (a) Proof of family income, which must include a copy
4 of the applicant's most recent federal income tax return. In
5 the absence of a federal income tax return, an applicant may
6 submit wages and earnings statements (pay stubs), W-2 forms,
7 or other appropriate documents.

8 (b) A statement from all employed family members that:

9 1. Their employer does not sponsor a health benefit
10 plan for employees; or

11 2. The potential enrollee is not covered by the
12 employer-sponsored health benefit plan because the potential
13 enrollee is not eligible for coverage, or, if the potential
14 enrollee is eligible but not covered, a statement of the cost
15 to enroll the potential enrollee in the employer-sponsored
16 health benefit plan.

17
18 Anyone applying for full-pay coverage under the Florida
19 Kidcare program is not required to provide the eligibility
20 information required under this section.

21 ~~(10)(9)~~ Subject to paragraph~~(5)(4)~~(b) and s.
22 624.91(4), the Florida Kidcare program shall withhold benefits
23 from an enrollee if the program obtains evidence that the
24 enrollee is no longer eligible, submitted incorrect or
25 fraudulent information in order to establish eligibility, or
26 failed to provide verification of eligibility. The applicant
27 or enrollee shall be notified that because of such evidence
28 program benefits will be withheld unless the applicant or
29 enrollee contacts a designated representative of the program
30 by a specified date, which must be within 10 days after the
31 date of notice, to discuss and resolve the matter. The program

1 shall make every effort to resolve the matter within a
2 timeframe that will not cause benefits to be withheld from an
3 eligible enrollee.

4 ~~(11)~~(10) The following individuals may be subject to
5 prosecution in accordance with s. 414.39:

6 (a) An applicant obtaining or attempting to obtain
7 benefits for a potential enrollee under the Florida Kidcare
8 program when the applicant knows or should have known the
9 potential enrollee does not qualify for the Florida Kidcare
10 program.

11 (b) An individual who assists an applicant in
12 obtaining or attempting to obtain benefits for a potential
13 enrollee under the Florida Kidcare program when the individual
14 knows or should have known the potential enrollee does not
15 qualify for the Florida Kidcare program.

16 Section 5. Subsection (1) of section 409.818, Florida
17 Statutes, is amended, and paragraph (g) is added to subsection
18 (3) of that section, to read:

19 409.818 Administration.--In order to implement ss.
20 409.810-409.820, the following agencies shall have the
21 following duties:

22 (1) The Department of Children and Family Services
23 shall:

24 (a) Develop a standardized ~~simplified~~ eligibility
25 application ~~mail-in~~ form to be used for determining the
26 eligibility of children for coverage for all components of
27 ~~under~~ the Florida Kidcare program, in consultation with the
28 agency, the Department of Health, and the Florida Healthy Kids
29 Corporation. The standardized ~~simplified~~ eligibility
30 application form must include an item that provides an
31 opportunity for the applicant to indicate whether coverage is

1 | being sought for a child with special health care needs.
2 | Families applying for children's Medicaid coverage must also
3 | be able to use the simplified application form without having
4 | to pay a premium.

5 | (b) Establish and maintain the eligibility
6 | determination process under the program except as specified in
7 | subsection (5). The department shall directly, or through the
8 | services of a contracted third-party administrator, establish
9 | and maintain a process for determining eligibility of children
10 | for coverage under the program. The eligibility determination
11 | process must be used solely for determining eligibility of
12 | applicants for health benefits coverage under the program. The
13 | eligibility determination process must include an initial
14 | determination of eligibility for any coverage offered under
15 | the program, as well as a redetermination or reverification of
16 | eligibility, 12 months after enrollment ~~each subsequent 6~~
17 | ~~months~~. Effective January 1, 1999, a child who has not
18 | attained the age of 5 and who has been determined eligible for
19 | the Medicaid program is eligible for coverage for 12 months
20 | without a redetermination or reverification of eligibility. In
21 | conducting an eligibility determination, the department shall
22 | determine if the child has special health care needs. The
23 | department, in consultation with the Agency for Health Care
24 | Administration and the Florida Healthy Kids Corporation, shall
25 | develop procedures for redetermining eligibility which enable
26 | a family to easily update any change in circumstances which
27 | could affect eligibility. The department may accept changes in
28 | a family's status as reported to the department by the Florida
29 | Healthy Kids Corporation without requiring a new application
30 | from the family. Redetermination of a child's eligibility for
31 |

1 Medicaid may not be linked to a child's eligibility
2 determination for other programs.

3 (c) Inform program applicants about eligibility
4 determinations and provide information about eligibility of
5 applicants to Medicaid, Medikids, the Children's Medical
6 Services Network, and the Florida Healthy Kids Corporation,
7 and to insurers and their agents, through a centralized
8 coordinating office.

9 (d) Design a plan, in consultation with the Florida
10 Healthy Kids Corporation, for determining eligibility for
11 public assistance or Medicaid which will enable applicants
12 with children who apply to the department for Medicaid or
13 other public assistance to apply for the Healthy Kids program
14 using the same application information in the event they are
15 found ineligible for Medicaid. The plan must be sufficient to
16 enable such applicants to submit all information necessary for
17 enrollment in the Healthy Kids program, including the
18 opportunity for such applicants to indicate whether coverage
19 is being sought for a child with special health care needs.
20 The plan shall allow the department to forward such
21 application information, together with accompanying
22 documentation as necessary, to the Florida Healthy Kids
23 Corporation, and the plan shall allow such application
24 information and documents to be processed for Healthy Kids
25 program enrollment by the Florida Healthy Kids Corporation in
26 accordance with eligibility criteria then in effect without
27 requiring the applicant to submit a separate application for
28 the Healthy Kids program. The department shall submit such
29 plan to the President of the Senate, the Speaker of the House
30 of Representatives, and the Governor no later than December
31 31, 2007.

1 ~~(e)(d)~~ Adopt rules necessary for conducting program
2 eligibility functions.

3 (3) The Agency for Health Care Administration, under
4 the authority granted in s. 409.914(1), shall:

5 ~~(g) The agency shall seek a state plan amendment and~~
6 waiver authority, if necessary, from the federal Centers for
7 Medicare and Medicaid Services for a maximum income threshold
8 of up to 225 percent of the federal poverty level. Until the
9 federal agency approves the request, the maximum income
10 threshold used for the Florida Kidcare program shall be 200
11 percent of the federal poverty level or the highest income
12 threshold allowed under current federal law and state plan
13 amendment, whichever is higher, up to 225 percent of the
14 federal poverty level. Any such expansion under this
15 subsection is subject to a specified appropriation for such
16 purpose and the availability of federal matching funds for
17 children in families above 200 percent of the federal poverty
18 level.

19
20 The agency is designated the lead state agency for Title XXI
21 of the Social Security Act for purposes of receipt of federal
22 funds, for reporting purposes, and for ensuring compliance
23 with federal and state regulations and rules.

24 Section 6. Paragraph (b) of subsection (2) and
25 paragraph (b) of subsection (5) of section 624.91, Florida
26 Statutes, are amended to read:

27 624.91 The Florida Healthy Kids Corporation Act.--

6 authorized insurer or provider under a Florida Healthy Kids
7 Corporation contract shall be no less than an amount which is
8 85 percent of premium; to the extent any contract provision
9 does not provide for this minimum compensation, this section
10 shall prevail. The health plan selection criteria and scoring
11 system, and the scoring results, shall be available upon
12 request for inspection after the bids have been awarded.

13 11. Establish disenrollment criteria in the event
14 local matching funds are insufficient to cover enrollments.

7 | STATEMENT OF SUBSTANTIAL CHANGES CONTAINED IN
8 | COMMITTEE SUBSTITUTE FOR
9 | Senate Bill 1740

10 | The committee substitute requires the Agency for Health Care
11 | Administration to seek a state plan amendment and waiver
12 | authority, if necessary, from the federal Centers for Medicare
13 | and Medicaid Services to establish the highest "maximum income
14 | threshold" of up to 225 percent of the most recently stated
15 | federal poverty limit for eligibility in Florida Kidcare
16 | programs like Medikids and Florida Healthy Kids.

19 | child transitioning from Medicaid to Title XXI-funded program
20 | components; repeals the requirement that a child who is
21 | dropped from employer-sponsored coverage is ineligible for
22 | Florida Kidcare for 6 months; requires plans and providers to
23 | be notified that their members' or patients' eligibility
24 | status is changing; requires eligibility information to be
25 | electronically verified; specifies that full-pay applicants
26 | are not required to provide eligibility information; requires
27 | the Department of Children and Families to design a plan for
28 | determining eligibility for public assistance and Medicaid
29 | that will allow children to also apply for the Healthy Kids
30 | program using the same application; allows health and dental
31 | plans to develop and distribute marketing and other
32 | promotional materials; and requires the Florida Healthy Kids
33 | Corporation to establish an assignment process to keep family
34 | members assigned to the same managed care plan to the greatest
35 | extent possible.
