

1 ~~3.(e)~~ The ability of consumers to obtain functionally
2 equivalent services at comparable rates, terms, and
3 conditions.

4 ~~4.(d)~~ The overall impact of price regulation on the
5 maintenance of reasonably affordable and reliable high-quality
6 telecommunications services.

7 ~~5.(e)~~ What additional services, if any, should be
8 included in the definition of basic local telecommunications
9 services, taking into account advances in technology and
10 market demand.

11 ~~6.(f)~~ Any other information and recommendations which
12 may be in the public interest.

13 (b) The commission shall make an annual request to
14 providers of local exchange telecommunications services by
15 March 1, 2008, and on or before March 1 of each year
16 thereafter, for the data it requires to complete the report.

17 (2) In lieu of any other information required by the
18 commission to complete the report under subsection (1), a
19 provider of local exchange telecommunications services shall
20 file the following with the commission on or before April 15,
21 2008, and on or before April 15 each year thereafter:

22 (a) A copy of the FCC Form 477 filed with the Federal
23 Communications Commission, which must identify
24 Florida-specific access line data and provisioned Florida
25 access line data identified by telephone exchange location; or

26 (b) A response to the annual data request of the
27 commission issued pursuant to paragraph (1)(b).

28 ~~(3)(2)~~ The Office of Public Counsel is also directed
29 to submit a report on competition in the telecommunications
30 industry and on how the price regulation provisions of s.
31 364.051 have benefited the ratepayers and consumers of this

1 | state and any other information and recommendations which may
2 | be in the public interest.

3 | Section 2. This act shall take effect July 1, 2007.
