11	Senator Posey moved the following amendment:						
12							
13	Senate Amendment						
14	On page 48, line 24, through						
15	page 49, line 10, delete those lines						
16							
17	and insert: who submits the application to the corporation						
18	made in its capacity as the corporation's agent. It is						
19	acceptable to make a comparison solely of the premium with						
20	respect to the main building or structure only, on the						
21	following basis: the same coverage A or other building limits;						
22	the same percentage hurricane deductible that applies on an						
23	annual basis or that applies to each hurricane for commercial						
24	residential property; the same percentage of ordinance and law						
25	coverage, if the same limit is offered by both the corporation						
26	and the authorized insurer; the same mitigation credits, to						
27	the extent the same types of credits are offered both by the						
28	corporation and the authorized insurer; the same method for						
29	loss payment, such as replacement cost or actual cash value,						
30	if the same method is offered both by the corporation and the						
31	authorized insurer in accordance with underwriting rules; and 1
