The Committee on Banking and Insurance (Lawson) recommended  
the following amendment:

**Senate Amendment**

On page 3, line 19, after or maximum policy limits  
insert: Notwithstanding the provisions of this subparagraph,  
emergency services and care as defined in s. 395.002 rendered  
by physicians and hospitals in a hospital emergency  
department, trauma center or inpatient department licensed  
under chapter 395 and subsequent medically necessary hospital  
and physician inpatient and medical rehabilitation care  
resulting from a motor vehicle crash are exempt from the fee  
schedule contained in this section. Hospitals are to be  
reimbursed at 75% of billed charges and physicians are to be  
reimbursed their usual and customary charges as billed.
