11 Senator Bennett moved the following amendment:

12

13 **Senate Amendment (with title amendment)**

14 On page 43, between lines 18 and 19,

15

16 insert:

17 Section 22. Section 403.892, Florida Statutes, is

18 created to read:

19 403.892 Check-valve device.--An internal check-valve

20 device that prevents intentional or accidental backflow

21 contamination of the public water supply shall be installed in

22 each new or replacement fire hydrant in each county that has a

23 population in excess of one million according to the 2000

24 United States Census. Such device must not delay access to the

25 water supply for fire protection. Initial compliance will be

26 verified during routine code enforcement by the local

27 authority, not by the department. Any additional inspections

28 will occur as provided in s. 633.082.
