11 Senator Bennett moved the following amendment:

13 **Senate Amendment (with title amendment)**

14 On page 43, between lines 18 and 19,

16 insert:

17 Section 22. Section 403.892, Florida Statutes, is
18 created to read:

19 403.892 Check-valve device.--An internal check-valve
20 device that prevents intentional or accidental backflow
21 contamination of the public water supply shall be installed in
22 each new or replacement fire hydrant in each county that has a
23 population in excess of 1,750,000 according to the 2000 United
24 States Census. Such device must not delay access to the water
25 supply for fire protection. Initial compliance will be
26 verified during routine code enforcement by the local
27 authority, not by the department. Any additional inspections
28 will occur as provided in s. 633.082. The exclusive
29 responsibility and obligation for performance under and
30 compliance with this section resides with the local authority;
31 the department shall not exercise any authority under this
