The Committee on Judiciary (Geller) recommended the following amendment:

**Senate Amendment**

On page 3, between lines 14 and 15,  
insert: (5) Notwithstanding the provisions of subsections (1) and (2), a caseworker at the agency at which the state has placed a minor in foster care may sign the minor's application for a driver's license if part of a court-approved transition plan. Prior to signing the application, the caseworker shall notify the foster parents or other responsible party of the intent to sign the application. The caseworker does not assume any obligation or become liable for any damages caused by the willful misconduct of the minor by reason of having signed the application.
