The Committee on Community Affairs (Crist) recommended the following amendment:

**Senate Amendment**

On page 6, lines 8-14, delete those lines

and insert: collections and remittances of eligible convention centers will exceed the \$5 million maximum amount authorized for distribution, the department shall distribute proceeds to each eligible unit of local government using an apportionment factor, the numerator of which is the amount remitted by an eligible convention center during the immediate preceding state fiscal year and the denominator is the total amount remitted by all eligible convention centers during the immediate preceding state fiscal year. The
