6 WHEREAS, on July 23, 2004, the United States Congress
7 declared that "the atrocities unfolding in Darfur, Sudan, are
8 genocide," and

9 WHEREAS, on December 7, 2004, the United States
10 Congress noted that the genocidal policy in Darfur has led to
11 reports of "systematic rape of thousands of women and girls,
12 the abduction of women and children, and the destruction of
13 hundreds of ethnically African villages, including the
14 poisoning of their wells and the plunder of their crops and
15 cattle upon which the people of such villages sustain
16 themselves," and

17 WHEREAS, on December 7, 2004, Congress found that "the
18 Government of Sudan has restricted access by humanitarian and
19 human rights workers to the Darfur area through intimidation
20 by military and security forces, and through bureaucratic and
21 administrative obstruction, in an attempt to inflict the most
22 devastating harm on those individuals displaced from their
23 villages and homes without any means of sustenance or
24 shelter," and

25 WHEREAS, on September 25, 2006, Congress reaffirmed
26 that "the genocide unfolding in the Darfur region of Sudan is
27 characterized by acts of terrorism and atrocities directed
28 against civilians, including mass murder, rape, and sexual
29 violence committed by the Janjaweed and associated militias
30 with the complicity and support of the National Congress
31 Party-led faction of the Government of Sudan," and

1 WHEREAS, on September 26, 2006, the United States House
2 of Representatives stated that "an estimated 300,000 to
3 400,000 people have been killed by the Government of Sudan and
4 its Janjaweed allies since the crisis began in 2003, more than
5 2,000,000 people have been displaced from their homes, and
6 more than 250,000 people from Darfur remain in refugee camps
7 in Chad," and

8 WHEREAS, the Darfur crisis represents the first time
9 the United States Government has labeled ongoing atrocities as
10 genocide, and

11 WHEREAS, the Federal Government has imposed sanctions
12 against the Government of Sudan since 1997. These sanctions
13 are monitored through the United States Treasury Department's
14 Office of Foreign Assets Control (OFAC), and

15 WHEREAS, according to a former chair of the United
16 States Securities and Exchange Commission, the fact that a
17 foreign company is doing material business with a country,
18 government, or entity on OFAC's sanctions list is, in the SEC
19 staff's view, substantially likely to be significant to a
20 reasonable investor's decision about whether to invest in that
21 company, and

22 WHEREAS, since 1993, the United States Secretary of
23 State has determined that Sudan is a country whose government
24 has repeatedly provided support for acts of international
25 terrorism, and, as a result, the United States has restricted
26 assistance, defense exports, defense sales, financial
27 transactions, and various other transactions with the
28 Government of Sudan, and

29 WHEREAS, a 2006 report by United States House of
30 Representatives states that "a company's association with
31 sponsors of terrorism and human rights abuses, no matter how

1 large or small, can have a materially adverse result on a
2 public company's operations, financial condition, earnings,
3 and stock prices, all of which can negatively affect the value
4 of an investment," and

5 WHEREAS, in response to the financial risk posed by
6 investments in companies doing business with a state that
7 sponsors terrorists, the Securities and Exchange Commission
8 established its Office of Global Security Risk to provide for
9 enhanced disclosure of material information regarding such
10 companies, and

11 WHEREAS, the current Sudan divestment movement
12 encompasses nearly 100 universities, municipalities, states,
13 and private pension plans, and

14 WHEREAS, companies facing such widespread divestment
15 present further material risk to remaining investors, and

16 WHEREAS, it is a fundamental responsibility of the
17 State of Florida to decide where, how, and by whom financial
18 resources in its control should be invested, taking into
19 account numerous pertinent factors, and

20 WHEREAS, it is the prerogative and desire of the State
21 of Florida, with respect to investment resources in its
22 control and to the extent reasonable, with due consideration
23 for return on investment on behalf of the state and its
24 investment beneficiaries, not to participate in an ownership
25 or capital-providing capacity with entities that provide
26 significant practical support for genocide, including certain
27 non-United States companies presently doing business in Sudan,
28 and

29 WHEREAS, a resolution of the United Nations Security
30 Council imposes sanctions on Iran for its failure to suspend
31 its uranium-enrichment activities, and

1 WHEREAS, the United Nations Security Council voted
2 unanimously for an additional embargo on Iranian arms exports,
3 which is a freeze on assets abroad of an expanded list of
4 individuals and companies involved in Iran's nuclear and
5 ballistic missile programs, and calls for nations and
6 institutions to bar new grants or loans to Iran except for
7 humanitarian and developmental purposes, and

8 WHEREAS, Iran's financial ability to pay its debts to
9 foreign entities involved in the petroleum-energy sector
10 amounting to more than \$20 million is put at risk by the Iran
11 and Libya Sanctions Act embargo and sanctions, and

12 WHEREAS, foreign entities have invested in Iran's
13 petroleum-energy sector despite United States and United
14 Nations sanctions against Iran, and

15 WHEREAS, all United States and foreign entities that
16 have invested more than \$20 million in Iran's energy sector
17 since August 5, 1996, are subject to sanctions under United
18 States law pursuant to the Iran and Libya Sanctions Act of
19 1996, and

20 WHEREAS, the United States renewed the Iran and Libya
21 Sanctions Act of 1996 in 2001 and 2006, and

22 WHEREAS, while divestiture should be considered with
23 the intent to improve investment performance and, by the rules
24 of prudence, fiduciaries must take into account all relevant
25 substantive factors in arriving at an investment decision, and

26 WHEREAS, the State of Florida is deeply concerned about
27 investments in publicly traded companies that have business
28 activities in and ties to Iran's petroleum-energy sector as a
29 financial risk to the shareholders, and

30 WHEREAS, by investing in publicly traded companies
31 having ties to Iran's petroleum-energy sector, the Florida

1 State Board of Administration is putting the funds it oversees
2 at substantial financial risk, and

3 WHEREAS, divestiture from markets that are vulnerable
4 to embargo, loan restrictions, and sanctions from the United
5 States and the international community, including the United
6 Nations Security Council, is in accordance with the rules of
7 prudence, and

8 WHEREAS, the Legislature finds that this act should
9 remain in effect only insofar as it continues to be consistent
10 with and does not unduly interfere with the foreign policy of
11 the United States as determined by the Federal Government, and

12 WHEREAS, to protect Florida's assets, it is in the best
13 interest of the state to enact a statutory prohibition
14 regarding the investments managed by the State Board of
15 Administration doing business in Sudan or in Iran's
16 petroleum-energy sector, NOW, THEREFORE,

17
18 Be It Enacted by the Legislature of the State of Florida:

18 (2) IDENTIFICATION OF COMPANIES.--

19 (a) Within 90 days after the effective date of this
20 act, the public fund shall make its best efforts to identify
21 all scrutinized companies in which the public fund has direct
22 or indirect holdings or could possibly have such holdings in
23 the future. Such efforts include:

24 1. Reviewing and relying, as appropriate in the public
25 fund's judgment, on publicly available information regarding
26 companies having business operations in Sudan, including
27 information provided by nonprofit organizations, research
28 firms, international organizations, and government entities;

29 2. Contacting asset managers contracted by the public
30 fund that invest in companies having business operations in
31 Sudan; or

1 3. Contacting other institutional investors that have
2 divested from or engaged with companies that have business
3 operations in Sudan.

4 4. Reviewing the laws of the United States regarding
5 the levels of business activity that would cause application
6 of sanctions for companies conducting business or investing in
7 countries that are designated state sponsors of terror.

8 (b) By the first meeting of the public fund following
9 the 90-day period described in paragraph (a), the public fund
10 shall assemble all scrutinized companies that fit criteria
11 specified in subparagraphs (1)(t)1., 2., and 3. into a
12 "Scrutinized Companies with Activities in Sudan List" and
13 shall assemble all scrutinized companies that fit criteria
14 specified in subparagraph (1)(t)4. into a "Scrutinized
15 Companies with Activities in the Iran Petroleum Energy Sector
16 List."

17 (c) The public fund shall update and make publicly
18 available quarterly the Scrutinized Companies with Activities
19 in Sudan List and the Scrutinized Companies with Activities in
20 the Iran Petroleum Energy Sector List based on evolving
21 information from, among other sources, those listed in
22 paragraph (a).

23 (d) Notwithstanding the provisions of this act, a
24 social-development company that is not complicit in the Darfur
25 genocide is not considered a scrutinized company under
26 subparagraph (1)(t)1., subparagraph (1)(t)2., or subparagraph
27 (1)(t)3.

28 (3) REQUIRED ACTIONS.--The public fund shall adhere to
29 the following procedure for assembling companies on the
30 Scrutinized Companies with Activities in Sudan List and the
31

1 Scrutinized Companies with Activities in the Iran Petroleum
2 Energy Sector List:

3 (a) Engagement.--

4 1. The public fund shall immediately determine the
5 companies on the Scrutinized Companies with Activities in
6 Sudan List and the Scrutinized Companies with Activities in
7 the Iran Petroleum Energy Sector List in which the public fund
8 owns direct or indirect holdings.

9 2. For each company identified in this paragraph that
10 has only inactive business operations, the public fund shall
11 send a written notice informing the company of this act and
12 encouraging it to continue to refrain from initiating active
13 business operations in Sudan or Iran until it is able to avoid
14 scrutinized business operations. The public fund shall
15 continue such correspondence semiannually.

16 3. For each company newly identified under this
17 paragraph that has active business operations, the public fund
18 shall send a written notice informing the company of its
19 scrutinized company status and that it may become subject to
20 divestment by the public fund. The notice must inform the
21 company of the opportunity to clarify its Sudan-related or
22 Iran-related activities and encourage the company, within 90
23 days, to cease its scrutinized business operations or convert
24 such operations to inactive business operations in order to
25 avoid qualifying for divestment by the public fund.

26 4. If, within 90 days after the public fund's first
27 engagement with a company pursuant to this paragraph, that
28 company ceases scrutinized business operations, the company
29 shall be removed from the Scrutinized Companies with
30 Activities in Sudan List and the Scrutinized Companies with
31 Activities in the Iran Petroleum Energy Sector List, and the

1 provisions of this act shall cease to apply to that company
2 unless that company resumes scrutinized business operations.
3 If, within 90 days after the public fund's first engagement,
4 the company converts its scrutinized active business
5 operations to inactive business operations, the company is
6 subject to all provisions relating to inactive business
7 operations. A company may be removed from one list but remain
8 on the other list, in which case the company shall be subject
9 to the provisions applicable to the list on which the company
10 remains.

11 (b) Divestment.--

12 1. If, after 90 days following the public fund's first
13 engagement with a company pursuant to paragraph (a), the
14 company continues to have scrutinized active business
15 operations, and only while such company continues to have
16 scrutinized active business operations, the public fund shall
17 sell, redeem, divest, or withdraw all publicly traded
18 securities of the company, except as provided in paragraph
19 (d), from the public fund's assets under management within 12
20 months after the company's most recent appearance on the
21 Scrutinized Companies with Activities in Sudan List or on the
22 Scrutinized Companies with Activities in the Iran Petroleum
23 Energy Sector List.

24 2. If a company that ceased scrutinized active
25 business operations following engagement pursuant to paragraph
26 (a) resumes such operations, this paragraph immediately
27 applies, and the public fund shall send a written notice to
28 the company. The company shall also be immediately
29 reintroduced onto the Scrutinized Companies with Activities in
30 Sudan List or on the Scrutinized Companies with Activities in
31 the Iran Petroleum Energy Sector List, as applicable.

1 (c) Prohibition.--The public fund may not acquire
2 securities of companies on the Scrutinized Companies with
3 Activities in Sudan List or the Scrutinized Companies with
4 Activities in the Iran Petroleum Energy Sector List that have
5 active business operations, except as provided in paragraph
6 (d).

7 (d) Exemption.--A company that the United States
8 Government affirmatively declares to be excluded from its
9 present or any future federal sanctions regime relating to
10 Sudan or Iran is not subject to divestment or the investment
11 prohibition pursuant to paragraphs (b) and (c).

12 (e) Excluded securities.--Notwithstanding the
13 provisions of this act, paragraphs (b) and (c) do not apply to
14 indirect holdings in actively managed investment funds.
15 However, the public fund shall submit letters to the managers
16 of such investment funds containing companies that have
17 scrutinized active business operations requesting that they
18 consider removing such companies from the fund or create a
19 similar actively managed fund having indirect holdings devoid
20 of such companies. If the manager creates a similar fund, the
21 public fund shall replace all applicable investments with
22 investments in the similar fund in an expedited timeframe
23 consistent with prudent investing standards. For the purposes
24 of this section, a private equity fund is deemed to be an
25 actively managed investment fund.

26 (f) Further exclusions.--Notwithstanding any other
27 provision of this act, the public fund, when discharging its
28 responsibility for operation of a defined contribution plan,
29 shall engage the manager of the investment offerings in such
30 plans requesting that they consider removing scrutinized
31 companies from the investment offerings or create an

1 alternative investment offering devoid of scrutinized
2 companies. If the manager creates an alternative investment
3 offering and the offering is deemed by the public fund to be
4 consistent with prudent investor standards, the public fund
5 shall consider including such investment offering in the plan.

6 (4) REPORTING.--

7 (a) The public fund shall file a report with each
8 member of the Board of Trustees of the State Board of

2 of all of the following:

3 (a) If any of the following occur, the public fund
4 shall no longer scrutinize companies according to
5 subparagraphs (1)(t)1., 2., and 3. and shall no longer
6 assemble the Scrutinized Companies with Activities in Sudan
7 List, shall cease engagement and divestment of such companies,
8 and may reinvest in such companies as long as such companies
9 do not satisfy the criteria for inclusion in the Scrutinized
10 Companies with Activities in the Iran Petroleum Energy Sector
11 List:

12 1. The Congress or President of the United States,
13 affirmatively and unambiguously states, by means including,
14 but not limited to, legislation, executive order, or written
15 certification from the President to Congress, that the Darfur
16 genocide has been halted for at least 12 months;

17 2. The United States revokes all sanctions imposed
18 against the Government of Sudan;

19 3. The Congress or President of the United States
20 affirmatively and unambiguously states, by means including,
21 but not limited to, legislation, executive order, or written
22 certification from the President to Congress, that the
23 government of Sudan has honored its commitments to cease
24 attacks on civilians, demobilize and demilitarize the
25 Janjaweed and associated militias, grant free and unfettered
26 access for deliveries of humanitarian assistance, and allow
27 for the safe and voluntary return of refugees and internally
28 displaced persons; or

29 4. The Congress or President of the United States
30 affirmatively and unambiguously states, by means including,
31 but not limited to, legislation, executive order, or written

1 certification from the President to Congress, that mandatory
2 divestment of the type provided for in this act interferes
3 with the conduct of United States foreign policy.

4 (b) If any of the following occur, the public fund
5 shall no longer scrutinize companies according to subparagraph
6 (1)(t)4. and shall no longer assemble the Scrutinized
7 Companies with Activities in the Iran Petroleum Energy Sector
8 List and shall cease engagement, investment prohibitions, and
9 divestment. The public fund may reinvest in such companies as
10 long as such companies do not satisfy the criteria for
11 inclusion in the Scrutinized Companies with Activities in
12 Sudan List:

13 1. The Congress or President of the United States
14 affirmatively and unambiguously states, by means including,
15 but not limited to, legislation, executive order, or written
16 certification from the President to Congress, that the
17 government of Iran has ceased to acquire weapons of mass
18 destruction and support international terrorism;

19 2. The United States revokes all sanctions imposed
20 against the government of Iran; or

21 3. The Congress or President of the United States
22 affirmatively and unambiguously declares, by means including,
23 but not limited to, legislation, executive order, or written
24 certification from the President to Congress, that mandatory
25 divestment of the type provided for in this act interferes
26 with the conduct of United States foreign policy.

27 (6) INVESTMENT POLICY STATEMENT OBLIGATIONS.--The
28 public fund's actions taken in compliance with this act,
29 including all good faith determinations regarding companies as
30 required by this act, shall be adopted and incorporated into
31

1 the public fund's investment policy statement (the IPS) as set
2 forth in s. 215.475.

3 (7) REINVESTMENT IN CERTAIN COMPANIES HAVING
4 SCRUTINIZED ACTIVE BUSINESS OPERATIONS.--Notwithstanding any
5 other provision of this act to the contrary, the public fund
6 may cease divesting from certain scrutinized companies
7 pursuant to paragraph (3)(b) or reinvest in certain
8 scrutinized companies from which it divested pursuant to
9 paragraph (3)(b) if clear and convincing evidence shows that
10 the value of all assets under management by the public fund
11 becomes equal to or less than 99.50 percent, or 50 basis
12 points, of the hypothetical value of all assets under
13 management by the public fund assuming no divestment for any
14 company had occurred under paragraph (3)(b). Cessation of
15 divestment, reinvestment, or any subsequent ongoing investment
16 authorized by this act is limited to the minimum steps
17 necessary to avoid the contingency set forth in this
18 subsection or that no divestment of any company is required
19 for less than fair value. For any cessation of divestment,
20 reinvestment, or subsequent ongoing investment authorized by
21 this act, the public fund shall provide a written report to
22 each member of the Board of Trustees of the State Board of
23 Administration, the President of the Senate, and the Speaker
24 of the House of Representatives in advance of initial
25 reinvestment, updated semiannually thereafter as applicable,
26 setting forth the reasons and justification, supported by
27 clear and convincing evidence, for its decisions to cease
28 divestment, reinvest, or remain invested in companies having
29 scrutinized active business operations. This act does not
30 apply to reinvestment in companies on the grounds that they
31 have ceased to have scrutinized active business operations.

1 Section 4. If any provision of this act or its
2 application to any person or circumstance is held invalid, the
3 invalidity does not affect other provisions or applications of
4 the act that can be given effect without the invalid provision
5 or application, and to this end the provisions of this act are
6 severable. The Legislature hereby declares that it would have
7 passed this act and each provision of this act, irrespective
8 of the fact that any one or more provisions of this act might
9 be declared invalid, illegal, unenforceable or
10 unconstitutional, including, but not limited to, each of the
11 engagement, divestment, and prohibition provisions of this
12 act.

13 Section 5. This act shall take effect upon becoming a
14 law.
