The organization is not to be a state agency as defined in s. 120.52. The Florida Private High School Athletic Association is designated as the governing nonprofit organization of athletics in Florida private schools. The

2 ~~A private school that wishes to engage in high school athletic~~
3 ~~competition with a public high school may become a member of~~
4 ~~the organization.~~ The bylaws of the organization are to be the
5 rules by which high school athletic programs in its member
6 schools, and the students who participate in them, are
7 governed, unless otherwise specifically provided by statute.
8 For the purposes of this section, "high school" includes
9 grades 6 through 12.

10 (2) ADOPTION OF BYLAWS.--

11 (a) Each ~~The~~ organization shall adopt bylaws that,
12 unless specifically provided by statute, establish eligibility
13 requirements for all students who participate in high school
14 athletic competition in its member schools. The bylaws
15 governing residence and transfer shall allow the student to be
16 eligible in the school in which he or she first enrolls each
17 school year, or makes himself or herself a candidate for an
18 athletic team by engaging in a practice prior to enrolling in
19 any member school. The student shall be eligible in that
20 school so long as he or she remains enrolled in that school.
21 Subsequent eligibility shall be determined and enforced
22 through the organization's bylaws.

23 (b) Each ~~The~~ organization shall adopt bylaws that
24 specifically prohibit the recruiting of students for athletic
25 purposes. The bylaws shall prescribe penalties and an appeals
26 process for athletic recruiting violations.

27 (c) Each ~~The~~ organization shall adopt bylaws that
28 require all students participating in interscholastic athletic
29 competition or who are candidates for an interscholastic
30 athletic team to satisfactorily pass a medical evaluation each

4 evaluation can only be administered by a practitioner licensed
5 under the provisions of chapter 458, chapter 459, chapter 460,
6 or s. 464.012, and in good standing with the practitioner's
7 regulatory board. The bylaws shall establish requirements for
8 eliciting a student's medical history and performing the
9 medical evaluation required under this paragraph, which shall
10 include a physical assessment of the student's physical
11 capabilities to participate in interscholastic athletic
12 competition as contained in a uniform preparticipation
13 physical evaluation and history form. The evaluation form
14 shall incorporate the recommendations of the American Heart
15 Association for participation cardiovascular screening and
16 shall provide a place for the signature of the practitioner
17 performing the evaluation with an attestation that each
18 examination procedure listed on the form was performed by the
19 practitioner or by someone under the direct supervision of the
20 practitioner. The form shall also contain a place for the
21 practitioner to indicate if a referral to another practitioner
22 was made in lieu of completion of a certain examination
23 procedure. The form shall provide a place for the practitioner
24 to whom the student was referred to complete the remaining
25 sections and attest to that portion of the examination. The
26 preparticipation physical evaluation form shall advise
27 students to complete a cardiovascular assessment and shall
28 include information concerning alternative cardiovascular
29 evaluation and diagnostic tests. Results of such medical
30 evaluation must be provided to the school. No student shall be

 4 results of the medical evaluation have been received and
 5 approved by the school.

6 (d) Notwithstanding the provisions of paragraph (c), a
 7 student may participate in interscholastic athletic
 8 competition or be a candidate for an interscholastic athletic
 9 team if the parent of the student objects in writing to the
 10 student undergoing a medical evaluation because such
 11 evaluation is contrary to his or her religious tenets or
 12 practices. However, in such case, there shall be no liability
 13 on the part of any person or entity in a position to otherwise
 14 rely on the results of such medical evaluation for any damages
 15 resulting from the student's injury or death arising directly
 16 from the student's participation in interscholastic athletics
 17 where an undisclosed medical condition that would have been
 18 revealed in the medical evaluation is a proximate cause of the
 19 injury or death.
