The Committee on Governmental Operations (Lawson) recommended
the following amendment:

Senate Amendment

On page 2, lines 4 through 14, delete those lines

and insert: efforts, including the promotion of healthful
lifestyles, immunization practices, health literacy, and the
assessment and promotion of the physician and health care
workforce in order to meet the health care needs of the state.
The State Surgeon General shall focus on advocating healthful
lifestyles, developing public health policy, and building
collaborative partnerships with schools, businesses, health
care practitioners, community-based organizations, and public
and private institutions in order to promote the optimum
quality of life for all Floridians.
