1 the department shall assess the potential effect, including
2 fiscal impact, that the elimination or modification of these
3 dates will have on the department, other state agencies,
4 circuit courts, state attorneys, public defenders, and local
5 law enforcement agencies. The Department of Law Enforcement
6 shall also assess whether there are factors, such as
7 incomplete criminal histories and court records, which might
8 make the elimination or modification of these dates
9 impractical or might have a negative effect on the state's
10 current system for registering sexual predators and offenders.
11 The department shall present a report of its findings to the
12 President of the Senate and the Speaker of the House of
13 Representatives by December 30, 2007.
