A bill to be entitled

An act relating to reports of the Florida Energy Commission; amending s. 377.901, F.S.; extending the deadline for filing the initial report; authorizing the commission to make recommendations regarding related economic, energy, and environmental benefits; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (6) of section 377.901, Florida Statutes, is amended to read:

377.901 Florida Energy Commission.--

(6)(a) The commission shall report by December 31 of each year to the President of the Senate and the Speaker of the House of Representatives on its progress and recommendations, including draft legislation.

(b) The commission's initial report must be filed by February 1, 2008 ~~December 31, 2007~~, and must identify incentives for research, development, or deployment projects involving the goals and issues set forth in this section; set forth policy recommendations for conservation of all forms of energy; and set forth a plan of action, together with a timetable, for addressing additional issues.

(c) The commission's initial report shall also recommend consensus-based public-involvement processes that evaluate greenhouse gas emissions in this state and the commission shall make recommendations regarding related economic, energy, and environmental benefits.

1 (d) The report must include recommended steps and a
2 schedule for the development of a comprehensive state climate
3 action plan with greenhouse gas reduction through a
4 public-involvement process, including transportation and land
5 use; power generation; residential, commercial, and industrial
6 activities; waste management; agriculture and forestry;
7 emissions-reporting systems; and public education.

8 Section 2. This act shall take effect upon becoming a
9 law.
