## Florida Senate - 2007

## CS for SB 2772

By the Committee on Community Affairs; and Senator Bullard

578-2660-07

	578-2000-07
1	A bill to be entitled
2	An act relating to public records; creating s.
3	267.076, F.S.; creating an exemption from
4	public-records requirements for information
5	that identifies a donor or prospective donor
6	information involving any publicly owned house
7	museum that is designated by the United States
8	Department of the Interior as a National
9	Historic Landmark; providing for future
10	legislative review and repeal of the exemption
11	under the Open Government Sunset Review Act;
12	providing a finding of public necessity;
13	providing an effective date.
14	
15	Be It Enacted by the Legislature of the State of Florida:
16	
17	Section 1. Section 267.076, Florida Statutes, is
18	created to read:
19	267.076 Confidentiality of certain donor information
20	related to publicly owned house museums designated as National
21	Historic LandmarksInformation that would identify a donor
22	or prospective donor, who desires to remain anonymous, to a
23	publicly owned house museum designated by the United States
24	Department of the Interior as a National Historic Landmark, is
25	confidential and exempt from s. 119.07(1) and s. 24(a), Art. I
26	of the State Constitution. This section is subject to the Open
27	Government Sunset Review Act in accordance with s. 119.15, and
28	shall stand repealed on October 2, 2012, unless reviewed and
29	saved from repeal through reenactment by the Legislature.
30	Section 2. The Legislature finds that it is a public
31	necessity that information that would identify a donor or

2	publicly owned house museum designated by the United States
3	Department of the Interior as a National Historic Landmark, be
4	made confidential and exempt from public-records requirements.
5	In order to protect Florida's historic resources, it is a
б	public necessity to promote the giving of gifts to, and the
7	raising of private funds for, the acquisition, renovation,
8	rehabilitation, and operation of publicly owned house museums
9	designated by the United States Department of the Interior as
10	National Historic Landmarks. An essential element of a robust
11	plan of promoting the giving of private gifts and the raising
12	of private funds is the need to protect the identity of
13	prospective and actual donors who desire to remain anonymous.
14	If the identity of prospective and actual donors who desire to
15	remain anonymous is subject to disclosure, there is a chilling
16	effect on donations because donors are concerned about
17	disclosure of personal information leading to theft and, in
18	particular, identity theft, including personal safety and
19	security. Therefore, the Legislature finds that it is a public
20	necessity to make confidential and exempt from public-records
21	requirements information that would identify a donor or
22	prospective donor who wishes to remain anonymous, to a
23	publicly owned house museum designated by the United States
24	Department of the Interior as a National Historic Landmark.
25	Section 3. This act shall take effect July 1, 2007.
