The Committee on Transportation and Economic Development
Appropriations (Diaz de la Portilla) recommended the following
amendment to amendment (535182):

Senate Amendment (with title amendment)

On page 1, line 19, through
page 2, line 1, delete those lines

and insert:

Section 1. (1) Before eliminating gravel or stone
roofing systems in the Florida Building Code, the Florida
Building Commission shall determine and document:

(a) Whether there is a scientific basis or reason for
eliminating this option;

(b) Whether there is an available alternative that is
equivalent in cost and durability;

(c) Whether eliminating this option will unnecessarily
restrict or eliminate business or consumer choice in roofing
systems; and

(d) In consultation with the Fish and Wildlife
Conservation Commission, whether eliminating this option will

1 negatively affect the nesting habitat of any species of
2 nesting bird.

3 (2) Notwithstanding s. 553.73, Florida Statutes, the
4 Florida Building Commission may adopt provisions to preserve
5 the use of gravel roof systems in future editions of the
6 Florida Building Code, if necessary to address the
7 determination of the issues addressed in this section.
