The Committee on Higher Education (Constantine) recommended  
the following amendment:

**Senate Amendment**

On page 1, lines 22-25, delete those lines

and insert:

(1) It is the intent of the Legislature to encourage  
each undergraduate student in postsecondary education to  
complete the student's respective degree program in the most  
efficient way possible and to provide access to additional  
college course work. Accordingly, a student
