1	A bill to be entitled
2	An act relating to nutrition and health
3	services in elementary and secondary public
4	schools; requiring nutritional standards for
5	food that is available to school children on
6	school campuses; requiring the State Board of
7	Education to adopt rules; requiring school
8	districts to provide medical screening for type
9	II diabetes for certain students; providing an
10	effective date.
11	
12	Be It Enacted by the Legislature of the State of Florida:
13	
14	Section 1. Regulation of food sold or prepared on
15	public school campuses; noninvasive medical screening
16	(1) Each public elementary, middle, and high school in
17	this state shall post in a conspicuous place in its cafeteria
18	and on the school website the nutritional value of every meal
19	served in the cafeteria. Such posting must be accessible to a
20	parent of each student.
21	(2) Each public middle school shall remove from its
22	campus vending machines that sell carbonated drinks and
23	replace such machines with vending machines that sell
24	vegetable juice, 100 percent fruit juice, and drinking water.
25	(3) If a public elementary, middle, or high school
26	serves fried foods, such foods must be fried in oils that are
27	low in trans fatty acids in order to reduce the development of
28	health abnormalities in children.
29	(4) Each school district shall provide for noninvasive
30	medical screening for type II diabetes for each student in
31	grade 9 who is at risk for type II diabetes. The State Board

1	of Education, in consultation with the Department of Health,
2	shall adopt rules by which each school district may determine
3	which 9th graders in each school district are at risk for type
4	II diabetes.
5	Section 2. This act shall take effect July 1, 2007.
