2 | 1012.875 may elect, in lieu of participating in the Florida
3 | Retirement System, to withdraw from the Florida Retirement
4 | System altogether and participate in an optional retirement
5 | program provided by the employing agency under s. 1012.875, to
6 | be known as the State Community College System Optional
7 | Retirement Program. Pursuant thereto:

8 | 1. Through June 30, 2001, the cost to the employer for
9 | such annuity shall equal the normal cost portion of the
10 | employer retirement contribution which would be required if
11 | the employee were a member of the Regular Class defined
12 | benefit program, plus the portion of the contribution rate
13 | required by s. 112.363(8) that would otherwise be assigned to
14 | the Retiree Health Insurance Subsidy Trust Fund. Effective
15 | July 1, 2001, each employer shall contribute on behalf of each
16 | participant in the optional program an amount equal to 10.43
17 | percent of the participant's gross monthly compensation. The
18 | employer shall deduct an amount to provide for the
19 | administration of the optional retirement program. The
20 | employer providing the optional program shall contribute an
21 | additional amount to the Florida Retirement System Trust Fund
22 | equal to the unfunded actuarial accrued liability portion of
23 | the Regular Class contribution rate.

24 | 2. The decision to participate in such an optional
25 | retirement program shall be irrevocable for as long as the
26 | employee holds a position eligible for participation, except
27 | as provided in subparagraph 3. Any service creditable under
28 | the Florida Retirement System shall be retained after the
29 | member withdraws from the Florida Retirement System; however,
30 | additional service credit in the Florida Retirement System
31 |

1 shall not be earned while a member of the optional retirement
2 program.

3 3. An employee who has elected to participate in the
4 optional retirement program shall have one opportunity, at the
5 employee's discretion, to choose to transfer from the optional
6 retirement program to the defined benefit program of the
7 Florida Retirement System or to the Public Employee Optional
8 Retirement Program, subject to the terms of the applicable
9 optional retirement program contracts.

10 a. If the employee chooses to move to the Public
11 Employee Optional Retirement Program, any contributions,
12 interest, and earnings creditable to the employee under the
13 State Community College System Optional Retirement Program
14 shall be retained by the employee in the State Community
15 College System Optional Retirement Program, and the applicable
16 provisions of s. 121.4501(4) shall govern the election.

17 b. If the employee chooses to move to the defined
18 benefit program of the Florida Retirement System, the employee
19 shall receive service credit equal to his or her years of
20 service under the State Community College Optional Retirement
21 Program.

22 (I) The cost for such credit shall be an amount
23 representing the present value of that employee's accumulated
24 benefit obligation for the affected period of service. The
25 cost shall be calculated as if the benefit commencement occurs
26 on the first date the employee would become eligible for
27 unreduced benefits, using the discount rate and other relevant
28 actuarial assumptions that were used to value the Florida
29 Retirement System defined benefit plan liabilities in the most
30 recent actuarial valuation. The calculation shall include any
31 service already maintained under the defined benefit plan in

1 addition to the years under the State Community College
2 Optional Retirement Program. The present value of any service
3 already maintained under the defined benefit plan shall be
4 applied as a credit to total cost resulting from the
5 calculation. The division shall ensure that the transfer sum
6 is prepared using a formula and methodology certified by an
7 enrolled actuary.

8 (II) The employee must transfer from his or her State
9 Community College System Optional Retirement Program account
10 and from other employee moneys as necessary, a sum
11 representing the present value of that employee's accumulated
12 benefit obligation immediately following the time of such
13 movement, determined assuming that attained service equals the
14 sum of service in the defined benefit program and service in
15 the State Community College System Optional Retirement
16 Program.

17 4. Participation in the optional retirement program
18 shall be limited to those employees who satisfy the following
19 eligibility criteria:

20 a. The employee must be otherwise eligible for
21 membership or renewed membership in the Regular Class of the
22 Florida Retirement System, as provided in s. 121.021(11) and
23 (12) or s. 121.122.

24 b. The employee must be employed in a full-time
25 position classified in the Accounting Manual for Florida's
26 Public Community Colleges as:

27 (I) Instructional; or

28 (II) Executive Management, Instructional Management,
29 or Institutional Management, if a community college determines
30 that recruiting to fill a vacancy in the position is to be
31 conducted in the national or regional market, and:

1 (A) The duties and responsibilities of the position
2 include either the formulation, interpretation, or
3 implementation of policies; or

4 (B) The duties and responsibilities of the position
5 include the performance of functions that are unique or
6 specialized within higher education and that frequently
7 involve the support of the mission of the community college.

8 c. The employee must be employed in a position not
9 included in the Senior Management Service Class of the Florida
10 Retirement System, as described in s. 121.055.

11 5. Participants in the program are subject to the same
12 reemployment limitations, renewed membership provisions, and
13 forfeiture provisions as are applicable to regular members of
14 the Florida Retirement System under ss. 121.091(9), 121.122,
15 and 121.091(5), respectively.

16 6. Eligible community college employees shall be
17 compulsory members of the Florida Retirement System until,
18 pursuant to the procedures set forth in s. 1012.875, a written
19 election to withdraw from the Florida Retirement System and to
20 participate in the State Community College Optional Retirement
21 Program is filed with the program administrator and received
22 by the division.

23 a. Any community college employee whose program
24 eligibility results from initial employment shall be enrolled
25 in the State Community College Optional Retirement Program
26 retroactive to the first day of eligible employment. The
27 employer retirement contributions paid through the month of
28 the employee plan change shall be transferred to the community
29 college for the employee's optional program account, and,
30 effective the first day of the next month, the employer shall
31 pay the applicable contributions based upon subparagraph 1.

1 b. Any community college employee whose program
2 eligibility results from a change in status due to the
3 subsequent designation of the employee's position as one of
4 those specified in subparagraph 4. or due to the employee's
5 appointment, promotion, transfer, or reclassification to a
6 position specified in subparagraph 4. shall be enrolled in the
7 program upon the first day of the first full calendar month
8 that such change in status becomes effective. The employer
9 retirement contributions paid from the effective date through
10 the month of the employee plan change shall be transferred to
11 the community college for the employee's optional program
12 account, and, effective the first day of the next month, the
13 employer shall pay the applicable contributions based upon
14 subparagraph 1.

15 7. Effective July 1, 2003, any participant of the
16 State Community College Optional Retirement Program who has
17 service credit in the defined benefit plan of the Florida
18 Retirement System for the period between his or her first
19 eligibility to transfer from the defined benefit plan to the
20 optional retirement program and the actual date of transfer
21 may, during his or her employment, elect to transfer to the
22 optional retirement program a sum representing the present
23 value of the accumulated benefit obligation under the defined
24 benefit retirement program for such period of service credit.
25 Upon such transfer, all such service credit previously earned
26 under the defined benefit program of the Florida Retirement
27 System during this period shall be nullified for purposes of
28 entitlement to a future benefit under the defined benefit
29 program of the Florida Retirement System.

30 Section 2. Paragraph (a) of subsection (2) and
31 paragraphs (e) and (g) of subsection (3) of section 121.35,

1 Florida Statutes, are amended, and paragraph (i) is added to
2 subsection (3), to read:

3 121.35 Optional retirement program for the State
4 University System.--

5 (2) ELIGIBILITY FOR PARTICIPATION IN OPTIONAL
6 PROGRAM.--

7 (a) Participation in the optional retirement program
8 provided by this section shall be limited to persons who are

18 3. The Chancellor and the university presidents.

19 (3) ELECTION OF OPTIONAL PROGRAM.--

20 (e) The election by an eligible employee to
21 participate in the optional retirement program shall be
22 irrevocable for so long as the employee continues to meet the
23 eligibility requirements specified in subsection (2), except
24 as provided in paragraph (h) or paragraph (i). In the event
25 that an employee participates in the optional retirement
26 program for 90 days or more and is subsequently employed in an
27 administrative or professional position which has been
28 determined by the department, under subparagraph (2)(a)2., to
29 be not otherwise eligible for participation in the optional
30 retirement program, the employee shall continue participation
31 in the optional program so long as the employee meets the

1 other eligibility requirements for the program, except as
2 provided in paragraph (h) or paragraph (i).

3 (g) An eligible employee who is a member of the
4 Florida Retirement System at the time of election to
5 participate in the optional retirement program shall retain
6 all retirement service credit earned under the Florida
7 Retirement System, at the rate earned. No additional service
8 credit in the Florida Retirement System shall be earned while
9 the employee participates in the optional program, nor shall
10 the employee be eligible for disability retirement under the
11 Florida Retirement System. An eligible employee may transfer
12 from the Florida Retirement System to his or her accounts
13 under the State University System Optional Retirement Program
14 a sum representing the present value of the employee's
15 accumulated benefit obligation under the defined benefit
16 program of the Florida Retirement System for any service
17 credit accrued from the employee's first eligible transfer
18 date to the optional retirement program through the actual
19 date of such transfer, if such service credit was earned in
20 the period from July 1, 1984, through December 31, 1992. Upon
21 such transfer, all such service credit previously earned under
22 the defined benefit program of the Florida Retirement System
23 during this period shall be nullified for purposes of

5 interest, and earnings creditable to the employee under the
6 State University System Optional Retirement Program shall be

8 Optional Retirement Program, and the applicable provisions of
9 s. 121.4501(4) shall govern the election.

13 service under the State University System Optional Retirement
14 Program.

15 a. The cost for such credit shall be an amount
16 representing the actuarial accrued liability for the affected
17 period of service. The cost shall be calculated as if the
18 benefit commencement occurs on the first date the employee
19 would become eligible for unreduced benefits, using the
20 discount rate and other relevant actuarial assumptions that
21 were used to value the Florida Retirement System defined
22 benefit plan liabilities in the most recent actuarial
23 valuation. The calculation shall include any service already
24 maintained under the defined benefit plan in addition to the
25 years under the State University System Optional Retirement
26 Program. The actuarial accrued liability of any service
27 already maintained under the defined benefit plan shall be
28 applied as a credit to total cost resulting from the
29 calculation. The division shall ensure that the transfer sum
30 is prepared using a formula and methodology certified by an
31 enrolled actuary.

1 b. The employee must transfer from his or her State
2 University System Optional Retirement Program account, and
3 from other employee moneys as necessary, a sum representing
4 the actuarial accrued liability immediately following the time
5 of such movement, determined assuming that attained service
6 equals the sum of service in the defined benefit program and
7 service in the State University System Optional Retirement
8 Program.

9 Section 3. Paragraph (f) of subsection (2) and
10 paragraph (a) of subsection (4) of section 121.4501, Florida
