

A bill to be entitled

An act relating to tourist-oriented directional sign program; creating s. 479.262, F.S.; providing for the establishment of the program in rural areas; specifying criteria for the program; permitting establishment of fees to offset costs; providing that a directional sign site or location does not create a proprietary or compensable interest; providing termination of directional sign permits and change in location sites; providing for adoption of rules; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Creating section 479.262, Florida Statutes, to read:

479.262 Tourist-oriented directional sign program.--

(1) A tourist-oriented directional sign program to provide directions to rural tourist-oriented businesses, services, and activities may be established in rural counties identified by criteria and population in s. 288.0656 when approved and permitted by county or local government entities within their respective jurisdictional areas at intersections on rural and conventional state, county, or municipal roads. A county or local government which issues permits for a tourist-oriented directional sign program shall be responsible for sign construction, maintenance, and program operation in compliance with subsection (3) for roads on the state highway system and may establish permit fees sufficient to offset associated costs.

HB 431

2007

29 (2) This section does not create a proprietary or
30 compensable interest in any tourist-oriented directional sign
31 site or location for any permittee on any rural and conventional
32 state, county, or municipal roads. The department or the
33 permitting entity may terminate permits or change locations of
34 tourist-oriented directional sign sites as determined necessary
35 for construction or improvement of transportation facilities or
36 for improved traffic control or safety.

37 (3) Tourist-oriented directional signs installed on the
38 state highway system shall comply with the requirements of the
39 federal Manual on Uniform Traffic Control Devices and rules
40 established by the department. The department may adopt rules to
41 establish requirements for participant qualification,
42 construction standards, location of sign sites, and other
43 criteria necessary to implement this program.

44 Section 2. This act shall take effect July 1, 2007.
