Senator Bennett moved the following amendment:

Senate Amendment

On page 12, line 311 through page 13, line 337, delete those lines

and insert: the selection or use of such video programming or other programming service.

(b) "Cable system" means a facility, consisting of a set of closed transmission paths and associated signal generation, reception, and control equipment that is designed to provide cable service which includes video programming and which is provided to multiple subscribers within a community, but such term does not include:

1. A facility that serves only to retransmit the television signals of one or more television broadcast stations;

2. A facility that serves only subscribers in one or more multiple-unit dwellings under common ownership, control, or management, unless such facility or facilities use any public right-of-way;
