Senator Constantine moved the following amendment:

Senate Amendment (with title amendment)

Between lines 1170 and 1171,

insert:

Section 14. Notwithstanding chapter 610, Florida Statutes, a cable or video services provider, which means a provider of video programming services, including cable services provided through wireless facilities located at least in part in the public right-of-way without regard to delivery technology, including Internet protocol technology, is subject to and shall comply with chapter 337, Florida Statutes, and in the event of any conflict with chapter 610, Florida Statutes, the provisions of chapter 337, Florida Statutes, shall govern.

(Redesignate subsequent sections.)
