

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Traviesa offered the following:

2
3 **Amendment (with directory and title amendments)**

4 Between lines 208 and 209 insert:

5 Section 3. It is the intent of the Legislature that all
6 electric utilities in Florida, as defined in s. 366.02(2),
7 Florida Statutes, develop and carry out programs that promote
8 the efficient use of electricity and support the development of
9 alternative and renewable energy sources for their customers and
10 the state as a whole, and that the results of such programs be
11 measured by the Public Service Commission.

Amendment No.

17 ===== T I T L E A M E N D M E N T =====

18 Remove lines 2 through 12 and insert:

19 An act relating to energy; amending s. 366.93, F.S.;

20 revising definitions related to certain power plants to

21 include integrated gasification combined cycle power

22 plants; requiring the Public Service Commission to

23 implement rules related to integrated gasification

24 combined cycle power plant cost recovery; requiring a

25 report; amending s. 403.519, F.S.; providing requirements

26 and procedures for determination of need for integrated

27 gasification combined cycle power plants; providing an

28 exemption from purchased power supply bid rules under

29 certain circumstances; providing legislative intent for

30 the development and implementation of alternative and

31 renewable energy programs by electric utilities in the

32 state; providing an effective date.

33
