Florida Senate - 2007

By Senators Fasano and King

11-437-07

1	A bill to be entitled
2	An act relating to the human papillomavirus;
3	requiring public and private middle schools in
4	the state to provide to certain students and
5	their parents or guardians information
6	concerning the human papillomavirus, its
7	vaccine, and cervical cancer; prohibiting
8	certain students from admission into school
9	without providing evidence of vaccination for
10	the human papillomavirus; providing an
11	exception; prohibiting a principal from
12	knowingly admitting a student into school
13	without evidence of vaccination for the human
14	papillomavirus; providing an exception;
15	requiring the Department of Education, in
16	consultation with the Department of Health, to
17	prescribe the content of the information
18	regarding the connection between the human
19	papillomavirus and cervical cancer and the
20	availability of a vaccine preventing human
21	papillomavirus; providing an effective date.
22	
23	Be It Enacted by the Legislature of the State of Florida:
24	
25	Section 1. (1) Beginning with the 2008-2009 school
26	year, each public or private middle school in this state shall
27	provide to each student who is 11 years of age or 12 years of
28	age and to the parents or quardian of such student information
29	concerning the connection between the human papillomavirus
30	(HPV) and cervical cancer and the availability of a vaccine
31	preventing human papillomavirus.

1
