

HR 9029

2007

## 1 House Resolution

2 A resolution designating Wednesday, March 28, 2007, as  
3 "Drinking Water Day" in Florida.

4  
5 WHEREAS, safe, potable water is a basic, essential need of  
6 every person, and

7 WHEREAS, the good health, comfort, and standard of living  
8 of Florida's residents depend largely upon an abundant supply of  
9 safe drinking water, and

10 WHEREAS, the availability of sufficient amounts of potable  
11 drinking water is a primary concern and a most important  
12 responsibility of members of the Florida Section of the American  
13 Water Works Association and Florida's municipalities and  
14 counties, and

15 WHEREAS, a safe and ample supply of drinking water is  
16 critical to the growth and sustainability of Florida's  
17 municipalities and counties, NOW, THEREFORE,

18  
19 Be It Resolved by the House of Representatives of the State of  
20 Florida:

21  
22 That Wednesday, March 28, 2007, is designated as "Drinking  
23 Water Day" in Florida.

24  
25 BE IT FURTHER RESOLVED that each citizen of Florida is  
26 urged to become aware of the vital need for safe drinking water,  
27 to take an active part in overseeing the state's water sources  
28 and protecting them from pollution, to practice sound water
