Section 41. Section 339.63, Florida Statutes, is  
amended to read:

339.63 System facilities designated; additions and  
deletions.--

(1) The initial Strategic Intermodal System shall  
include all facilities that meet the criteria recommended by  
the Strategic Intermodal Steering Committee in a report titled  
"Steering Committee Final Report: Recommendations for  
Designating Florida's Strategic Intermodal System" dated  
December 2002.

(2) The Strategic Intermodal System and the Emerging  
Strategic Intermodal System include three different types of  
facilities that each form one component of an interconnected  
transportation system which types include:

1       (a) Existing or planned hubs that are ports and  
 2 terminals including airports, seaports, spaceports, passenger  
 3 terminals, and rail terminals serving to move goods or people  
 4 between Florida regions or between Florida and other markets  
 5 in the United States and the rest of the world;

6       (b) Existing or planned corridors that are highways,  
 7 rail lines, waterways, and other exclusive-use facilities  
 8 connecting major markets within Florida or between Florida and  
 9 other states or nations; and

10       (c) Existing or planned intermodal connectors that are  
 11 highways, rail lines, waterways or local public transit  
 12 systems serving as connectors between the components listed in  
 13 paragraphs (a) and (b).

14       (3) After ~~Subsequent~~ to the initial designation of the  
 15 Strategic Intermodal System ~~under~~ pursuant to subsection (1),  
 16 the department shall, in coordination with the metropolitan  
 17 planning organizations, local governments, regional planning  
 18 councils, transportation providers, and affected public  
 19 agencies, add facilities to or delete facilities from the  
 20 Strategic Intermodal System described in paragraphs (2)(b) and  
 21 (2)(c) based upon criteria adopted by the department.

22       (4) After the initial designation of the Strategic  
 23 Intermodal System under subsection (1), the department shall,  
 24 in coordination with the metropolitan planning organizations,  
 25 local governments, regional planning councils, transportation  
 26 providers, and affected public agencies, add facilities to or  
 27 delete facilities from the Strategic Intermodal System  
 28 described in paragraph (2)(a) based upon criteria adopted by  
 29 the department. However, an airport that is designated as a  
 30 reliever airport to a Strategic Intermodal System airport  
 31 which has at least 75,000 itinerant operations per year, has a
