Section 1. Paragraph (d) is added to subsection (12) of section 409.908, Florida Statutes, to read:

409.908 Reimbursement of Medicaid providers. -- Subject to specific appropriations, the agency shall reimburse Medicaid providers, in accordance with state and federal law, according to methodologies set forth in the rules of the agency and in policy manuals and handbooks incorporated by reference therein. These methodologies may include fee schedules, reimbursement methods based on cost reporting, negotiated fees, competitive bidding pursuant to s. 287.057, and other mechanisms the agency considers efficient and effective for purchasing services or goods on behalf of recipients. If a provider is reimbursed based on cost reporting and submits a cost report late and that cost report would have been used to set a lower reimbursement rate for a rate semester, then the provider's rate for that semester shall be retroactively calculated using the new cost report, and full payment at the recalculated rate shall be effected retroactively. Medicare-granted extensions for filing cost reports, if applicable, shall also apply to Medicaid cost

reports. Payment for Medicaid compensable services made on behalf of Medicaid eligible persons is subject to the availability of moneys and any limitations or directions provided for in the General Appropriations Act or chapter 216. Further, nothing in this section shall be construed to prevent or limit the agency from adjusting fees, reimbursement rates, lengths of stay, number of visits, or number of services, or making any other adjustments necessary to comply with the availability of moneys and any limitations or directions provided for in the General Appropriations Act, provided the adjustment is consistent with legislative intent.

(12)

(d) Notwithstanding any other provision of this subsection, the agency shall provide reimbursement for physician and dental services provided to children younger than 21 years of age at least at the level provided by federal law for physician reimbursement under the Medicare program and provide reimbursement for dental services at 50 percent of usual and customary rates provided for dental services. The agency shall include in all managed care contracts a requirement to provide at least such reimbursement for physician and dental services.

Section 2. This act shall take effect July 1, 2007.
