 16 per violation, per day, for the violation of any provision of  
 17 this part, part II of chapter 408, or applicable rules adopted  
 18 ~~under this part.~~ Each day of violation constitutes a separate  
 19 violation and is subject to a separate fine.

 21 a violation, as provided in paragraph (a), the following  
 22 factors shall be considered:

12           ~~(3)~~ Notwithstanding the existence or pursuit of any  
13 other remedy, the agency may maintain an action in the name of  
14 the state for injunction or other process to enforce the  
15 provisions of this part and rules promulgated hereunder.

16           ~~(4)~~ The agency may issue an emergency order

 3 \$1 million, the agency may adopt rules to establish a rate  
 4 which may not exceed ~~\$20~~\$10 per bed. The rate per bed shall  
 5 revert back to the minimum rate per bed when the amount on  
 6 deposit in the Resident Protection Trust Fund reaches \$1

 20 ~~account established in the Health Care Trust Fund for the~~  
 21 ~~deposit of fees collected as authorized under this section~~  
 22 ~~exceeds one third of the annual cost of regulation under this~~  
 23 ~~part, the excess shall be used to reduce the licensure fees in~~  
 24 ~~the next year.~~

25 ~~(b)~~ The resident protection fee collected shall be  
 26 deposited in the Resident Protection Trust Fund for the sole  
 27 purpose of paying, in accordance with the provisions of s.  
 28 400.063, for the appropriate alternate placement, care, and  
 29 treatment of a resident removed from a nursing home facility  
 30 on a temporary, emergency basis or for the maintenance and  
 31

1 care of residents in a nursing home facility pending removal

12 shall a license be valid for any premises other than those for  
13 which originally issued.~~

14 Section 59. Subsection (1) of section 400.063, Florida  
15 Statutes, is amended to read:

16 400.063 Resident Protection Trust Fund.--

17 (1) A Resident Protection Trust Fund shall be  
18 established for the purpose of collecting and disbursing funds  
19 generated from the license fees and administrative fines as  
20 provided for in ss. 393.0673(2), 400.062(3)(b), ~~400.111(1)~~,  
21 400.121(2), and 400.23(8). Such funds shall be for the sole

24 facility licensed under this part or a facility specified in  
25 s. 393.0678(1) in which the agency determines that existing  
26 conditions or practices constitute an immediate danger to the  
27 health, safety, or security of the residents. If the agency  
28 determines that it is in the best interest of the health,  
29 safety, or security of the residents to provide for an orderly  
30 removal of the residents from the facility, the agency may  
31 utilize such funds to maintain and care for the residents in

1 the facility pending removal and alternative placement. The  
 2 maintenance and care of the residents shall be under the  
 3 direction and control of a receiver appointed pursuant to s.  
 4 393.0678(1) or s. 400.126(1). However, funds may be expended  
 5 in an emergency upon a filing of a petition for a receiver,  
 6 upon the declaration of a state of local emergency pursuant to  
 7 s. 252.38(3)(a)5., or upon a duly authorized local order of  
 8 evacuation of a facility by emergency personnel to protect the  
 9 health and safety of the residents.

10 Section 60. Section 400.071, Florida Statutes, is  
 11 amended to read:

13 ~~(1) An application for a license as required by s.~~

 29 ~~providing goods, leases, or services to the facility for which~~  
 30 ~~the application is made, and the name and address of the~~

6 ordinances.

7 ~~(d)~~ ~~The name of the person or persons under whose~~  
8 ~~management or supervision the facility will be conducted and~~  
9 ~~the name of the administrator.~~

10 ~~(b)(e)~~ A signed affidavit disclosing any financial or  
11 ownership interest that a controlling interest as defined in  
12 part II of chapter 408 ~~person or entity described in paragraph~~  
13 ~~(a) or paragraph (d)~~ has held in the last 5 years in any  
14 entity licensed by this state or any other state to provide  
15 health or residential care which has closed voluntarily or  
16 involuntarily; has filed for bankruptcy; has had a receiver  
17 appointed; has had a license denied, suspended, or revoked; or  
18 has had an injunction issued against it which was initiated by  
19 a regulatory agency. The affidavit must disclose the reason  
20 any such entity was closed, whether voluntarily or  
21 involuntarily.

22 ~~(c)(f)~~ The total number of beds and the total number

24 ~~(d)(g)~~ Information relating to ~~the number, experience,~~

28 ~~nursing home with which the applicant or employees have been~~  
29 ~~affiliated through ownership or employment within 5 years of~~  
30 ~~the date of the application for a license and the record of~~  
31 ~~any criminal convictions involving the applicant and any~~

6 facility.

7 (e)(h) Copies of any civil verdict or judgment  
8 involving the applicant rendered within the 10 years preceding  
9 the application, relating to medical negligence, violation of  
10 residents' rights, or wrongful death. As a condition of  
11 licensure, the licensee agrees to provide to the agency copies  
12 of any new verdict or judgment involving the applicant,  
13 relating to such matters, within 30 days after filing with the  
14 clerk of the court. The information required in this paragraph  
15 shall be maintained in the facility's licensure file and in an  
16 agency database which is available as a public record.

17 ~~(3) The applicant shall submit evidence which~~  
18 ~~establishes the good moral character of the applicant,~~  
19 ~~manager, supervisor, and administrator. No applicant, if the~~  
20 ~~applicant is an individual; no member of a board of directors~~  
21 ~~or officer of an applicant, if the applicant is a firm,~~  
22 ~~partnership, association, or corporation; and no licensed~~  
23 ~~nursing home administrator shall have been convicted, or found~~  
24 ~~guilty, regardless of adjudication, of a crime in any~~  
25 ~~jurisdiction which affects or may potentially affect residents~~  
26 ~~in the facility.~~

27 ~~(4) Each applicant for licensure must comply with the~~  
28 ~~following requirements:~~

29 ~~(a) Upon receipt of a completed, signed, and dated~~  
30 ~~application, the agency shall require background screening of~~  
31 ~~the applicant, in accordance with the level 2 standards for~~

1 ~~screening set forth in chapter 435. As used in this~~  
2 ~~subsection, the term "applicant" means the facility~~  
3 ~~administrator, or similarly titled individual who is~~  
4 ~~responsible for the day to day operation of the licensed~~  
5 ~~facility, and the facility financial officer, or similarly~~  
6 ~~titled individual who is responsible for the financial~~  
7 ~~operation of the licensed facility.~~

8 ~~(b) The agency may require background screening for a~~  
9 ~~member of the board of directors of the licensee or an officer~~  
10 ~~or an individual owning 5 percent or more of the licensee if~~  
11 ~~the agency has probable cause to believe that such individual~~  
12 ~~has been convicted of an offense prohibited under the level 2~~  
13 ~~standards for screening set forth in chapter 435.~~

14 ~~(c) Proof of compliance with the level 2 background~~  
15 ~~screening requirements of chapter 435 which has been submitted~~  
16 ~~within the previous 5 years in compliance with any other~~  
17 ~~health care or assisted living licensure requirements of this~~  
18 ~~state is acceptable in fulfillment of paragraph (a). Proof of~~  
19 ~~compliance with background screening which has been submitted~~  
20 ~~within the previous 5 years to fulfill the requirements of the~~  
21 ~~Financial Services Commission and the Office of Insurance~~  
22 ~~Regulation pursuant to chapter 651 as part of an application~~  
23 ~~for a certificate of authority to operate a continuing care~~  
24 ~~retirement community is acceptable in fulfillment of the~~  
25 ~~Department of Law Enforcement and Federal Bureau of~~  
26 ~~Investigation background check.~~

27 ~~(d) A provisional license may be granted to an~~  
28 ~~applicant when each individual required by this section to~~  
29 ~~undergo background screening has met the standards for the~~  
30 ~~Department of Law Enforcement background check, but the agency~~  
31 ~~has not yet received background screening results from the~~

1 ~~Federal Bureau of Investigation, or a request for a~~  
2 ~~disqualification exemption has been submitted to the agency as~~  
3 ~~set forth in chapter 435, but a response has not yet been~~  
4 ~~issued. A license may be granted to the applicant upon the~~  
5 ~~agency's receipt of a report of the results of the Federal~~  
6 ~~Bureau of Investigation background screening for each~~  
7 ~~individual required by this section to undergo background~~  
8 ~~screening which confirms that all standards have been met, or~~  
9 ~~upon the granting of a disqualification exemption by the~~  
10 ~~agency as set forth in chapter 435. Any other person who is~~  
11 ~~required to undergo level 2 background screening may serve in~~  
12 ~~his or her capacity pending the agency's receipt of the report~~  
13 ~~from the Federal Bureau of Investigation; however, the person~~  
14 ~~may not continue to serve if the report indicates any~~  
15 ~~violation of background screening standards and a~~  
16 ~~disqualification exemption has not been requested of and~~  
17 ~~granted by the agency as set forth in chapter 435.~~

18 ~~(e) Each applicant must submit to the agency, with its~~  
19 ~~application, a description and explanation of any exclusions,~~  
20 ~~permanent suspensions, or terminations of the applicant from~~  
21 ~~the Medicare or Medicaid programs. Proof of compliance with~~  
22 ~~disclosure of ownership and control interest requirements of~~  
23 ~~the Medicaid or Medicare programs shall be accepted in lieu of~~  
24 ~~this submission.~~

25 ~~(f) Each applicant must submit to the agency a~~  
26 ~~description and explanation of any conviction of an offense~~  
27 ~~prohibited under the level 2 standards of chapter 435 by a~~  
28 ~~member of the board of directors of the applicant, its~~  
29 ~~officers, or any individual owning 5 percent or more of the~~  
30 ~~applicant. This requirement shall not apply to a director of a~~  
31 ~~not for profit corporation or organization if the director~~

1 ~~serves solely in a voluntary capacity for the corporation or~~  
2 ~~organization, does not regularly take part in the day to day~~  
3 ~~operational decisions of the corporation or organization,~~  
4 ~~receives no remuneration for his or her services on the~~  
5 ~~corporation or organization's board of directors, and has no~~  
6 ~~financial interest and has no family members with a financial~~  
7 ~~interest in the corporation or organization, provided that the~~  
8 ~~director and the not for profit corporation or organization~~  
9 ~~include in the application a statement affirming that the~~  
10 ~~director's relationship to the corporation satisfies the~~  
11 ~~requirements of this paragraph.~~

12 ~~(g) An application for license renewal must contain~~  
13 ~~the information required under paragraphs (c) and (f).~~

14 ~~(5) The applicant shall furnish satisfactory proof of~~  
15 ~~financial ability to operate and conduct the nursing home in~~  
16 ~~accordance with the requirements of this part and all rules~~  
17 ~~adopted under this part, and the agency shall establish~~  
18 ~~standards for this purpose, including information reported~~  
19 ~~under paragraph (2)(c). The agency also shall establish~~  
20 ~~documentation requirements, to be completed by each applicant,~~  
21 ~~that show anticipated facility revenues and expenditures, the~~  
22 ~~basis for financing the anticipated cash flow requirements of~~  
23 ~~the facility, and an applicant's access to contingency~~  
24 ~~financing.~~

25 ~~(6) If the applicant offers continuing care agreements~~  
26 ~~as defined in chapter 651, proof shall be furnished that such~~  
27 ~~applicant has obtained a certificate of authority as required~~  
28 ~~for operation under that chapter.~~

29 ~~(2)(7)~~ (2)(7) As a condition of licensure, each licensee,  
30 except one offering continuing care agreements as defined in  
31 chapter 651, must agree to accept recipients of Title XIX of

1 the Social Security Act on a temporary, emergency basis. The  
2 persons whom the agency may require such licensees to accept  
3 are those recipients of Title XIX of the Social Security Act  
4 who are residing in a facility in which existing conditions  
5 constitute an immediate danger to the health, safety, or  
6 security of the residents of the facility.

7 ~~(3)(8) The agency may not issue a license to a nursing~~  
8 ~~home that fails to receive a certificate of need under the~~  
9 ~~provisions of ss. 408.031-408.045.~~ It is the intent of the  
10 Legislature that, in reviewing a certificate-of-need  
11 application to add beds to an existing nursing home facility,  
12 preference be given to the application of a licensee who has  
13 been awarded a Gold Seal as provided for in s. 400.235, if the  
14 applicant otherwise meets the review criteria specified in s.  
15 408.035.

16 ~~(4)(9)~~ The agency may develop an abbreviated survey  
17 for licensure renewal applicable to a licensee that has  
18 continuously operated as a nursing facility since 1991 or  
19 earlier, has operated under the same management for at least  
20 the preceding 30 months, and has had during the preceding 30  
21 months no class I or class II deficiencies.

22 ~~(5)(10)~~ As a condition of licensure, each facility  
23 must establish and submit with its application a plan for  
24 quality assurance and for conducting risk management.

25 ~~(11) The applicant must provide the agency with proof~~  
26 ~~of a legal right to occupy the property before a license may~~  
27 ~~be issued. Proof may include, but is not limited to, copies of~~  
28 ~~warranty deeds, lease or rental agreements, contracts for~~  
29 ~~deeds, or quitclaim deeds.~~

30 Section 61. Section 400.0712, Florida Statutes, is  
31 amended to read:

2           (1) As specified in s. 408.321(4) and this section,

4 facility for all or a portion of its beds. Any request by a

5 licensee that a nursing home or portion of a nursing home

6 become inactive must be submitted to the agency in the

7 approved format. The facility may not initiate any suspension

8 of services, notify residents, or initiate inactivity facility

18 needs of elderly persons through the use of less restrictive,

19 less institutional services.

20           (a) An inactive license issued under this subsection

21 may be granted for a period not to exceed the current

24 ~~months.~~

25           (b) A request to extend the inactive license must be

26 submitted to the agency in the approved format and approved by

27 the agency in writing.

28           (c) Nursing homes that receive an inactive license to

29 provide alternative services shall not receive preference for

30 participation in the Assisted Living for the Elderly Medicaid

31 waiver.

1           ~~(3) The agency may issue an inactive license to a~~  
 2 ~~nursing home that will be temporarily unable to provide~~  
 3 ~~services but is reasonably expected to resume services.~~

4           ~~(a) An inactive license issued under this subsection~~  
 5 ~~may be issued for a period not to exceed 12 months and may be~~  
 6 ~~renewed by the agency for an additional 6 months upon~~  
 7 ~~demonstration of progress toward reopening.~~

8           ~~(b) All licensure fees must be current and paid in~~  
 9 ~~full, and may be prorated as provided by agency rule, before~~  
 10 ~~the inactive license is issued.~~

11           ~~(c) Reactivation of an inactive license requires that~~  
 12 ~~the applicant pay all licensure fees and be inspected by the~~  
 13 ~~agency to confirm that all of the requirements of this part~~  
 14 ~~and applicable rules are met.~~

15           ~~(3)(4)~~ The agency shall adopt rules pursuant to ss.  
 16 120.536(1) and 120.54 necessary to implement this section.

17           Section 62. Section 400.102, Florida Statutes, is  
 18 amended to read:

19           400.102 Action by agency against licensee; grounds.--

20           ~~(1)~~ In addition to the grounds listed in part II of  
 21 chapter 408, any of the following conditions shall be grounds  
 22 for action by the agency against a licensee:

 24 affecting the health or safety of residents of the facility;

25           ~~(2)(b)~~ Misappropriation or conversion of the property  
 26 of a resident of the facility;

27           ~~(3)(c)~~ Failure to follow the criteria and procedures  
 28 provided under part I of chapter 394 relating to the  
 29 transportation, voluntary admission, and involuntary

1           ~~(d) Violation of provisions of this part or rules~~  
2 ~~adopted under this part;~~

3           ~~(4)(e) Fraudulent altering, defacing, or falsifying~~  
4 ~~any medical or nursing home records, or causing or procuring~~  
5 ~~any of these offenses to be committed.;~~ ~~or~~

6           ~~(f) Any act constituting a ground upon which~~  
7 ~~application for a license may be denied.~~

8           ~~(2) If the agency has reasonable belief that any of~~  
9 ~~such conditions exist, it shall take the following action:~~

10           ~~(a) In the case of an applicant for original~~  
11 ~~licensure, denial action as provided in s. 400.121.~~

15           ~~(c) In the case of a facility operating without a~~  
16 ~~license, injunctive action as authorized in s. 400.125.~~

17           Section 63. Section 400.111, Florida Statutes, is  
18 amended to read:

19           400.111 Disclosure of controlling interest ~~Expiration~~  
20 ~~of license; renewal.--~~

21           ~~(1) A license issued for the operation of a facility,~~  
22 ~~unless sooner suspended or revoked, shall expire on the date~~  
23 ~~set forth by the agency on the face of the license or 1 year~~  
24 ~~from the date of issuance, whichever occurs first. Ninety days~~  
25 ~~prior to the expiration date, an application for renewal shall~~  
26 ~~be submitted to the agency. A license shall be renewed upon~~  
27 ~~the filing of an application on forms furnished by the agency~~  
28 ~~if the applicant has first met the requirements established~~  
29 ~~under this part and all rules adopted under this part. The~~  
30 ~~failure to file an application within the period established~~  
31 ~~in this subsection shall result in a late fee charged to the~~

1 ~~licensee by the agency in an amount equal to 50 percent of the~~  
2 ~~fee in effect on the last preceding regular renewal date. A~~  
3 ~~late fee shall be levied for each and every day the filing of~~

9 ~~(2) A licensee against whom a revocation or suspension~~  
10 ~~proceeding, or any judicial proceeding instituted by the~~  
11 ~~agency under this part, is pending at the time of license~~  
12 ~~renewal may be issued a temporary license effective until~~

14 ~~judicial relief is sought from the aforesaid administrative~~  
15 ~~order, the court having jurisdiction may issue such orders~~  
16 ~~regarding the issuance of a temporary permit during the~~  
17 ~~pendency of the judicial proceeding.~~

18 ~~(3) The agency may not renew a license if the~~  
19 ~~applicant has failed to pay any fines assessed by final order~~  
20 ~~of the agency or final order of the Health Care Financing~~  
21 ~~Administration under requirements for federal certification.~~  
22 ~~The agency may renew the license of an applicant following the~~  
23 ~~assessment of a fine by final order if such fine has been paid~~  
24 ~~into an escrow account pending an appeal of a final order.~~

25 ~~(4) In addition to the requirements of part II of~~  
26 ~~chapter 408, the licensee shall submit a signed affidavit~~  
27 ~~disclosing any financial or ownership interest that a~~  
28 ~~controlling interest licensee has held within the last 5 years~~

6 Section 64. Subsections (2) and (5) of section  
 7 400.1183, Florida Statutes, are amended to read:

8 400.1183 Resident grievance procedures.--

9 (2) Each facility shall maintain records of all  
 10 grievances and shall report ~~annually~~ to the agency at the time  
 11 of relicensure the total number of grievances handled during  
 12 the prior licensure period, a categorization of the cases  
 13 underlying the grievances, and the final disposition of the  
 14 grievances.

15 ~~(5) The agency may impose an administrative fine, in~~  
 16 ~~accordance with s. 400.121, against a nursing home facility~~  
 17 ~~for noncompliance with this section.~~

18 Section 65. Section 400.121, Florida Statutes, is  
 19 amended to read:

20 400.121 Denial, suspension, revocation of license;  
 21 ~~moratorium on admissions~~; administrative fines; procedure;  
 22 order to increase staffing.--

23 (1) The agency may deny an application, revoke or  
 24 suspend a license, and ~~or~~ impose an administrative fine, not  
 25 to exceed \$500 per violation per day for the violation of any  
 26 provision of this part, part II of chapter 408, or applicable  
 27 rules, against any applicant or licensee for the following  
 28 violations by the applicant, licensee, or other controlling  
 29 interest:

30 (a) A violation of any provision of this part, part II

 2           ~~(c) Failure to pay any outstanding fines assessed by~~  
 3 ~~final order of the agency or final order of the Health Care~~  
 4 ~~Financing Administration pursuant to requirements for federal~~  
 5 ~~certification. The agency may renew or approve the license of~~  
 6 ~~an applicant following the assessment of a fine by final order~~  
 7 ~~if such fine has been paid into an escrow account pending an~~  
 8 ~~appeal of a final order;~~

9           ~~(d) Exclusion from the Medicare or Medicaid program;~~  
 10 ~~or~~

11           **(b)(e)** An adverse action by a regulatory agency  
 12 against any other licensed facility that has a common  
 13 controlling interest with the licensee or applicant against  
 14 whom the action under this section is being brought. If the  
 15 adverse action involves solely the management company, the  
 16 applicant or licensee shall be given 30 days to remedy before  
 17 final action is taken. If the adverse action is based solely  
 18 upon actions by a controlling interest, the applicant or  
 19 licensee may present factors in mitigation of any proposed  
 20 penalty based upon a showing that such penalty is  
 21 inappropriate under the circumstances.

22  
 23 All hearings shall be held within the county in which the  
 24 licensee or applicant operates or applies for a license to  
 25 operate a facility as defined herein.

26           (2) Except as provided in s. 400.23(8), a \$500 fine  
 27 shall be imposed for each violation. Each day a violation of  
 28 this part or part II of chapter 408 occurs constitutes a  
 29 separate violation and is subject to a separate fine, but in  
 30 no event may any fine aggregate more than \$5,000. A fine may  
 31 be levied pursuant to this section in lieu of and

1 notwithstanding the provisions of s. 400.23. Fines paid shall  
2 be deposited in the Resident Protection Trust Fund and  
3 expended as provided in s. 400.063.

4 (3) The agency shall revoke or deny a nursing home  
5 license if the licensee or controlling interest operates a  
6 facility in this state that:

7 (a) Has had two moratoria issued pursuant to this part  
8 or part II of chapter 408 which are imposed by final order for  
9 substandard quality of care, as defined by 42 C.F.R. part 483,  
10 within any 30-month period;

11 (b) Is conditionally licensed for 180 or more  
12 continuous days;

13 (c) Is cited for two class I deficiencies arising from  
14 unrelated circumstances during the same survey or  
15 investigation; or

16 (d) Is cited for two class I deficiencies arising from  
17 separate surveys or investigations within a 30-month period.

18  
19 The licensee may present factors in mitigation of revocation,  
20 and the agency may make a determination not to revoke a  
21 license based upon a showing that revocation is inappropriate  
22 under the circumstances.

23 ~~(4) The agency may issue an order immediately~~  
24 ~~suspending or revoking a license when it determines that any~~  
25 ~~condition in the facility presents a danger to the health,~~  
26 ~~safety, or welfare of the residents in the facility.~~

27 ~~(5)(a) The agency may impose an immediate moratorium~~  
28 ~~on admissions to any facility when the agency determines that~~  
29 ~~any condition in the facility presents a threat to the health,~~  
30 ~~safety, or welfare of the residents in the facility.~~

31

1           ~~(4)(b)~~ If ~~Where~~ the agency has placed a moratorium  
2 pursuant to this part or part II of chapter 408 on admissions  
3 on any facility two times within a 7-year period, the agency  
4 may suspend the nursing home license ~~of the nursing home and~~  
5 ~~the facility's management company, if any. During the~~  
6 ~~suspension, the agency shall take the facility into~~  
7 ~~receivership and shall operate the facility.~~

8           ~~(5)(6)~~ An action taken by the agency to deny, suspend,  
9 or revoke a facility's license under this part or part II of  
10 chapter 408 shall be heard by the Division of Administrative  
11 Hearings of the Department of Management Services within 60  
12 days after the assignment of an administrative law judge,  
13 unless the time limitation is waived by both parties. The  
14 administrative law judge must render a decision within 30 days  
15 after receipt of a proposed recommended order.

16           ~~(6)(7)~~ The agency is authorized to require a facility  
17 to increase staffing beyond the minimum required by law, if  
18 the agency has taken administrative action against the  
19 facility for care-related deficiencies directly attributable  
20 to insufficient staff. Under such circumstances, the facility  
21 may request an expedited interim rate increase. The agency  
22 shall process the request within 10 days after receipt of all  
23 required documentation from the facility. A facility that  
24 fails to maintain the required increased staffing is subject  
25 to a fine of \$500 per day for each day the staffing is below  
26 the level required by the agency.

27           ~~(8)~~ ~~An administrative proceeding challenging an action~~  
28 ~~taken by the agency pursuant to this section shall be reviewed~~  
29 ~~on the basis of the facts and conditions that resulted in such~~  
30 ~~agency action.~~

31

1           ~~(7)(9)~~ Notwithstanding any other provision of law to  
 2 the contrary, agency action in an administrative proceeding  
 3 under this section may be overcome by the licensee upon a  
 4 showing by a preponderance of the evidence to the contrary.

5           ~~(8)(10)~~ In addition to any other sanction imposed  
 6 under this part or part II of chapter 408, in any final order  
 7 that imposes sanctions, the agency may assess costs related to  
 8 the investigation and prosecution of the case. Payment of  
 9 agency costs shall be deposited into the Health Care Trust  
 10 Fund.

11           Section 66. Section 400.125, Florida Statutes, is  
 12 repealed.

13           Section 67. Subsection (14) of section 400.141,  
 14 Florida Statutes, is amended to read:

15           400.141 Administration and management of nursing home  
 16 facilities.--Every licensed facility shall comply with all  
 17 applicable standards and rules of the agency and shall:

18           (14) Submit to the agency the information specified in  
 19 s. 400.071~~(1)(b)(2)(e)~~ for a management company within 30 days  
 20 after the effective date of the management agreement.

21  
 22 Facilities that have been awarded a Gold Seal under the  
 23 program established in s. 400.235 may develop a plan to  
 24 provide certified nursing assistant training as prescribed by  
 25 federal regulations and state rules and may apply to the  
 26 agency for approval of their program.

27           Section 68. Section 400.179, Florida Statutes, is  
 28 amended to read:

29           400.179 ~~Sale or transfer of ownership of a nursing~~  
 30 ~~facility;~~ Liability for Medicaid underpayments and  
 31 overpayments.--

1           (1) It is the intent of the Legislature to protect the  
2 rights of nursing home residents and the security of public  
3 funds when a nursing facility is sold or the ownership is  
4 transferred.

5           ~~(2) Whenever a nursing facility is sold or the~~  
6 ~~ownership is transferred, including leasing, the transferee~~  
7 ~~shall make application to the agency for a new license at~~  
8 ~~least 90 days prior to the date of transfer of ownership.~~

9           ~~(3) The transferor shall notify the agency in writing~~  
10 ~~at least 90 days prior to the date of transfer of ownership.~~  
11 ~~The transferor shall be responsible and liable for the lawful~~  
12 ~~operation of the nursing facility and the welfare of the~~  
13 ~~residents domiciled in the facility until the date the~~  
14 ~~transferee is licensed by the agency. The transferor shall be~~  
15 ~~liable for any and all penalties imposed against the facility~~  
16 ~~for violations occurring prior to the date of transfer of~~  
17 ~~ownership.~~

18           ~~(4) The transferor shall, prior to transfer of~~  
19 ~~ownership, repay or make arrangements to repay to the agency~~  
20 ~~or the Department of Children and Family Services any amounts~~  
21 ~~owed to the agency or the department. Should the transferor~~  
22 ~~fail to repay or make arrangements to repay the amounts owed~~  
23 ~~to the agency or the department prior to the transfer of~~  
24 ~~ownership, the issuance of a license to the transferee shall~~  
25 ~~be delayed until repayment or until arrangements for repayment~~  
26 ~~are made.~~

27           (2)(5) Because any transfer of a nursing facility may  
28 expose the fact that Medicaid may have underpaid or overpaid  
29 the transferor, and because in most instances, any such  
30 underpayment or overpayment can only be determined following a  
31

1 formal field audit, the liabilities for any such underpayments  
2 or overpayments shall be as follows:

3 (a) The Medicaid program shall be liable to the  
4 transferor for any underpayments owed during the transferor's  
5 period of operation of the facility.

6 (b) Without regard to whether the transferor had  
7 leased or owned the nursing facility, the transferor shall  
8 remain liable to the Medicaid program for all Medicaid  
9 overpayments received during the transferor's period of  
10 operation of the facility, regardless of when determined.

11 (c) Where the facility transfer takes any form of a  
12 sale of assets, in addition to the transferor's continuing  
13 liability for any such overpayments, if the transferor fails  
14 to meet these obligations, the transferee shall be liable for  
15 all liabilities that can be readily identifiable 90 days in  
16 advance of the transfer. Such liability shall continue in  
17 succession until the debt is ultimately paid or otherwise  
18 resolved. It shall be the burden of the transferee to  
19 determine the amount of all such readily identifiable  
20 overpayments from the Agency for Health Care Administration,  
21 and the agency shall cooperate in every way with the  
22 identification of such amounts. Readily identifiable  
23 overpayments shall include overpayments that will result from,  
24 but not be limited to:

- 25 1. Medicaid rate changes or adjustments;
- 26 2. Any depreciation recapture;
- 27 3. Any recapture of fair rental value system indexing;

28 or

- 29 4. Audits completed by the agency.

30  
31

1 The transferor shall remain liable for any such Medicaid  
2 overpayments that were not readily identifiable 90 days in  
3 advance of the nursing facility transfer.

4 (d) Where the transfer involves a facility that has  
5 been leased by the transferor:

6 1. The transferee shall, as a condition to being  
7 issued a license by the agency, acquire, maintain, and provide  
8 proof to the agency of a bond with a term of 30 months,  
9 renewable annually, in an amount not less than the total of 3  
10 months' Medicaid payments to the facility computed on the  
11 basis of the preceding 12-month average Medicaid payments to  
12 the facility.

13 2. A leasehold licensee may meet the requirements of  
14 subparagraph 1. by payment of a nonrefundable fee, paid at  
15 initial licensure, paid at the time of any subsequent change  
16 of ownership, and paid annually thereafter ~~at the time of any~~  
17 ~~subsequent annual license renewal~~, in the amount of 1 percent  
18 of the total of 3 months' Medicaid payments to the facility  
19 computed on the basis of the preceding 12-month average  
20 Medicaid payments to the facility. If a preceding 12-month  
21 average is not available, projected Medicaid payments may be  
22 used. The fee shall be deposited into the Health Care Trust  
23 Fund and shall be accounted for separately as a Medicaid  
24 nursing home overpayment account. These fees shall be used at  
25 the sole discretion of the agency to repay nursing home  
26 Medicaid overpayments. Payment of this fee shall not release  
27 the licensee from any liability for any Medicaid overpayments,  
28 nor shall payment bar the agency from seeking to recoup  
29 overpayments from the licensee and any other liable party. As  
30 a condition of exercising this lease bond alternative,  
31 licensees paying this fee must maintain an existing lease bond

1 through the end of the 30-month term period of that bond. The  
2 agency is herein granted specific authority to promulgate all  
3 rules pertaining to the administration and management of this  
4 account, including withdrawals from the account, subject to  
5 federal review and approval. This provision shall take effect  
6 upon becoming law and shall apply to any leasehold license  
7 application. The financial viability of the Medicaid nursing  
8 home overpayment account shall be determined by the agency  
9 through annual review of the account balance and the amount of  
10 total outstanding, unpaid Medicaid overpayments owing from  
11 leasehold licensees to the agency as determined by final  
12 agency audits.

13           3. The leasehold licensee may meet the bond  
14 requirement through other arrangements acceptable to the  
15 agency. The agency is herein granted specific authority to  
16 promulgate rules pertaining to lease bond arrangements.

17           4. All existing nursing facility licensees, operating  
18 the facility as a leasehold, shall acquire, maintain, and  
19 provide proof to the agency of the 30-month bond required in  
20 subparagraph 1., above, on and after July 1, 1993, for each  
21 license renewal.

22           5. It shall be the responsibility of all nursing  
23 facility operators, operating the facility as a leasehold, to  
24 renew the 30-month bond and to provide proof of such renewal  
25 to the agency annually ~~at the time of application for license~~  
26 ~~renewal.~~

27           6. Any failure of the nursing facility operator to  
28 acquire, maintain, renew annually, or provide proof to the  
29 agency shall be grounds for the agency to deny, ~~cancel,~~  
30 revoke, and ~~or~~ suspend the facility license to operate such  
31 facility and to take any further action, including, but not

1 limited to, enjoining the facility, asserting a moratorium  
2 pursuant to part II of chapter 408, or applying for a  
3 receiver, deemed necessary to ensure compliance with this  
4 section and to safeguard and protect the health, safety, and  
5 welfare of the facility's residents. A lease agreement  
6 required as a condition of bond financing or refinancing under  
7 s. 154.213 by a health facilities authority or required under  
8 s. 159.30 by a county or municipality is not a leasehold for  
9 purposes of this paragraph and is not subject to the bond  
10 requirement of this paragraph.

11 Section 69. Subsections (1) and (4) of section 400.18,  
12 Florida Statutes, are amended to read:

13 400.18 Closing of nursing facility.--

14 (1) In addition to the requirements of part II of  
15 chapter 408, ~~Whenever a licensee voluntarily discontinues~~  
16 ~~operation, and during the period when it is preparing for such~~  
17 ~~discontinuance, it shall inform the agency not less than 90~~  
18 ~~days prior to the discontinuance of operation.~~ the licensee  
19 also shall inform each ~~the~~ resident or the next of kin, legal  
20 representative, or agency acting on behalf of the resident of  
21 the fact, and the proposed time, of ~~such~~ discontinuance of  
22 operation and give at least 90 days' notice so that suitable  
23 arrangements may be made for the transfer and care of the  
24 resident. In the event any resident has no such person to  
25 represent him or her, the licensee shall be responsible for  
26 securing a suitable transfer of the resident before the  
27 discontinuance of operation. The agency shall be responsible  
28 for arranging for the transfer of those residents requiring  
29 transfer who are receiving assistance under the Medicaid  
30 program.

31

1           ~~(4) Immediately upon discontinuance of operation of a~~  
2 ~~facility, the licensee shall surrender the license therefor to~~  
3 ~~the agency, and the license shall be canceled.~~

4           Section 70. Subsections (1), (2), and (3) of section  
5 400.19, Florida Statutes, are amended to read:

6           400.19 Right of entry and inspection.--

7           (1) In accordance with part II of chapter 408, the  
8 agency and any duly designated officer or employee thereof or  
9 a member of the State Long-Term Care Ombudsman Council or the  
10 local long-term care ombudsman council shall have the right to  
11 enter upon and into the premises of any facility licensed  
12 pursuant to this part, or any distinct nursing home unit of a  
13 hospital licensed under chapter 395 or any freestanding  
14 facility licensed under chapter 395 that provides extended  
15 care or other long-term care services, at any reasonable time  
16 in order to determine the state of compliance with the  
17 provisions of this part, part II of chapter 408, and  
18 applicable rules in force pursuant thereto. ~~The right of entry~~  
19 ~~and inspection shall also extend to any premises which the~~  
20 ~~agency has reason to believe is being operated or maintained~~  
21 ~~as a facility without a license, but no such entry or~~  
22 ~~inspection of any premises shall be made without the~~  
23 ~~permission of the owner or person in charge thereof, unless a~~  
24 ~~warrant is first obtained from the circuit court authorizing~~  
25 ~~same. Any application for a facility license or renewal~~  
26 ~~thereof, made pursuant to this part, shall constitute~~  
27 ~~permission for and complete acquiescence in any entry or~~  
28 ~~inspection of the premises for which the license is sought, in~~  
29 ~~order to facilitate verification of the information submitted~~  
30 ~~on or in connection with the application; to discover,~~  
31 ~~investigate, and determine the existence of abuse or neglect;~~

1 ~~or to elicit, receive, respond to, and resolve complaints.~~ The  
2 agency shall, within 60 days after receipt of a complaint made  
3 by a resident or resident's representative, complete its  
4 investigation and provide to the complainant its findings and  
5 resolution.

6 (2) The agency shall coordinate nursing home facility  
7 licensing activities and responsibilities of any duly  
8 designated officer or employee involved in nursing home  
9 facility inspection to assure necessary, equitable, and  
10 consistent supervision of inspection personnel without  
11 unnecessary duplication of inspections, consultation services,  
12 or complaint investigations. ~~To facilitate such coordination,~~  
13 ~~all rules promulgated by the agency pursuant to this part~~  
14 ~~shall be distributed to nursing homes licensed under s.~~  
15 ~~400.062 30 days prior to implementation. This requirement does~~  
16 ~~not apply to emergency rules.~~

17 (3) The agency shall every 15 months conduct at least  
18 one unannounced inspection to determine compliance by the  
19 licensee with statutes, and with rules promulgated under the  
20 provisions of those statutes, governing minimum standards of  
21 construction, quality and adequacy of care, and rights of  
22 residents. The survey shall be conducted every 6 months for  
23 the next 2-year period if the facility has been cited for a  
24 class I deficiency, has been cited for two or more class II  
25 deficiencies arising from separate surveys or investigations  
26 within a 60-day period, or has had three or more substantiated  
27 complaints within a 6-month period, each resulting in at least  
28 one class I or class II deficiency. In addition to any other  
29 fees or fines in this part, the agency shall assess a fine for  
30 each facility that is subject to the 6-month survey cycle. The  
31 fine for the 2-year period shall be \$6,000, one-half to be

1 | paid at the completion of each survey. The agency may adjust  
2 | this fine by the change in the Consumer Price Index, based on  
3 | the 12 months immediately preceding the increase, to cover the  
4 | cost of the additional surveys. The agency shall verify  
5 | through subsequent inspection that any deficiency identified  
6 | during ~~the annual~~ inspection is corrected. However, the agency  
7 | may verify the correction of a class III or class IV  
8 | deficiency unrelated to resident rights or resident care  
9 | without reinspecting the facility if adequate written  
10 | documentation has been received from the facility, which  
11 | provides assurance that the deficiency has been corrected. The  
12 | giving or causing to be given of advance notice of such  
13 | unannounced inspections by an employee of the agency to any  
14 | unauthorized person shall constitute cause for suspension of  
15 | not fewer than 5 working days according to the provisions of  
16 | chapter 110.

17 |       Section 71. Subsection (1) of section 400.191, Florida  
18 | Statutes, is amended to read:

19 |           400.191 Availability, distribution, and posting of  
20 | reports and records.--

21 |           (1) The agency shall provide information to the public  
22 | about all of the licensed nursing home facilities operating in  
23 | the state. The agency shall, within 60 days after a licensure  
24 | ~~an annual~~ inspection visit or within 30 days after any interim  
25 | visit to a facility, send copies of the inspection reports to  
26 | the local long-term care ombudsman council, the agency's local  
27 | office, and a public library or the county seat for the county  
28 | in which the facility is located. The agency may provide  
29 | electronic access to inspection reports as a substitute for  
30 | sending copies.

31 |

1 Section 72. Subsections (1), (2), (7), and (8) of  
2 section 400.23, Florida Statutes, are amended to read:

3 400.23 Rules; evaluation and deficiencies; licensure  
4 status.--

5 (1) It is the intent of the Legislature that rules  
6 published and enforced pursuant to this part and part II of  
7 chapter 408 shall include criteria by which a reasonable and  
8 consistent quality of resident care may be ensured and the  
9 results of such resident care can be demonstrated and by which  
10 safe and sanitary nursing homes can be provided. It is  
11 further intended that reasonable efforts be made to  
12 accommodate the needs and preferences of residents to enhance  
13 the quality of life in a nursing home. In addition, efforts  
14 shall be made to minimize the paperwork associated with the  
15 reporting and documentation requirements of these rules.

16 (2) Pursuant to the intention of the Legislature, the  
17 agency, in consultation with the Department of Health and the  
18 Department of Elderly Affairs, shall adopt and enforce rules  
19 to implement this part and part II of chapter 408, which shall  
20 include reasonable and fair criteria in relation to:

21 (a) The location of the facility and housing  
22 conditions that will ensure the health, safety, and comfort of  
23 residents, including an adequate call system. In making such  
24 rules, the agency shall be guided by criteria recommended by  
25 nationally recognized reputable professional groups and  
26 associations with knowledge of such subject matters. The  
27 agency shall update or revise such criteria as the need  
28 arises. The agency may require alterations to a building if it  
29 determines that an existing condition constitutes a distinct  
30 hazard to life, health, or safety. In performing any  
31 inspections of facilities authorized by this part or part II

1 of chapter 408, the agency may enforce the special-occupancy  
2 provisions of the Florida Building Code and the Florida Fire  
3 Prevention Code which apply to nursing homes. Residents or  
4 their representatives shall be able to request a change in the  
5 placement of the bed in their room, provided that at admission  
6 they are presented with a room that meets requirements of the  
7 Florida Building Code. The location of a bed may be changed if  
8 the requested placement does not infringe on the resident's  
9 roommate or interfere with the resident's care or safety as  
10 determined by the care planning team in accordance with  
11 facility policies and procedures. In addition, the bed  
12 placement may not be used as a restraint. Each facility shall  
13 maintain a log of resident rooms with beds that are not in  
14 strict compliance with the Florida Building Code in order for  
15 such log to be used by surveyors and nurse monitors during  
16 inspections and visits. A resident or resident representative  
17 who requests that a bed be moved shall sign a statement  
18 indicating that he or she understands the room will not be in  
19 compliance with the Florida Building Code, but they would  
20 prefer to exercise their right to self-determination. The  
21 statement must be retained as part of the resident's care  
22 plan. Any facility that offers this option must submit a  
23 letter signed by the nursing home administrator of record to  
24 the agency notifying it of this practice with a copy of the  
25 policies and procedures of the facility. The agency is  
26 directed to provide assistance to the Florida Building  
27 Commission in updating the construction standards of the code  
28 relative to nursing homes.

29 (b) The number and qualifications of all personnel,  
30 including management, medical, nursing, and other professional  
31 personnel, and nursing assistants, orderlies, and support

1 personnel, having responsibility for any part of the care  
2 given residents.

3 (c) All sanitary conditions within the facility and  
4 its surroundings, including water supply, sewage disposal,  
5 food handling, and general hygiene which will ensure the  
6 health and comfort of residents.

7 (d) The equipment essential to the health and welfare  
8 of the residents.

9 (e) A uniform accounting system.

10 (f) The care, treatment, and maintenance of residents  
11 and measurement of the quality and adequacy thereof, based on  
12 rules developed under this chapter and the Omnibus Budget  
13 Reconciliation Act of 1987 (Pub. L. No. 100-203) (December 22,  
14 1987), Title IV (Medicare, Medicaid, and Other Health-Related  
15 Programs), Subtitle C (Nursing Home Reform), as amended.

16 (g) The preparation and annual update of a  
17 comprehensive emergency management plan. The agency shall  
18 adopt rules establishing minimum criteria for the plan after  
19 consultation with the Department of Community Affairs. At a  
20 minimum, the rules must provide for plan components that  
21 address emergency evacuation transportation; adequate  
22 sheltering arrangements; postdisaster activities, including  
23 emergency power, food, and water; postdisaster transportation;  
24 supplies; staffing; emergency equipment; individual  
25 identification of residents and transfer of records; and  
26 responding to family inquiries. The comprehensive emergency  
27 management plan is subject to review and approval by the local  
28 emergency management agency. During its review, the local  
29 emergency management agency shall ensure that the following  
30 agencies, at a minimum, are given the opportunity to review  
31 the plan: the Department of Elderly Affairs, the Department

1 of Health, the Agency for Health Care Administration, and the  
2 Department of Community Affairs. Also, appropriate volunteer  
3 organizations must be given the opportunity to review the  
4 plan. The local emergency management agency shall complete  
5 its review within 60 days and either approve the plan or  
6 advise the facility of necessary revisions.

7 (h) The availability, distribution, and posting of  
8 reports and records pursuant to s. 400.191 and the Gold Seal  
9 Program pursuant to s. 400.235.

10 (7) The agency shall, at least every 15 months,  
11 evaluate all nursing home facilities and make a determination  
12 as to the degree of compliance by each licensee with the  
13 established rules adopted under this part as a basis for  
14 assigning a licensure status to that facility. The agency  
15 shall base its evaluation on the most recent inspection  
16 report, taking into consideration findings from other official  
17 reports, surveys, interviews, investigations, and inspections.  
18 In addition to license categories authorized under part II of  
19 chapter 408, the agency shall assign a licensure status of  
20 standard or conditional to each nursing home.

21 (a) A standard licensure status means that a facility  
22 has no class I or class II deficiencies and has corrected all  
23 class III deficiencies within the time established by the  
24 agency.

25 (b) A conditional licensure status means that a  
26 facility, due to the presence of one or more class I or class  
27 II deficiencies, or class III deficiencies not corrected  
28 within the time established by the agency, is not in  
29 substantial compliance at the time of the survey with criteria  
30 established under this part or with rules adopted by the  
31 agency. If the facility has no class I, class II, or class

1 III deficiencies at the time of the followup survey, a  
2 standard licensure status may be assigned.

3 (c) In evaluating the overall quality of care and  
4 services and determining whether the facility will receive a  
5 conditional or standard license, the agency shall consider the  
6 needs and limitations of residents in the facility and the  
7 results of interviews and surveys of a representative sampling  
8 of residents, families of residents, ombudsman council members  
9 in the planning and service area in which the facility is  
10 located, guardians of residents, and staff of the nursing home  
11 facility.

12 (d) The current licensure status of each facility must  
13 be indicated in bold print on the face of the license. A list  
14 of the deficiencies of the facility shall be posted in a  
15 prominent place that is in clear and unobstructed public view  
16 at or near the place where residents are being admitted to  
17 that facility. Licensees receiving a conditional licensure  
18 status for a facility shall prepare, within 10 working days  
19 after receiving notice of deficiencies, a plan for correction  
20 of all deficiencies and shall submit the plan to the agency  
21 for approval.

22 ~~(e) Each licensee shall post its license in a~~  
23 ~~prominent place that is in clear and unobstructed public view~~  
24 ~~at or near the place where residents are being admitted to the~~  
25 ~~facility.~~

26 (e)(f) The agency shall adopt rules that:

27 1. Establish uniform procedures for the evaluation of  
28 facilities.

29 2. Provide criteria in the areas referenced in  
30 paragraph (c).

31

1           3. Address other areas necessary for carrying out the  
2 intent of this section.

3           (8) The agency shall adopt rules pursuant to this part  
4 and part II of chapter 408 to provide that, when the criteria  
5 established under subsection (2) are not met, such  
6 deficiencies shall be classified according to the nature and  
7 the scope of the deficiency. The scope shall be cited as  
8 isolated, patterned, or widespread. An isolated deficiency is  
9 a deficiency affecting one or a very limited number of  
10 residents, or involving one or a very limited number of staff,  
11 or a situation that occurred only occasionally or in a very  
12 limited number of locations. A patterned deficiency is a  
13 deficiency where more than a very limited number of residents  
14 are affected, or more than a very limited number of staff are  
15 involved, or the situation has occurred in several locations,  
16 or the same resident or residents have been affected by  
17 repeated occurrences of the same deficient practice but the  
18 effect of the deficient practice is not found to be pervasive  
19 throughout the facility. A widespread deficiency is a  
20 deficiency in which the problems causing the deficiency are  
21 pervasive in the facility or represent systemic failure that  
22 has affected or has the potential to affect a large portion of  
23 the facility's residents. The agency shall indicate the  
24 classification on the face of the notice of deficiencies as  
25 follows:

26           (a) A class I deficiency is a deficiency that the  
27 agency determines presents a situation in which immediate  
28 corrective action is necessary because the facility's  
29 noncompliance has caused, or is likely to cause, serious  
30 injury, harm, impairment, or death to a resident receiving  
31 care in a facility. The condition or practice constituting a

1 class I violation shall be abated or eliminated immediately,  
2 unless a fixed period of time, as determined by the agency, is  
3 required for correction. A class I deficiency is subject to a  
4 civil penalty of \$10,000 for an isolated deficiency, \$12,500  
5 for a patterned deficiency, and \$15,000 for a widespread  
6 deficiency. The fine amount shall be doubled for each  
7 deficiency if the facility was previously cited for one or  
8 more class I or class II deficiencies during the last  
9 licensure ~~annual~~ inspection or any inspection or complaint  
10 investigation since the last licensure ~~annual~~ inspection. A  
11 fine must be levied notwithstanding the correction of the  
12 deficiency.

13 (b) A class II deficiency is a deficiency that the  
14 agency determines has compromised the resident's ability to  
15 maintain or reach his or her highest practicable physical,  
16 mental, and psychosocial well-being, as defined by an accurate  
17 and comprehensive resident assessment, plan of care, and  
18 provision of services. A class II deficiency is subject to a  
19 civil penalty of \$2,500 for an isolated deficiency, \$5,000 for  
20 a patterned deficiency, and \$7,500 for a widespread  
21 deficiency. The fine amount shall be doubled for each  
22 deficiency if the facility was previously cited for one or  
23 more class I or class II deficiencies during the last  
24 licensure ~~annual~~ inspection or any inspection or complaint  
25 investigation since the last licensure ~~annual~~ inspection. A  
26 fine shall be levied notwithstanding the correction of the  
27 deficiency.

28 (c) A class III deficiency is a deficiency that the  
29 agency determines will result in no more than minimal  
30 physical, mental, or psychosocial discomfort to the resident  
31 or has the potential to compromise the resident's ability to

1 maintain or reach his or her highest practical physical,  
 2 mental, or psychosocial well-being, as defined by an accurate  
 3 and comprehensive resident assessment, plan of care, and  
 4 provision of services. A class III deficiency is subject to a  
 5 civil penalty of \$1,000 for an isolated deficiency, \$2,000 for  
 6 a patterned deficiency, and \$3,000 for a widespread  
 7 deficiency. The fine amount shall be doubled for each  
 8 deficiency if the facility was previously cited for one or  
 9 more class I or class II deficiencies during the last  
 10 licensure ~~annual~~ inspection or any inspection or complaint  
 11 investigation since the last licensure ~~annual~~ inspection. A  
 12 citation for a class III deficiency must specify the time  
 13 within which the deficiency is required to be corrected. If a  
 14 class III deficiency is corrected within the time specified, a  
 15 ~~no~~ civil penalty may not ~~shall~~ be imposed.

16 (d) A class IV deficiency is a deficiency that the  
 17 agency determines has the potential for causing no more than a  
 18 minor negative impact on the resident. If the class IV  
 19 deficiency is isolated, no plan of correction is required.

20 Section 73. Section 400.241, Florida Statutes, is  
 21 amended to read:

22 400.241 Prohibited acts; penalties for violations.--

 7 approximate date of such inspection shall be a per se  
 8 violation of this subsection.

9 ~~(2)(4)~~ A violation of any provision of this part or of  
 10 any minimum standard, rule, or regulation adopted pursuant  
 11 thereto constitutes a misdemeanor of the second degree,

 13 of a continuing violation is ~~shall be considered~~ a separate  
 14 offense.

15 Section 74. Subsection (1) and paragraphs (a) and (c)  
 16 of subsection (4) of section 400.464, Florida Statutes, are  
 17 amended to read:

18 400.464 Home health agencies to be licensed;  
 19 expiration of license; exemptions; unlawful acts; penalties.--

20 (1) The requirements of part II of chapter 408 apply  
 21 to the provision of services that require licensure pursuant  
 22 to this part and part II of chapter 408 and entities licensed  
 23 or registered by or applying for such licensure or  
 24 registration from the Agency for Health Care Administration  
 25 pursuant to this part. A license issued by the agency is  
 26 required in order to operate a home health agency in this  
 27 state. Any home health agency must be licensed by the agency  
 28 to operate in this state. A license issued to a home health  
 29 agency, unless sooner suspended or revoked, expires 2 years  
 30 after its date of issuance.

1           (4)(a) ~~An organization may not provide, offer, or~~  
 2 ~~advertise home health services to the public unless the~~

 4 ~~under this part.~~ An organization that offers or advertises to  
 5 the public any service for which licensure or registration is

 11 advertisement for publication, broadcast, or printing. The  
 12 fine for a second or subsequent offense is \$500. The holder of  
 13 a license issued under this part may not advertise or indicate  
 14 to the public that it holds a home health agency or nurse  
 15 registry license other than the one it has been issued.

16           (c) A person who violates paragraph (a) is subject to  
 17 an injunctive proceeding under s. 408.816 ~~s. 400.515~~. A  
 18 violation of paragraph (a) or s. 408.812 is a deceptive and  
 19 unfair trade practice and constitutes a violation of the  
 20 Florida Deceptive and Unfair Trade Practices Act under part II  
 21 of chapter 501.

22           Section 75. Section 400.471, Florida Statutes, is  
 23 amended to read:

24           400.471 Application for license; fee; ~~provisional~~  
 25 ~~license; temporary permit.--~~

26           (1) Each applicant for licensure must comply with all  
 27 provisions of this part and part II of chapter 408.  
 28 ~~Application for an initial license or for renewal of an~~  
 29 ~~existing license must be made under oath to the agency on~~  
 30 ~~forms furnished by it and must be accompanied by the~~  
 31 ~~appropriate license fee as provided in subsection (10). The~~

1 ~~agency must take final action on an initial licensure~~  
2 ~~application within 60 days after receipt of all required~~  
3 ~~documentation.~~

4       (2) In addition to the requirements of part II of  
5 chapter 408, the initial applicant must file with the  
6 application satisfactory proof that the home health agency is  
7 in compliance with this part and applicable rules, including:

8       (a) A listing of services to be provided, either  
9 directly by the applicant or through contractual arrangements  
10 with existing providers.

11       (b) The number and discipline of professional staff to  
12 be employed.

13       ~~(c) Proof of financial ability to operate.~~

14       (c)(d) Completion of questions concerning volume data  
15 on the renewal application as determined by rule.

16       ~~(3) An applicant for initial licensure must~~  
17 ~~demonstrate financial ability to operate by submitting a~~  
18 ~~balance sheet and income and expense statement for the first 2~~  
19 ~~years of operation which provide evidence of having sufficient~~  
20 ~~assets, credit, and projected revenues to cover liabilities~~  
21 ~~and expenses. The applicant shall have demonstrated financial~~  
22 ~~ability to operate if the applicant's assets, credit, and~~  
23 ~~projected revenues meet or exceed projected liabilities and~~  
24 ~~expenses. All documents required under this subsection must be~~  
25 ~~prepared in accordance with generally accepted accounting~~  
26 ~~principles and must be compiled by a certified public~~  
27 ~~accountant.~~

28       ~~(4) Each applicant for licensure must comply with the~~  
29 ~~following requirements:~~

30       ~~(a) Upon receipt of a completed, signed, and dated~~  
31 ~~application, the agency shall require background screening of~~

1 ~~the applicant, in accordance with the level 2 standards for~~  
2 ~~screening set forth in chapter 435. As used in this~~  
3 ~~subsection, the term "applicant" means the administrator, or a~~  
4 ~~similarly titled person who is responsible for the day to day~~  
5 ~~operation of the licensed home health agency, and the~~  
6 ~~financial officer, or similarly titled individual who is~~  
7 ~~responsible for the financial operation of the licensed home~~  
8 ~~health agency.~~

9 ~~(b) The agency may require background screening for a~~  
10 ~~member of the board of directors of the licensee or an officer~~  
11 ~~or an individual owning 5 percent or more of the licensee if~~  
12 ~~the agency reasonably suspects that such individual has been~~  
13 ~~convicted of an offense prohibited under the level 2 standards~~  
14 ~~for screening set forth in chapter 435.~~

15 ~~(c) Proof of compliance with the level 2 background~~  
16 ~~screening requirements of chapter 435 which has been submitted~~  
17 ~~within the previous 5 years in compliance with any other~~  
18 ~~health care or assisted living licensure requirements of this~~  
19 ~~state is acceptable in fulfillment of paragraph (a). Proof of~~  
20 ~~compliance with background screening which has been submitted~~  
21 ~~within the previous 5 years to fulfill the requirements of the~~  
22 ~~Financial Services Commission and the Office of Insurance~~  
23 ~~Regulation pursuant to chapter 651 as part of an application~~  
24 ~~for a certificate of authority to operate a continuing care~~  
25 ~~retirement community is acceptable in fulfillment of the~~  
26 ~~Department of Law Enforcement and Federal Bureau of~~  
27 ~~Investigation background check.~~

28 ~~(d) A provisional license may be granted to an~~  
29 ~~applicant when each individual required by this section to~~  
30 ~~undergo background screening has met the standards for the~~  
31 ~~Department of Law Enforcement background check, but the agency~~

1 ~~has not yet received background screening results from the~~  
2 ~~Federal Bureau of Investigation. A standard license may be~~  
3 ~~granted to the licensee upon the agency's receipt of a report~~  
4 ~~of the results of the Federal Bureau of Investigation~~  
5 ~~background screening for each individual required by this~~  
6 ~~section to undergo background screening which confirms that~~  
7 ~~all standards have been met, or upon the granting of a~~  
8 ~~disqualification exemption by the agency as set forth in~~  
9 ~~chapter 435. Any other person who is required to undergo level~~  
10 ~~2 background screening may serve in his or her capacity~~  
11 ~~pending the agency's receipt of the report from the Federal~~  
12 ~~Bureau of Investigation. However, the person may not continue~~  
13 ~~to serve if the report indicates any violation of background~~  
14 ~~screening standards and a disqualification exemption has not~~  
15 ~~been requested of and granted by the agency as set forth in~~  
16 ~~chapter 435.~~

17 ~~(e) Each applicant must submit to the agency, with its~~  
18 ~~application, a description and explanation of any exclusions,~~  
19 ~~permanent suspensions, or terminations of the licensee or~~  
20 ~~potential licensee from the Medicare or Medicaid programs.~~  
21 ~~Proof of compliance with the requirements for disclosure of~~  
22 ~~ownership and control interest under the Medicaid or Medicare~~  
23 ~~programs may be accepted in lieu of this submission.~~

24 ~~(f) Each applicant must submit to the agency a~~  
25 ~~description and explanation of any conviction of an offense~~  
26 ~~prohibited under the level 2 standards of chapter 435 by a~~  
27 ~~member of the board of directors of the applicant, its~~  
28 ~~officers, or any individual owning 5 percent or more of the~~  
29 ~~applicant. This requirement does not apply to a director of a~~  
30 ~~not for profit corporation or organization if the director~~  
31 ~~serves solely in a voluntary capacity for the corporation or~~

1 ~~organization, does not regularly take part in the day to day~~  
2 ~~operational decisions of the corporation or organization,~~  
3 ~~receives no remuneration for his or her services on the~~  
4 ~~corporation or organization's board of directors, and has no~~  
5 ~~financial interest and has no family members with a financial~~  
6 ~~interest in the corporation or organization, provided that the~~  
7 ~~director and the not for profit corporation or organization~~  
8 ~~include in the application a statement affirming that the~~  
9 ~~director's relationship to the corporation satisfies the~~  
10 ~~requirements of this paragraph.~~

11 ~~(g) A license may not be granted to an applicant if~~  
12 ~~the applicant, administrator, or financial officer has been~~  
13 ~~found guilty of, regardless of adjudication, or has entered a~~  
14 ~~plea of nolo contendere or guilty to, any offense prohibited~~  
15 ~~under the level 2 standards for screening set forth in chapter~~  
16 ~~435, unless an exemption from disqualification has been~~  
17 ~~granted by the agency as set forth in chapter 435.~~

18 ~~(h) The agency may deny or revoke licensure if the~~  
19 ~~applicant has been or is currently excluded, suspended,~~  
20 ~~terminated from, or has involuntarily withdrawn from~~  
21 ~~participation in any governmental or private health care or~~  
22 ~~health insurance program.~~

23 ~~(i) An application for license renewal must contain~~  
24 ~~the information required under paragraphs (c) and (f).~~

25 ~~(5) The agency may deny or revoke licensure if the~~  
26 ~~applicant has falsely represented a material fact, or has~~  
27 ~~omitted any material fact, from the application required by~~  
28 ~~this section.~~

29 ~~(3)(6)~~ In addition to the requirements of s. 408.810,  
30 the home health agency must also obtain and maintain the  
31 following insurance coverage in an amount of not less than

1 \$250,000 per claim, and the home health agency must submit  
2 proof of coverage with an initial application for licensure  
3 and with each application for license renewal:

4 (a) Malpractice insurance as defined in s.  
5 624.605(1)(k).†

6 (b) Liability insurance as defined in s.  
7 624.605(1)(b).

8 ~~(7) Sixty days before the expiration date, an~~  
9 ~~application for renewal must be submitted to the agency under~~  
10 ~~oath on forms furnished by it, and a license must be renewed~~  
11 ~~if the applicant has met the requirements established under~~  
12 ~~this part and applicable rules. The home health agency must~~  
13 ~~file with the application satisfactory proof that it is in~~  
14 ~~compliance with this part and applicable rules. If there is~~  
15 ~~evidence of financial instability, the home health agency must~~  
16 ~~submit satisfactory proof of its financial ability to comply~~  
17 ~~with the requirements of this part. The agency shall impose an~~  
18 ~~administrative fine of \$50 per day for each day the home~~  
19 ~~health agency fails to file an application within the~~  
20 ~~timeframe specified in this subsection. Each day of continuing~~  
21 ~~violation is a separate violation; however, the aggregate of~~  
22 ~~such fines may not exceed \$500.~~

23 ~~(8) When transferring the ownership of a home health~~  
24 ~~agency, the transferee must submit an application for a~~  
25 ~~license at least 60 days before the effective date of the~~  
26 ~~transfer. If the application is filed late, an administrative~~  
27 ~~fine shall be imposed in the amount of \$50 per day. Each day~~  
28 ~~of continuing violation is a separate violation; however, the~~  
29 ~~aggregate of such fines may not exceed \$500. If the home~~  
30 ~~health agency is being leased, a copy of the lease agreement~~  
31 ~~must be filed with the application.~~

1           ~~(4)(9)~~ The agency shall accept, in lieu of its own  
2 periodic licensure survey, submission of the survey of an  
3 accrediting organization that is recognized by the agency if  
4 the accreditation of the licensed home health agency is not  
5 provisional and if the licensed home health agency authorizes  
6 release of, and the agency receives the report of, the  
7 accrediting organization.

8           ~~(5)(10)~~ In accordance with s. 408.805, an applicant or  
9 licensee shall pay a fee for each license application  
10 submitted under this part, part II of chapter 408, and  
11 applicable rules. The amount of the fee shall be established  
12 by rule and shall be set at ~~The license fee and renewal fee~~  
13 ~~required of a home health agency are nonrefundable. The agency~~  
14 ~~shall set the license fees in an amount that is sufficient to~~  
15 ~~cover the agency's its costs in carrying out its~~  
16 ~~responsibilities under this part, but not to exceed \$2,000 per~~  
17 ~~biennium. However, state, county, or municipal governments~~  
18 ~~applying for licenses under this part are exempt from the~~  
19 ~~payment of license fees. All fees collected under this part~~  
20 ~~must be deposited in the Health Care Trust Fund for the~~  
21 ~~administration of this part.~~

22           ~~(11)~~ ~~The license must be displayed in a conspicuous~~  
23 ~~place in the administrative office of the home health agency~~  
24 ~~and is valid only while in the possession of the person to~~  
25 ~~which it is issued. The license may not be sold, assigned, or~~  
26 ~~otherwise transferred, voluntarily or involuntarily, and is~~  
27 ~~valid only for the home health agency and location for which~~  
28 ~~originally issued.~~

29           ~~(12)~~ ~~A home health agency against whom a revocation or~~  
30 ~~suspension proceeding is pending at the time of license~~  
31 ~~renewal may be issued a provisional license effective until~~

1 ~~final disposition by the agency of such proceedings. If~~  
 2 ~~judicial relief is sought from the final disposition, the~~  
 3 ~~court that has jurisdiction may issue a temporary permit for~~  
 4 ~~the duration of the judicial proceeding.~~

5 ~~(6)(13)~~ The agency may not issue a license designated  
 6 as certified to a home health agency that fails to satisfy the  
 7 requirements of a Medicare certification survey from the  
 8 agency.

9 ~~(14)~~ ~~The agency may not issue a license to a home~~  
 10 ~~health agency that has any unpaid fines assessed under this~~  
 11 ~~part.~~

12 Section 76. Section 400.474, Florida Statutes, is  
 13 amended to read:

 26 materially affects the health or safety of a patient.

27 (c) Knowingly providing home health services in an  
 28 unlicensed assisted living facility or unlicensed adult  
 29 family-care home, unless the home health agency or employee  
 30 reports the unlicensed facility or home to the agency within  
 31 72 hours after providing the services.

1           ~~(3) The agency may impose the following penalties for~~  
 2 ~~operating without a license upon an applicant or owner who has~~  
 3 ~~in the past operated, or who currently operates, a licensed~~  
 4 ~~home health agency.~~

5           ~~(a) If a home health agency that is found to be~~  
 6 ~~operating without a license wishes to apply for a license, the~~

 9 ~~operates an unlicensed home health agency.~~

10           ~~(a)(b)~~ In addition to the requirements of s. 408.813,

 20 ~~unlicensed home health agency and impose a moratorium on any~~  
 21 ~~or all of the licensed related home health agencies until the~~  
 22 ~~unlicensed home health agency is licensed.~~

23           ~~(b)(c)~~ If any home health agency is found to be

 5 ~~investigation, surveillance visit, or monitoring visit.~~

6 ~~(b) An applicant or a licensed home health agency has~~  
 7 ~~falsely represented a material fact in the application, or has~~  
 8 ~~omitted from the application any material fact, including, but~~

 10 ~~interest is held by any officer, director, agent, manager,~~

 31 such inspections and investigations as are necessary in order

1 to determine the state of compliance with this part, part II  
2 of chapter 408, and with applicable rules. ~~The right of~~  
3 ~~inspection extends to any business that the agency has reason~~  
4 ~~to believe is being operated as a home health agency without a~~  
5 ~~license, but such inspection of any such business may not be~~  
6 ~~made without the permission of the owner or person in charge~~  
7 ~~unless a warrant is first obtained from a circuit court. Any~~

3           Section 79. Section 400.497, Florida Statutes, is  
4 amended to read:

5           400.497 Rules establishing minimum standards.--The  
6 agency shall adopt, publish, and enforce rules to implement  
7 part II of chapter 408 and this part, including, as  
8 applicable, ss. 400.506 and 400.509, which must provide  
9 reasonable and fair minimum standards relating to:

10           (1) The home health aide competency test and home  
11 health aide training. The agency shall create the home health  
12 aide competency test and establish the curriculum and  
13 instructor qualifications for home health aide training.  
14 Licensed home health agencies may provide this training and  
15 shall furnish documentation of such training to other licensed  
16 home health agencies upon request. Successful passage of the  
17 competency test by home health aides may be substituted for  
18 the training required under this section and any rule adopted  
19 pursuant thereto.

20           (2) Shared staffing. The agency shall allow shared  
21 staffing if the home health agency is part of a retirement  
22 community that provides multiple levels of care, is located on  
23 one campus, is licensed under this chapter or chapter 429, and  
24 otherwise meets the requirements of law and rule.

25           (3) The criteria for the frequency of onsite licensure  
26 surveys.

27           (4) Licensure application and renewal.

28           (5) The requirements for onsite and electronic  
29 accessibility of supervisory personnel of home health  
30 agencies.

31           (6) Information to be included in patients' records.

1           (7) Geographic service areas.

2           (8) Preparation of a comprehensive emergency  
3 management plan pursuant to s. 400.492.

4           (a) The Agency for Health Care Administration shall  
5 adopt rules establishing minimum criteria for the plan and  
6 plan updates, with the concurrence of the Department of Health  
7 and in consultation with the Department of Community Affairs.

8           (b) The rules must address the requirements in s.  
9 400.492. In addition, the rules shall provide for the  
10 maintenance of patient-specific medication lists that can  
11 accompany patients who are transported from their homes.

12           (c) The plan is subject to review and approval by the  
13 county health department. During its review, the county health  
14 department shall contact state and local health and medical  
15 stakeholders when necessary. The county health department  
16 shall complete its review to ensure that the plan is in  
17 accordance with the criteria in the Agency for Health Care  
18 Administration rules within 90 days after receipt of the plan  
19 and shall approve the plan or advise the home health agency of  
20 necessary revisions. If the home health agency fails to submit  
21 a plan or fails to submit the requested information or  
22 revisions to the county health department within 30 days after  
23 written notification from the county health department, the  
24 county health department shall notify the Agency for Health  
25 Care Administration. The agency shall notify the home health  
26 agency that its failure constitutes a deficiency, subject to a  
27 fine of \$5,000 per occurrence. If the plan is not submitted,  
28 information is not provided, or revisions are not made as  
29 requested, the agency may impose the fine.

30           (d) For any home health agency that operates in more  
31 than one county, the Department of Health shall review the

1 plan, after consulting with state and local health and medical  
 2 stakeholders when necessary. The department shall complete its  
 3 review within 90 days after receipt of the plan and shall  
 4 approve the plan or advise the home health agency of necessary  
 5 revisions. The department shall make every effort to avoid  
 6 imposing differing requirements on a home health agency that  
 7 operates in more than one county as a result of differing or  
 8 conflicting comprehensive plan requirements of the counties in  
 9 which the home health agency operates.

10 (e) The requirements in this subsection do not apply  
 11 to:

12 1. A facility that is certified under chapter 651 and  
 13 has a licensed home health agency used exclusively by  
 14 residents of the facility; or

 16 units for independent living and either a licensed nursing  
 17 home or an assisted living facility, and has a licensed home

22 ~~chapter 435.~~

4 providing those services authorized under s. 400.509(1). Each  
5 person referred by a nurse registry must provide current  
6 documentation that he or she is free from communicable  
7 diseases.

8 (b) A certified nursing assistant or home health aide  
9 may be referred for a contract to provide care to a patient in  
10 his or her home only if that patient is under a physician's  
11 care. A certified nursing assistant or home health aide  
12 referred for contract in a private residence shall be limited  
13 to assisting a patient with bathing, dressing, toileting,

31 additional cost.

1        ~~(7)~~(11) A person who is referred by a nurse registry  
2 for contract in private residences and who is not a nurse

4 services or care to clients that the person has been certified  
5 to perform or trained to perform as required by law or rules  
6 of the Agency for Health Care Administration or the Department  
7 of Business and Professional Regulation. Providing services

9 the unauthorized practice of medicine or a violation of the

28 section. However, an initial screening may not be required for  
29 persons who have been continuously registered with the nurse  
30 registry since October 1, 2000.

31

1           ~~(10)(14)~~ The nurse registry must maintain the  
2 application on file, and that file must be open to the

5 the patient or client to whom nurse registry personnel are  
6 referred for contract and the amount of the fee received by  
7 the nurse registry. A nurse registry must maintain the file  
8 that includes the application and other applicable  
9 documentation for 3 years after the date of the last file  
10 entry of patient-related or client-related information.

11           ~~(11)(15)~~ Nurse registries shall assist persons who  
12 would need assistance and sheltering during evacuations  
13 because of physical, mental, or sensory disabilities in  
14 registering with the appropriate local emergency management  
15 agency pursuant to s. 252.355.

16           ~~(12)(16)~~ Each nurse registry shall prepare and

20 The plan shall include the means by which the nurse registry  
21 will continue to provide the same type and quantity of  
22 services to its patients who evacuate to special needs  
23 shelters which were being provided to those patients prior to  
24 evacuation. The plan shall specify how the nurse registry  
25 shall facilitate the provision of continuous care by persons  
26 referred for contract to persons who are registered pursuant  
27 to s. 252.355 during an emergency that interrupts the  
28 provision of care or services in private residences  
29 ~~residencies~~. Nurse registries may establish links to local  
30 emergency operations centers to determine a mechanism by which  
31 to approach specific areas within a disaster area in order for

1 a provider to reach its clients. Nurse registries shall  
2 demonstrate a good faith effort to comply with the  
3 requirements of this subsection by documenting attempts of  
4 staff to follow procedures outlined in the nurse registry's  
5 comprehensive emergency management plan which support a  
6 finding that the provision of continuing care has been  
7 attempted for patients identified as needing care by the nurse  
8 registry and registered under s. 252.355 in the event of an  
9 emergency under subsection (1).

10 (a) All persons referred for contract who care for  
11 persons registered pursuant to s. 252.355 must include in the  
12 patient record a description of how care will be continued  
13 during a disaster or emergency that interrupts the provision  
14 of care in the patient's home. It shall be the responsibility  
15 of the person referred for contract to ensure that continuous  
16 care is provided.

17 (b) Each nurse registry shall maintain a current  
18 prioritized list of patients in private residences who are  
19 registered pursuant to s. 252.355 and are under the care of  
20 persons referred for contract and who need continued services  
21 during an emergency. This list shall indicate, for each  
22 patient, if the client is to be transported to a special needs  
23 shelter and if the patient is receiving skilled nursing  
24 services. Nurse registries shall make this list available to

17 ~~without the permission of the owner or person in charge~~  
18 ~~thereof unless a warrant is first obtained from a circuit~~  
19 ~~court authorizing such inspection. An application for a~~

21 ~~constitutes permission for an inspection of the hospice for~~  
22 ~~which the license is sought in order to facilitate~~

18           (c) The agency may not issue a license to an applicant  
19 until the agency receives notice from the department as  
20 provided in paragraph(3)(6)(b).

21           ~~(3) Each applicant for licensure must comply with the~~  
22 ~~following requirements:~~

23           ~~(a) Upon receipt of a completed, signed, and dated~~  
24 ~~application, the agency shall require background screening, in~~  
25 ~~accordance with the level 2 standards for screening set forth~~  
26 ~~in chapter 435, of the managing employee, or other similarly~~  
27 ~~titled individual who is responsible for the daily operation~~  
28 ~~of the facility, and of the financial officer, or other~~  
29 ~~similarly titled individual who is responsible for the~~  
30 ~~financial operation of the facility, including billings for~~  
31 ~~client care and services. The applicant must comply with the~~

1 ~~procedures for level 2 background screening as set forth in~~  
2 ~~chapter 435.~~

3 ~~(b) The agency may require background screening of any~~  
4 ~~other individual who is an applicant if the agency has~~  
5 ~~probable cause to believe that he or she has been convicted of~~  
6 ~~a crime or has committed any other offense prohibited under~~  
7 ~~the level 2 standards for screening set forth in chapter 435.~~

8 ~~(c) Proof of compliance with the level 2 background~~  
9 ~~screening requirements of chapter 435 which has been submitted~~  
10 ~~within the previous 5 years in compliance with any other~~  
11 ~~health care or assisted living licensure requirements of this~~  
12 ~~state is acceptable in fulfillment of the requirements of~~  
13 ~~paragraph (a).~~

14 ~~(d) A provisional license may be granted to an~~  
15 ~~applicant when each individual required by this section to~~  
16 ~~undergo background screening has met the standards for the~~  
17 ~~Department of Law Enforcement background check, but the agency~~  
18 ~~has not yet received background screening results from the~~  
19 ~~Federal Bureau of Investigation, or a request for a~~  
20 ~~disqualification exemption has been submitted to the agency as~~  
21 ~~set forth in chapter 435, but a response has not yet been~~  
22 ~~issued. A standard license may be granted to the applicant~~  
23 ~~upon the agency's receipt of a report of the results of the~~  
24 ~~Federal Bureau of Investigation background screening for each~~  
25 ~~individual required by this section to undergo background~~  
26 ~~screening which confirms that all standards have been met, or~~  
27 ~~upon the granting of a disqualification exemption by the~~  
28 ~~agency as set forth in chapter 435. Any other person who is~~  
29 ~~required to undergo level 2 background screening may serve in~~  
30 ~~his or her capacity pending the agency's receipt of the report~~  
31 ~~from the Federal Bureau of Investigation. However, the person~~

1 ~~may not continue to serve if the report indicates any~~  
2 ~~violation of background screening standards and a~~  
3 ~~disqualification exemption has not been requested of and~~  
4 ~~granted by the agency as set forth in chapter 435.~~

5 ~~(e) Each applicant must submit to the agency, with its~~  
6 ~~application, a description and explanation of any exclusions,~~  
7 ~~permanent suspensions, or terminations of the applicant from~~  
8 ~~the Medicare or Medicaid programs. Proof of compliance with~~  
9 ~~the requirements for disclosure of ownership and control~~  
10 ~~interests under the Medicaid or Medicare programs may be~~  
11 ~~accepted in lieu of this submission.~~

12 ~~(f) Each applicant must submit to the agency a~~  
13 ~~description and explanation of any conviction of an offense~~  
14 ~~prohibited under the level 2 standards of chapter 435 by a~~  
15 ~~member of the board of directors of the applicant, its~~  
16 ~~officers, or any individual owning 5 percent or more of the~~  
17 ~~applicant. This requirement does not apply to a director of a~~  
18 ~~not for profit corporation or organization if the director~~  
19 ~~serves solely in a voluntary capacity for the corporation or~~  
20 ~~organization, does not regularly take part in the day to day~~  
21 ~~operational decisions of the corporation or organization,~~  
22 ~~receives no remuneration for his or her services on the~~  
23 ~~corporation or organization's board of directors, and has no~~  
24 ~~financial interest and has no family members with a financial~~  
25 ~~interest in the corporation or organization, provided that the~~  
26 ~~director and the not for profit corporation or organization~~  
27 ~~include in the application a statement affirming that the~~  
28 ~~director's relationship to the corporation satisfies the~~  
29 ~~requirements of this paragraph.~~

30 ~~(g) A license may not be granted to an applicant if~~  
31 ~~the applicant or managing employee has been found guilty of,~~

1 ~~regardless of adjudication, or has entered a plea of nolo~~  
 2 ~~contendere or guilty to, any offense prohibited under the~~  
 3 ~~level 2 standards for screening set forth in chapter 435,~~  
 4 ~~unless an exemption from disqualification has been granted by~~  
 5 ~~the agency as set forth in chapter 435.~~

6 ~~(h) The agency may deny or revoke licensure if the~~  
 7 ~~applicant:~~

8 ~~1. Has falsely represented a material fact in the~~  
 9 ~~application required by paragraph (c) or paragraph (f), or has~~  
 10 ~~omitted any material fact from the application required by~~  
 11 ~~paragraph (c) or paragraph (f); or~~

12 ~~2. Has had prior action taken against the applicant~~  
 13 ~~under the Medicaid or Medicare program as set forth in~~  
 14 ~~paragraph (c).~~

15 ~~(i) An application for license renewal must contain~~  
 16 ~~the information required under paragraphs (c) and (f).~~

17 ~~(4) An application for renewal of license must be~~  
 18 ~~submitted 90 days before the expiration of the license. Upon~~  
 19 ~~renewal of licensure, each applicant must submit to the~~  
 20 ~~agency, under penalty of perjury, an affidavit as set forth in~~  
 21 ~~paragraph (3)(d).~~

22 ~~(5) A change of ownership or control of a transitional~~  
 23 ~~living facility must be reported to the agency in writing at~~  
 24 ~~least 60 days before the change is scheduled to take effect.~~

25 (3)(6)(a) The agency shall adopt rules in consultation  
 26 with the department governing the physical plant of  
 27 transitional living facilities and the fiscal management of  
 28 transitional living facilities.

29 (b) The department shall adopt rules in consultation  
 30 with the agency governing the services provided to clients of  
 31 transitional living facilities. The department shall enforce

1 all requirements for providing services to the facility's  
2 clients. The department must notify the agency when it  
3 determines that an applicant for licensure meets the service  
4 requirements adopted by the department.

5 (c) The agency and the department shall enforce  
6 requirements under this section and part II of chapter 408, as  
7 such requirements relate to them respectively, and their  
8 respective adopted rules.

9 ~~(7)(a) It is unlawful for any person to establish,~~  
10 ~~conduct, manage, or operate a transitional living facility~~  
11 ~~without obtaining a license from the agency.~~

12 ~~(b) It is unlawful for any person to offer or~~  
13 ~~advertise to the public, in any medium whatever, services or~~  
14 ~~care defined in paragraph (1)(c) without obtaining a license~~  
15 ~~from the agency.~~

16 ~~(c) It is unlawful for a holder of a license issued~~  
17 ~~under this section to advertise or represent to the public~~  
18 ~~that it holds a license for a type of facility other than the~~  
19 ~~facility for which its license is issued.~~

20 (4)(8) In accordance with s. 408.811, any designated  
21 officer or employee of the agency, of the state, or of the  
22 local fire marshal may enter unannounced upon and into the  
23 premises of any facility licensed under this section in order  
24 to determine the state of compliance with this section, part  
25 II of chapter 408, and applicable rules ~~and the rules or~~  
26 ~~standards in force under this section. The right of entry and~~  
27 ~~inspection also extends to any premises that the agency has~~  
28 ~~reason to believe are being operated or maintained as a~~  
29 ~~facility without a license; but such an entry or inspection~~  
30 ~~may not be made without the permission of the owner or person~~  
31 ~~in charge of the facility unless a warrant that authorizes the~~

1 ~~entry is first obtained from the circuit court. The warrant~~  
2 ~~requirement extends only to a facility that the agency has~~  
3 ~~reason to believe is being operated or maintained as a~~  
4 ~~facility without a license. An application for a license or~~  
5 ~~renewal thereof which is made under this section constitutes~~  
6 ~~permission for, and acquiescence in, any entry or inspection~~  
7 ~~of the premises for which the license is sought, in order to~~  
8 ~~facilitate verification of the information submitted on or in~~  
9 ~~connection with the application; to discover, investigate, and~~  
10 ~~determine the existence of abuse or neglect; or to elicit,~~  
11 ~~receive, respond to, and resolve complaints. A current valid~~  
12 ~~license constitutes unconditional permission for, and~~  
13 ~~acquiescence in, any entry or inspection of the premises by~~  
14 ~~authorized personnel. The agency retains the right of entry~~  
15 ~~and inspection of facilities that have had a license revoked~~  
16 ~~or suspended within the previous 24 months, to ensure that the~~  
17 ~~facility is not operating unlawfully. However, before the~~  
18 ~~facility is entered, a statement of probable cause must be~~  
19 ~~filed with the director of the agency, who must approve or~~  
20 ~~disapprove the action within 48 hours. Probable cause~~  
21 ~~includes, but is not limited to, evidence that the facility~~  
22 ~~holds itself out to the public as a provider of personal~~  
23 ~~assistance services, or the receipt by the advisory council on~~  
24 ~~brain and spinal cord injuries of a complaint about the~~  
25 ~~facility.~~

26 ~~(9) The agency may institute injunctive proceedings in~~  
27 ~~a court of competent jurisdiction for temporary or permanent~~  
28 ~~relief to:~~

29 ~~(a) Enforce this section or any minimum standard,~~  
30 ~~rule, or order issued pursuant thereto if the agency's effort~~  
31 ~~to correct a violation through administrative fines has failed~~

1 ~~or when the violation materially affects the health, safety,~~  
2 ~~or welfare of residents; or~~

3 ~~(b) Terminate the operation of a facility if a~~  
4 ~~violation of this section or of any standard or rule adopted~~  
5 ~~pursuant thereto exists which materially affects the health,~~  
6 ~~safety, or welfare of residents.~~

7  
8 ~~The Legislature recognizes that, in some instances, action is~~  
9 ~~necessary to protect residents of facilities from immediately~~  
10 ~~life threatening situations. If it appears by competent~~  
11 ~~evidence or a sworn, substantiated affidavit that a temporary~~  
12 ~~injunction should issue, the court, pending the determination~~  
13 ~~on final hearing, shall enjoin operation of the facility.~~

14 ~~(10) The agency may impose an immediate moratorium on~~  
15 ~~admissions to a facility when the agency determines that any~~  
16 ~~condition in the facility presents a threat to the health,~~  
17 ~~safety, or welfare of the residents in the facility. If a~~  
18 ~~facility's license is denied, revoked, or suspended, the~~  
19 ~~facility may be subject to the immediate imposition of a~~  
20 ~~moratorium on admissions to run concurrently with licensure~~  
21 ~~denial, revocation, or suspension.~~

22 ~~(5)(11)(a)~~ In accordance with part II of chapter 408,  
23 a violation of any provision of this section, part II of  
24 chapter 408, or applicable rules adopted by the agency or  
25 department under this section is punishable by payment of an  
26 administrative or a civil penalty fine not to exceed \$5,000.

27 (b) Unlicensed activity pursuant to s. 408.812 A  
28 ~~violation of subsection (7) or rules adopted under that~~  
29 ~~subsection~~ is a misdemeanor of the first degree, punishable as  
30 provided in s. 775.082 or s. 775.083. Each day of a continuing  
31 violation is a separate offense.

1           (6) The agency may adopt rules to administer the  
 2 requirements of part II of chapter 408.

3           Section 92. Subsection (4) of section 400.902, Florida

 25 ~~this part.~~

26           ~~(b) Any person who violates paragraph (a) is guilty of~~

14 (1) It is the intent of the Legislature that rules  
15 adopted and enforced under this part and part II of chapter  
16 408 include criteria by which a reasonable and consistent  
17 quality of resident care may be ensured, the results of such  
18 resident care can be demonstrated, and safe and sanitary  
19 facilities can be provided.

20 (2) Pursuant to the intention of the Legislature, the  
21 agency, in consultation with the Agency for Persons with  
22 Disabilities and the Department of Elderly Affairs, shall  
23 adopt and enforce rules to administer this part and part II of  
24 chapter 408, which shall include reasonable and fair criteria  
25 governing:

26 (a) The location and construction of the facility;  
27 including fire and life safety, plumbing, heating, cooling,  
28 lighting, ventilation, and other housing conditions that will  
29 ensure the health, safety, and comfort of residents. The  
30 agency shall establish standards for facilities and equipment  
31 to increase the extent to which new facilities and a new wing

1 or floor added to an existing facility after July 1, 2000, are  
2 structurally capable of serving as shelters only for  
3 residents, staff, and families of residents and staff, and  
4 equipped to be self-supporting during and immediately  
5 following disasters. The Agency for Health Care Administration  
6 shall work with facilities licensed under this part and report  
7 to the Governor and the Legislature by April 1, 2000, its  
8 recommendations for cost-effective renovation standards to be  
9 applied to existing facilities. In making such rules, the  
10 agency shall be guided by criteria recommended by nationally  
11 recognized, reputable professional groups and associations  
12 having knowledge concerning such subject matters. The agency  
13 shall update or revise such criteria as the need arises. All  
14 facilities must comply with those lifesafety code requirements  
15 and building code standards applicable at the time of approval  
16 of their construction plans. The agency may require  
17 alterations to a building if it determines that an existing  
18 condition constitutes a distinct hazard to life, health, or  
19 safety. The agency shall adopt fair and reasonable rules  
20 setting forth conditions under which existing facilities  
21 undergoing additions, alterations, conversions, renovations,  
22 or repairs are required to comply with the most recent updated  
23 or revised standards.

24 (b) The number and qualifications of all personnel,  
25 including management, medical nursing, and other personnel,  
26 having responsibility for any part of the care given to  
27 residents.

28 (c) All sanitary conditions within the facility and  
29 its surroundings, including water supply, sewage disposal,  
30 food handling, and general hygiene, which will ensure the  
31 health and comfort of residents.

1 (d) The equipment essential to the health and welfare  
2 of the residents.

3 (e) A uniform accounting system.

4 (f) The care, treatment, and maintenance of residents  
5 and measurement of the quality and adequacy thereof.

6 (g) The preparation and annual update of a  
7 comprehensive emergency management plan. The agency shall  
8 adopt rules establishing minimum criteria for the plan after  
9 consultation with the Department of Community Affairs. At a  
10 minimum, the rules must provide for plan components that  
11 address emergency evacuation transportation; adequate  
12 sheltering arrangements; postdisaster activities, including  
13 emergency power, food, and water; postdisaster transportation;  
14 supplies; staffing; emergency equipment; individual  
15 identification of residents and transfer of records; and  
16 responding to family inquiries. The comprehensive emergency  
17 management plan is subject to review and approval by the local  
18 emergency management agency. During its review, the local  
19 emergency management agency shall ensure that the following  
20 agencies, at a minimum, are given the opportunity to review  
21 the plan: the Department of Elderly Affairs, the Agency for  
22 Persons with Disabilities, the Agency for Health Care  
23 Administration, and the Department of Community Affairs. Also,  
24 appropriate volunteer organizations must be given the  
25 opportunity to review the plan. The local emergency management  
26 agency shall complete its review within 60 days and either  
27 approve the plan or advise the facility of necessary  
28 revisions.

29 ~~(h) The posting of licenses. Each licensee shall post~~  
30 ~~its license in a prominent place that is in clear and~~

31

1 ~~unobstructed public view at or near the place where residents~~

10 after incidents of restraint or seclusion, including  
11 individualized plans for the use of restraints or seclusion in  
12 emergency situations; establish professional qualifications of  
13 and training for staff who may order or be engaged in the use  
14 of restraint or seclusion; establish requirements for facility  
15 data collection and reporting relating to the use of restraint  
16 and seclusion; and establish procedures relating to the  
17 documentation of the use of restraint or seclusion in the  
18 client's facility or program record.

19       (3) The agency shall adopt rules to provide that, when  
20 the criteria established under this part and part II of  
21 chapter 408 subsection (2) are not met, such deficiencies  
22 shall be classified according to the nature of the deficiency.  
23 The agency shall indicate the classification on the face of  
24 the notice of deficiencies as follows:

26 determines present an ~~and~~ imminent danger to the residents or

28 or serious physical harm would result therefrom. The condition  
29 or practice constituting a class I violation must be abated or  
30 eliminated immediately, unless a fixed period of time, as  
31 determined by the agency, is required for correction.

1 ~~Notwithstanding s. 400.121(2),~~ A class I deficiency is subject  
2 to a civil penalty in an amount not less than \$5,000 and not

8 than class I deficiencies. A class II deficiency is subject to  
9 a civil penalty in an amount not less than \$1,000 and not  
10 exceeding \$5,000 for each deficiency. A citation for a class  
11 II deficiency shall specify the time within which the  
12 deficiency must be corrected. If a class II deficiency is  
13 corrected within the time specified, no civil penalty shall be  
14 imposed, unless it is a repeated offense.

15 (c) Class III deficiencies are those which the agency  
16 determines to have an indirect or potential relationship to  
17 the health, safety, or security of the facility residents,  
18 other than class I or class II deficiencies. A class III  
19 deficiency is subject to a civil penalty of not less than \$500  
20 and not exceeding \$1,000 for each deficiency. A citation for a  
21 class III deficiency shall specify the time within which the  
22 deficiency must be corrected. If a class III deficiency is  
23 corrected within the time specified, no civil penalty shall be  
24 imposed, unless it is a repeated offense.

25 ~~(4) Civil penalties paid by any licensee under~~  
26 ~~subsection (3) shall be deposited in the Health Care Trust~~  
27 ~~Fund and expended as provided in s. 400.063.~~

28 (4)(5) The agency shall approve or disapprove the  
29 plans and specifications within 60 days after receipt of the  
30 final plans and specifications. The agency may be granted one  
31 15-day extension for the review period, if the secretary of

1 the agency so approves. If the agency fails to act within the  
 2 specified time, it is deemed to have approved the plans and  
 3 specifications. When the agency disapproves plans and  
 4 specifications, it must set forth in writing the reasons for  
 5 disapproval. Conferences and consultations may be provided as  
 6 necessary.

7 ~~(5)(6)~~ The agency may charge an initial fee of \$2,000  
 8 for review of plans and construction on all projects, no part  
 9 of which is refundable. The agency may also collect a fee, not  
 10 to exceed 1 percent of the estimated construction cost or the  
 11 actual cost of review, whichever is less, for the portion of  
 12 the review which encompasses initial review through the  
 13 initial revised construction document review. The agency may  
 14 collect its actual costs on all subsequent portions of the  
 15 review and construction inspections. Initial fee payment must  
 16 accompany the initial submission of plans and specifications.  
 17 Any subsequent payment that is due is payable upon receipt of  
 18 the invoice from the agency. Notwithstanding any other  
 19 provision of law, all money received by the agency under this  
 20 section shall be deemed to be trust funds, to be held and  
 21 applied solely for the operations required under this section.

22 Section 119. Section 400.968, Florida Statutes, is  
 23 amended to read:

24 400.968 Right of entry; ~~protection of health, safety,~~  
 25 ~~and welfare.--~~

26 ~~(1)~~ In addition to the requirements of s. 408.811, any  
 27 designated officer or employee of the agency, or any officer  
 28 or employee of the state, or of the local fire marshal, may  
 29 enter unannounced the premises of any facility licensed under  
 30 this part in order to determine the state of compliance with  
 31 this part, part II of chapter 408, and applicable rules and

1 ~~the rules or standards in force under this part. The right of~~  
2 ~~entry and inspection also extends to any premises that the~~  
3 ~~agency has reason to believe are being operated or maintained~~  
4 ~~as a facility without a license; but such an entry or~~  
5 ~~inspection may not be made without the permission of the owner~~  
6 ~~or person in charge of the facility unless a warrant that~~  
7 ~~authorizes the entry is first obtained from the circuit court.~~  
8 ~~The warrant requirement extends only to a facility that the~~  
9 ~~agency has reason to believe is being operated or maintained~~  
10 ~~as a facility without a license. An application for a license~~  
11 ~~or renewal thereof which is made under this section~~  
12 ~~constitutes permission for, and acquiescence in, any entry or~~  
13 ~~inspection of the premises for which the license is sought, in~~  
14 ~~order to facilitate verification of the information submitted~~  
15 ~~in connection with the application; to discover, investigate,~~  
16 ~~and determine the existence of abuse or neglect; or to elicit,~~  
17 ~~receive, respond to, and resolve complaints. A current valid~~  
18 ~~license constitutes unconditional permission for, and~~  
19 ~~acquiescence in, any entry or inspection of the premises by~~  
20 ~~authorized personnel. The agency retains the right of entry~~  
21 ~~and inspection of facilities that have had a license revoked~~  
22 ~~or suspended within the previous 24 months, to ensure that the~~  
23 ~~facility is not operating unlawfully. However, before the~~  
24 ~~facility is entered, a statement of probable cause must be~~  
25 ~~filed with the director of the agency, who must approve or~~  
26 ~~disapprove the action within 48 hours.~~

27 ~~(2) The agency may institute injunctive proceedings in~~  
28 ~~a court of competent jurisdiction for temporary or permanent~~  
29 ~~relief to:~~

30 ~~(a) Enforce this section or any minimum standard,~~  
31 ~~rule, or order issued pursuant thereto if the agency's effort~~

1 ~~to correct a violation through administrative fines has failed~~  
 2 ~~or when the violation materially affects the health, safety,~~  
 3 ~~or welfare of residents; or~~

4 ~~(b) Terminate the operation of a facility if a~~  
 5 ~~violation of this section or of any standard or rule adopted~~  
 6 ~~pursuant thereto exists which materially affects the health,~~  
 7 ~~safety, or welfare of residents.~~

8  
 9 ~~The Legislature recognizes that, in some instances, action is~~  
 10 ~~necessary to protect residents of facilities from immediately~~  
 11 ~~life threatening situations. If it appears by competent~~  
 12 ~~evidence or a sworn, substantiated affidavit that a temporary~~  
 13 ~~injunction should issue, the court, pending the determination~~  
 14 ~~on final hearing, shall enjoin operation of the facility.~~

15 ~~(3) The agency may impose an immediate moratorium on~~  
 16 ~~admissions to a facility when the agency determines that any~~  
 17 ~~condition in the facility presents a threat to the health,~~  
 18 ~~safety, or welfare of the residents in the facility. If a~~  
 19 ~~facility's license is denied, revoked, or suspended, the~~  
 20 ~~facility may be subject to the immediate imposition of a~~  
 21 ~~moratorium on admissions to run concurrently with licensure~~  
 22 ~~denial, revocation, or suspension.~~

23 Section 120. Subsection (1) of section 400.969,  
 24 Florida Statutes, is amended to read:

25 400.969 Violation of part; penalties.--

26 (1) In addition to the requirements of part II of  
 27 chapter 408, and except as provided in s. 400.967(3), a  
 28 violation of any provision of this part, part II of chapter  
 29 408, or applicable rules ~~adopted by the agency under this part~~  
 30 is punishable by payment of an administrative or civil penalty  
 31 not to exceed \$5,000.

1 Section 121. Section 400.980, Florida Statutes, is  
2 amended to read:

3 400.980 Health care services pools.--

4 (1) As used in this section, the term:

5 (a) "Agency" means the Agency for Health Care  
6 Administration.

7 (b) "Health care services pool" means any person,  
8 firm, corporation, partnership, or association engaged for  
9 hire in the business of providing temporary employment in  
10 health care facilities, residential facilities, and agencies  
11 for licensed, certified, or trained health care personnel  
12 including, without limitation, nursing assistants, nurses'  
13 aides, and orderlies. However, the term does not include  
14 nursing registries, a facility licensed under this chapter or  
15 chapter 429, a health care services pool established within a  
16 health care facility to provide services only within the  
17 confines of such facility, or any individual contractor  
18 directly providing temporary services to a health care  
19 facility without use or benefit of a contracting agent.

20 (2) The requirements of part II of chapter 408 apply  
21 to the provision of services that require licensure or  
22 registration pursuant to this part and part II of chapter 408  
23 and to entities registered by or applying for such  
24 registration from the agency pursuant to this part.  
25 Registration or a license issued by the agency is required for  
26 the operation of ~~Each person who operates~~ a health care  
27 services pool in this state. In accordance with s. 408.805, an  
28 applicant or licensee shall pay a fee for each license  
29 application submitted using this part, part II of chapter 408,  
30 and applicable rules. ~~must register each separate business~~  
31 ~~location with the agency.~~ The agency shall adopt rules and

1 provide forms required for such registration and shall impose  
2 a registration fee in an amount sufficient to cover the cost  
3 of administering this part and part II of chapter 408 ~~section~~.

4 In addition to the requirements in part II of chapter 408, the  
5 registrant must provide the agency with any change of  
6 information contained on the original registration application  
7 within 14 days prior to the change. ~~The agency may inspect the~~  
8 ~~offices of any health care services pool at any reasonable~~  
9 ~~time for the purpose of determining compliance with this~~  
10 ~~section or the rules adopted under this section.~~

11 ~~(3) Each application for registration must include:~~

12 ~~(a) The name and address of any person who has an~~  
13 ~~ownership interest in the business, and, in the case of a~~  
14 ~~corporate owner, copies of the articles of incorporation,~~  
15 ~~bylaws, and names and addresses of all officers and directors~~  
16 ~~of the corporation.~~

17 ~~(b) Any other information required by the agency.~~

18 ~~(3)(4) Each applicant for registration must comply~~  
19 ~~with the following requirements:~~

20 ~~(a) Upon receipt of a completed, signed, and dated~~  
21 ~~application, the agency shall require background screening, in~~  
22 ~~accordance with the level 1 standards for screening set forth~~  
23 ~~in chapter 435, of every individual who will have contact with~~  
24 ~~patients. The agency shall require background screening of the~~  
25 ~~managing employee or other similarly titled individual who is~~  
26 ~~responsible for the operation of the entity, and of the~~  
27 ~~financial officer or other similarly titled individual who is~~  
28 ~~responsible for the financial operation of the entity,~~  
29 ~~including billings for services in accordance with the level 2~~  
30 ~~standards for background screening as set forth in chapter~~  
31 ~~435.~~

1           ~~(b) The agency may require background screening of any~~  
2 ~~other individual who is affiliated with the applicant if the~~  
3 ~~agency has a reasonable basis for believing that he or she has~~  
4 ~~been convicted of a crime or has committed any other offense~~  
5 ~~prohibited under the level 2 standards for screening set forth~~  
6 ~~in chapter 435.~~

7           ~~(c) Proof of compliance with the level 2 background~~  
8 ~~screening requirements of chapter 435 which has been submitted~~  
9 ~~within the previous 5 years in compliance with any other~~  
10 ~~health care or assisted living licensure requirements of this~~  
11 ~~state is acceptable in fulfillment of paragraph (a).~~

12           ~~(d) A provisional registration may be granted to an~~  
13 ~~applicant when each individual required by this section to~~  
14 ~~undergo background screening has met the standards for the~~  
15 ~~Department of Law Enforcement background check but the agency~~  
16 ~~has not yet received background screening results from the~~  
17 ~~Federal Bureau of Investigation. A standard registration may~~  
18 ~~be granted to the applicant upon the agency's receipt of a~~  
19 ~~report of the results of the Federal Bureau of Investigation~~  
20 ~~background screening for each individual required by this~~  
21 ~~section to undergo background screening which confirms that~~  
22 ~~all standards have been met, or upon the granting of a~~  
23 ~~disqualification exemption by the agency as set forth in~~  
24 ~~chapter 435. Any other person who is required to undergo level~~  
25 ~~2 background screening may serve in his or her capacity~~  
26 ~~pending the agency's receipt of the report from the Federal~~  
27 ~~Bureau of Investigation. However, the person may not continue~~  
28 ~~to serve if the report indicates any violation of background~~  
29 ~~screening standards and if a disqualification exemption has~~  
30 ~~not been requested of and granted by the agency as set forth~~  
31 ~~in chapter 435.~~

1           ~~(e) Each applicant must submit to the agency, with its~~  
2 ~~application, a description and explanation of any exclusions,~~  
3 ~~permanent suspensions, or terminations of the applicant from~~  
4 ~~the Medicare or Medicaid programs. Proof of compliance with~~  
5 ~~the requirements for disclosure of ownership and controlling~~  
6 ~~interests under the Medicaid or Medicare programs may be~~  
7 ~~accepted in lieu of this submission.~~

8           ~~(f) Each applicant must submit to the agency a~~  
9 ~~description and explanation of any conviction of an offense~~  
10 ~~prohibited under the level 2 standards of chapter 435 which~~  
11 ~~was committed by a member of the board of directors of the~~  
12 ~~applicant, its officers, or any individual owning 5 percent or~~  
13 ~~more of the applicant. This requirement does not apply to a~~  
14 ~~director of a not for profit corporation or organization who~~  
15 ~~serves solely in a voluntary capacity for the corporation or~~  
16 ~~organization, does not regularly take part in the day to day~~  
17 ~~operational decisions of the corporation or organization,~~  
18 ~~receives no remuneration for his or her services on the~~  
19 ~~corporation's or organization's board of directors, and has no~~  
20 ~~financial interest and no family members having a financial~~  
21 ~~interest in the corporation or organization, if the director~~  
22 ~~and the not for profit corporation or organization include in~~  
23 ~~the application a statement affirming that the director's~~  
24 ~~relationship to the corporation satisfies the requirements of~~  
25 ~~this paragraph.~~

26           ~~(g) A registration may not be granted to an applicant~~  
27 ~~if the applicant or managing employee has been found guilty~~  
28 ~~of, regardless of adjudication, or has entered a plea of nolo~~  
29 ~~contendere or guilty to, any offense prohibited under the~~  
30 ~~level 2 standards for screening set forth in chapter 435,~~  
31

1 ~~unless an exemption from disqualification has been granted by~~  
2 ~~the agency as set forth in chapter 435.~~

3 ~~(h) Failure to provide all required documentation~~  
4 ~~within 30 days after a written request from the agency will~~  
5 ~~result in denial of the application for registration.~~

6 ~~(i) The agency must take final action on an~~  
7 ~~application for registration within 60 days after receipt of~~  
8 ~~all required documentation.~~

9 ~~(j) The agency may deny, revoke, or suspend the~~  
10 ~~registration of any applicant or registrant who:~~

11 ~~1. Has falsely represented a material fact in the~~  
12 ~~application required by paragraph (c) or paragraph (f), or has~~  
13 ~~omitted any material fact from the application required by~~  
14 ~~paragraph (c) or paragraph (f); or~~

15 ~~2. Has had prior action taken against the applicant~~  
16 ~~under the Medicaid or Medicare program as set forth in~~  
17 ~~paragraph (c).~~

18 ~~3. Fails to comply with this section or applicable~~  
19 ~~rules.~~

20 ~~4. Commits an intentional, reckless, or negligent act~~  
21 ~~that materially affects the health or safety of a person~~  
22 ~~receiving services.~~

23 ~~(5) It is a misdemeanor of the first degree,~~  
24 ~~punishable under s. 775.082 or s. 775.083, for any person~~  
25 ~~willfully, knowingly, or intentionally to:~~

26 ~~(a) Fail, by false statement, misrepresentation,~~  
27 ~~impersonation, or other fraudulent means, to disclose in any~~  
28 ~~application for voluntary or paid employment a material fact~~  
29 ~~used in making a determination as to an applicant's~~  
30 ~~qualifications to be a contractor under this section;~~

31

1           ~~(b) Operate or attempt to operate an entity registered~~  
2 ~~under this part with persons who do not meet the minimum~~  
3 ~~standards of chapter 435 as contained in this section; or~~

4           ~~(c) Use information from the criminal records obtained~~  
5 ~~under this section for any purpose other than screening an~~  
6 ~~applicant for temporary employment as specified in this~~  
7 ~~section, or release such information to any other person for~~  
8 ~~any purpose other than screening for employment under this~~  
9 ~~section.~~

10           ~~(6) It is a felony of the third degree, punishable~~  
11 ~~under s. 775.082, s. 775.083, or s. 775.084, for any person~~  
12 ~~willfully, knowingly, or intentionally to use information from~~  
13 ~~the juvenile records of a person obtained under this section~~  
14 ~~for any purpose other than screening for employment under this~~  
15 ~~section.~~

16           ~~(7) It is unlawful for a person to offer or advertise~~  
17 ~~services, as defined by rule, to the public without obtaining~~  
18 ~~a certificate of registration from the Agency for Health Care~~  
19 ~~Administration. It is unlawful for any holder of a certificate~~  
20 ~~of registration to advertise or hold out to the public that he~~  
21 ~~or she holds a certificate of registration for other than that~~  
22 ~~for which he or she actually holds a certificate of~~  
23 ~~registration. Any person who violates this subsection is~~  
24 ~~subject to injunctive proceedings under s. 400.515.~~

25           ~~(8) Each registration shall be for a period of 2~~  
26 ~~years. The application for renewal must be received by the~~  
27 ~~agency at least 30 days before the expiration date of the~~  
28 ~~registration. An application for a new registration is~~  
29 ~~required within 30 days prior to the sale of a controlling~~  
30 ~~interest in a health care services pool.~~

31

1        ~~(4)(9)~~ A health care services pool may not require an  
2 employee to recruit new employees from persons employed at a  
3 health care facility to which the health care services pool  
4 employee is assigned. Nor shall a health care facility to  
5 which employees of a health care services pool are assigned  
6 recruit new employees from the health care services pool.

7        ~~(5)(10)~~ A health care services pool shall document  
8 that each temporary employee provided to a health care  
9 facility has met the licensing, certification, training, or  
10 continuing education requirements, as established by the  
11 appropriate regulatory agency, for the position in which he or  
12 she will be working.

13        ~~(6)(11)~~ When referring persons for temporary  
14 employment in health care facilities, a health care services  
15 pool shall comply with all pertinent state and federal laws,  
16 rules, and regulations relating to health, background  
17 screening, and other qualifications required of persons  
18 working in a facility of that type.

19        ~~(7)(12)~~(a) As a condition of registration and prior to  
20 the issuance or renewal of a certificate of registration, a  
21 health care services pool applicant must prove financial  
22 responsibility to pay claims, and costs ancillary thereto,  
23 arising out of the rendering of services or failure to render  
24 services by the pool or by its employees in the course of  
25 their employment with the pool. The agency shall promulgate  
26 rules establishing minimum financial responsibility coverage  
27 amounts which shall be adequate to pay potential claims and  
28 costs ancillary thereto.

29        (b) Each health care services pool shall give written  
30 notification to the agency within 20 days after any change in  
31 the method of assuring financial responsibility or upon

1 cancellation or nonrenewal of professional liability  
2 insurance. Unless the pool demonstrates that it is otherwise  
3 in compliance with the requirements of this subsection  
4 ~~section~~, the agency shall suspend the registration of the pool  
5 pursuant to s. 408.814 ~~ss. 120.569 and 120.57~~. Any suspension  
6 under this section shall remain in effect until the pool  
7 demonstrates compliance with the requirements of this  
8 subsection ~~section~~.

9 (c) Proof of financial responsibility must be  
10 demonstrated to the satisfaction of the agency, through one of  
11 the following methods:

12 1. Establishing and maintaining an escrow account  
13 consisting of cash or assets eligible for deposit in  
14 accordance with s. 625.52;

15 2. Obtaining and maintaining an unexpired irrevocable  
16 letter of credit established pursuant to chapter 675. Such  
17 letters of credit shall be nontransferable and nonassignable  
18 and shall be issued by any bank or savings association  
19 organized and existing under the laws of this state or any  
20 bank or savings association organized under the laws of the  
21 United States that has its principal place of business in this  
22 state or has a branch office which is authorized under the  
23 laws of this state or of the United States to receive deposits  
24 in this state; or

25 3. Obtaining and maintaining professional liability  
26 coverage from one of the following:

27 a. An authorized insurer as defined under s. 624.09;

28 b. An eligible surplus lines insurer as defined under  
29 s. 626.918(2);

30 c. A risk retention group or purchasing group as  
31 defined under s. 627.942; or

1           d. A plan of self-insurance as provided in s. 627.357.

2           (d) If financial responsibility requirements are met  
3 by maintaining an escrow account or letter of credit, as  
4 provided in this subsection ~~section~~, upon the entry of an  
5 adverse final judgment arising from a medical malpractice  
6 arbitration award from a claim of medical malpractice either  
7 in contract or tort, or from noncompliance with the terms of a  
8 settlement agreement arising from a claim of medical  
9 malpractice either in contract or tort, the financial  
10 institution holding the escrow account or the letter of credit  
11 shall pay directly to the claimant the entire amount of the  
12 judgment together with all accrued interest or the amount  
13 maintained in the escrow account or letter of credit as  
14 required by this subsection ~~section~~, whichever is less, within  
15 60 days after the date such judgment became final and subject  
16 to execution, unless otherwise mutually agreed to in writing  
17 by the parties. If timely payment is not made, the agency  
18 shall suspend the registration of the pool pursuant to  
19 procedures set forth by the agency through rule. Nothing in  
20 this paragraph shall abrogate a judgment debtor's obligation  
21 to satisfy the entire amount of any judgment.

22           (e) Each health care services pool carrying  
23 claims-made coverage must demonstrate proof of extended  
24 reporting coverage through either tail or nose coverage, in  
25 the event the policy is canceled, replaced, or not renewed.  
26 Such extended coverage shall provide coverage for incidents  
27 that occurred during the claims-made policy period but were  
28 reported after the policy period.

29           (f) The financial responsibility requirements of this  
30 subsection ~~section~~ shall apply to claims for incidents that  
31

1 occur on or after January 1, 1991, or the initial date of  
2 registration in this state, whichever is later.

3 (g) Meeting the financial responsibility requirements  
4 of this subsection ~~section~~ must be established at the time of  
5 issuance or renewal of a certificate of registration.

6 ~~(8)(13)~~ In addition to the requirements of part II of  
7 chapter 408, the agency shall adopt rules to implement this  
8 part ~~section~~, including rules providing for the establishment  
9 of:

10 (a) Minimum standards for the operation and  
11 administration of health care personnel pools, including  
12 procedures for recordkeeping and personnel.

13 (b) Fines for the violation of this part, part II of  
14 chapter 408, or applicable rules ~~section~~ in an amount not to  
15 exceed \$2,500 ~~and suspension or revocation of registration.~~

16 ~~(c) Disciplinary sanctions for failure to comply with~~  
17 ~~this section or the rules adopted under this section.~~

18 Section 122. Paragraph (a) of subsection (4) of  
19 section 400.9905, Florida Statutes, is amended, and paragraph  
20 (1) is added to that subsection, to read:

21 400.9905 Definitions.--

22 (4) "Clinic" means an entity at which health care  
23 services are provided to individuals and which tenders charges  
24 for reimbursement for such services, including a mobile clinic  
25 and a portable equipment provider. For purposes of this part,  
26 the term does not include and the licensure requirements of  
27 this part do not apply to:

28 (a) Entities licensed or registered by the state under  
29 chapter 395; or entities licensed or registered by the state  
30 and providing only health care services within the scope of  
31 services authorized under their respective licenses granted

1 under ss. 383.30-383.335, chapter 390, chapter 394, chapter  
 2 397, this chapter except part X, chapter 429, chapter 463,  
 3 chapter 465, chapter 466, chapter 478, part I of chapter 483,  
 4 chapter 484, or chapter 651; end-stage renal disease providers  
 5 authorized under 42 C.F.R. part 405, subpart U; or providers  
 6 certified under 42 C.F.R. part 485, subpart B or subpart H; or  
 7 any entity that provides neonatal or pediatric hospital-based  
 8 health care services or other health care services by licensed  
 9 practitioners solely within a hospital licensed under chapter  
 10 395.

11 (1) Orthotic or prosthetic clinical facilities that  
 12 are a publicly traded corporation or that are wholly owned,  
 13 directly or indirectly, by a publicly traded corporation. As

 15 corporation that issues securities traded on an exchange  
 16 registered with the United States Securities and Exchange  
 17 Commission as a national securities exchange.

18 Section 123. Section 400.991, Florida Statutes, is  
 19 amended to read:

20 400.991 License requirements; background screenings;  
 21 prohibitions.--

22 (1)(a) The requirements of part II of chapter 408  
 23 apply to the provision of services that require licensure  
 24 pursuant to this part and part II of chapter 408 and to  
 25 entities licensed by or applying for such licensure from the  
 26 agency pursuant to this part. A license issued by the agency  
 27 is required in order to operate a clinic in this state. ~~Each~~  
 28 clinic, as defined in s. 400.9905, must be licensed and shall  
 29 at all times maintain a valid license with the agency. Each  
 30 clinic location shall be licensed separately regardless of  
 31

1 whether the clinic is operated under the same business name or  
2 management as another clinic.

3 (b) Each mobile clinic must obtain a separate health  
4 care clinic license and must provide to the agency, at least  
5 quarterly, its projected street location to enable the agency  
6 to locate and inspect such clinic. A portable equipment  
7 provider must obtain a health care clinic license for a single  
8 administrative office and is not required to submit quarterly  
9 projected street locations.

10 (2) The initial clinic license application shall be  
11 filed with the agency by all clinics, as defined in s.  
12 400.9905, on or before July 1, 2004. ~~A clinic license must be~~  
13 ~~renewed biennially.~~

14 ~~(3) Applicants that submit an application on or before~~  
15 ~~July 1, 2004, which meets all requirements for initial~~  
16 ~~licensure as specified in this section shall receive a~~  
17 ~~temporary license until the completion of an initial~~  
18 ~~inspection verifying that the applicant meets all requirements~~  
19 ~~in rules authorized in s. 400.9925. However, a clinic engaged~~  
20 ~~in magnetic resonance imaging services may not receive a~~  
21 ~~temporary license unless it presents evidence satisfactory to~~  
22 ~~the agency that such clinic is making a good faith effort and~~  
23 ~~substantial progress in seeking accreditation required under~~  
24 ~~s. 400.9935.~~

25 ~~(4) Application for an initial clinic license or for~~  
26 ~~renewal of an existing license shall be notarized on forms~~  
27 ~~furnished by the agency and must be accompanied by the~~  
28 ~~appropriate license fee as provided in s. 400.9925. The agency~~  
29 ~~shall take final action on an initial license application~~  
30 ~~within 60 days after receipt of all required documentation.~~

31

1        ~~(3)(5)~~ The application shall contain information that  
2 includes, but need not be limited to, information pertaining  
3 to the name, residence and business address, phone number,  
4 social security number, and license number of the medical or  
5 clinic director, of the licensed medical providers employed or  
6 under contract with the clinic, ~~and of each person who,~~  
7 ~~directly or indirectly, owns or controls 5 percent or more of~~  
8 ~~an interest in the clinic, or general partners in limited~~  
9 ~~liability partnerships.~~

10        ~~(4)(6)~~ In addition to the requirements of part II of  
11 chapter 408, the applicant must file with the application  
12 satisfactory proof that the clinic is in compliance with this  
13 part and applicable rules, including:

14            (a) A listing of services to be provided either  
15 directly by the applicant or through contractual arrangements  
16 with existing providers;

17            (b) The number and discipline of each professional  
18 staff member to be employed; and

19            (c) Proof of financial ability to operate as required  
20 under s. 408.810(8). ~~An applicant must demonstrate financial~~  
21 ~~ability to operate a clinic by submitting a balance sheet and~~  
22 ~~an income and expense statement for the first year of~~  
23 ~~operation which provide evidence of the applicant's having~~  
24 ~~sufficient assets, credit, and projected revenues to cover~~  
25 ~~liabilities and expenses. The applicant shall have~~  
26 ~~demonstrated financial ability to operate if the applicant's~~  
27 ~~assets, credit, and projected revenues meet or exceed~~  
28 ~~projected liabilities and expenses. All documents required~~  
29 ~~under this subsection must be prepared in accordance with~~  
30 ~~generally accepted accounting principles, may be in a~~  
31 ~~compilation form, and the financial statement must be signed~~

1 | ~~by a certified public accountant.~~ As an alternative to  
2 | submitting proof of financial ability to operate as required  
3 | under s. 408.810(8) a balance sheet and an income and expense  
4 | ~~statement for the first year of operation,~~ the applicant may  
5 | file a surety bond of at least \$500,000 which guarantees that  
6 | the clinic will act in full conformity with all legal  
7 | requirements for operating a clinic, payable to the agency.  
8 | The agency may adopt rules to specify related requirements for  
9 | such surety bond.

10 |       ~~(5)(7)~~ Each applicant for licensure shall comply with  
11 | the following requirements:

12 |           (a) As used in this subsection, the term "applicant"  
13 | means individuals owning or controlling, directly or  
14 | indirectly, 5 percent or more of an interest in a clinic; the  
15 | medical or clinic director, or a similarly titled person who  
16 | is responsible for the day-to-day operation of the licensed  
17 | clinic; the financial officer or similarly titled individual  
18 | who is responsible for the financial operation of the clinic;  
19 | and licensed health care practitioners at the clinic.

20 |           (b) Upon receipt of a completed, signed, and dated  
21 | application, the agency shall require background screening of  
22 | the applicant, in accordance with the level 2 standards for  
23 | screening set forth in chapter 435. Proof of compliance with  
24 | the level 2 background screening requirements of chapter 435  
25 | which has been submitted within the previous 5 years in  
26 | compliance with any other health care licensure requirements  
27 | of this state is acceptable in fulfillment of this paragraph.  
28 | Applicants who own less than 10 percent of a health care  
29 | clinic are not required to submit fingerprints under this  
30 | section.

31 |

1           (c) Each applicant must submit to the agency, with the  
2 application, a description and explanation of any exclusions,  
3 permanent suspensions, or terminations of an applicant from  
4 the Medicare or Medicaid programs. Proof of compliance with  
5 the requirements for disclosure of ownership and control  
6 interest under the Medicaid or Medicare programs may be  
7 accepted in lieu of this submission. The description and  
8 explanation may indicate whether such exclusions, suspensions,  
9 or terminations were voluntary or not voluntary on the part of  
10 the applicant.

11           (d) A license may not be granted to a clinic if the  
12 applicant has been found guilty of, regardless of  
13 adjudication, or has entered a plea of nolo contendere or  
14 guilty to, any offense prohibited under the level 2 standards  
15 for screening set forth in chapter 435, or a violation of  
16 insurance fraud under s. 817.234, within the past 5 years. If  
17 the applicant has been convicted of an offense prohibited  
18 under the level 2 standards or insurance fraud in any  
19 jurisdiction, the applicant must show that his or her civil  
20 rights have been restored prior to submitting an application.

21           ~~(e) The agency may deny or revoke licensure if the~~  
22 ~~applicant has falsely represented any material fact or omitted~~  
23 ~~any material fact from the application required by this part.~~

24           ~~(8) Requested information omitted from an application~~  
25 ~~for licensure, license renewal, or transfer of ownership must~~  
26 ~~be filed with the agency within 21 days after receipt of the~~  
27 ~~agency's request for omitted information, or the application~~  
28 ~~shall be deemed incomplete and shall be withdrawn from further~~  
29 ~~consideration.~~

30  
31

1           ~~(9) The failure to file a timely renewal application~~  
 2 ~~shall result in a late fee charged to the facility in an~~  
 3 ~~amount equal to 50 percent of the current license fee.~~

4           Section 124. Section 400.9915, Florida Statutes, is  
 5 amended to read:

6           400.9915 ~~Clinic inspections;~~ Emergency suspension;  
 7 costs.--

8           ~~(1) Any authorized officer or employee of the agency~~  
 9 ~~shall make inspections of the clinic as part of the initial~~  
 10 ~~license application or renewal application. The application~~  
 11 ~~for a clinic license issued under this part or for a renewal~~  
 12 ~~license constitutes permission for an appropriate agency~~  
 13 ~~inspection to verify the information submitted on or in~~  
 14 ~~connection with the application or renewal.~~

15           ~~(2) An authorized officer or employee of the agency~~  
 16 ~~may make unannounced inspections of clinics licensed pursuant~~  
 17 ~~to this part as are necessary to determine that the clinic is~~  
 18 ~~in compliance with this part and with applicable rules. A~~  
 19 ~~licensed clinic shall allow full and complete access to the~~  
 20 ~~premises and to billing records or information to any~~  
 21 ~~representative of the agency who makes an inspection to~~  
 22 ~~determine compliance with this part and with applicable rules.~~

23           ~~(1)(3) Failure by a clinic licensed under this part to~~  
 24 ~~allow full and complete access to the premises and to billing~~  
 25 ~~records or information to any representative of the agency who~~  
 26 ~~makes a request to inspect the clinic to determine compliance~~  
 27 ~~with this part or failure by a clinic to employ a qualified~~  
 28 ~~medical director or clinic director constitutes a ground for~~  
 29 ~~emergency suspension of the license by the agency pursuant to~~  
 30 ~~s. 408.814 ~~s. 120.60(6).~~~~

31

1           ~~(2)(4)~~ In addition to any administrative fines imposed  
2 pursuant to this part or part II of chapter 408, the agency  
3 may assess a fee equal to the cost of conducting a complaint  
4 investigation.

5           Section 125. Section 400.992, Florida Statutes, is  
6 repealed.

7           Section 126. Section 400.9925, Florida Statutes, is  
8 amended to read:

9           400.9925 Rulemaking authority; license fees.--

10           (1) The agency shall adopt rules necessary to  
11 administer the clinic administration, regulation, and  
12 licensure program, including rules pursuant to this part and  
13 part II of chapter 408, establishing the specific licensure  
14 requirements, procedures, forms, and fees. It shall adopt  
15 rules establishing a procedure for the biennial renewal of  
16 licenses. The agency may issue initial licenses for less than  
17 the full 2-year period by charging a prorated licensure fee  
18 and specifying a different renewal date than would otherwise  
19 be required for biennial licensure. The rules shall specify  
20 the expiration dates of licenses, the process of tracking  
21 compliance with financial responsibility requirements, and any  
22 other conditions of renewal required by law or rule.

23           (2) The agency shall adopt rules specifying  
24 limitations on the number of licensed clinics and licensees  
25 for which a medical director or a clinic director may assume  
26 responsibility for purposes of this part. In determining the  
27 quality of supervision a medical director or a clinic director  
28 can provide, the agency shall consider the number of clinic  
29 employees, the clinic location, and the health care services  
30 provided by the clinic.

31

1           (3) In accordance with s. 408.805, an applicant or a  
 2 licensee shall pay a fee for each license application  
 3 submitted under this part, part II of chapter 408, and  
 4 applicable rules. The amount of the fee shall be established  
 5 by rule and may not exceed \$2,000. ~~License application and~~  
 6 ~~renewal fees must be reasonably calculated by the agency to~~  
 7 ~~cover its costs in carrying out its responsibilities under~~  
 8 ~~this part, including the cost of licensure, inspection, and~~  
 9 ~~regulation of clinics, and must be of such amount that the~~  
 10 ~~total fees collected do not exceed the cost of administering~~  
 11 ~~and enforcing compliance with this part. Clinic licensure fees~~  
 12 ~~are nonrefundable and may not exceed \$2,000. The agency shall~~  
 13 ~~adjust the license fee annually by not more than the change in~~  
 14 ~~the Consumer Price Index based on the 12 months immediately~~  
 15 ~~preceding the increase. All fees collected under this part~~  
 16 ~~must be deposited in the Health Care Trust Fund for the~~  
 17 ~~administration of this part.~~

18           Section 127. Section 400.993, Florida Statutes, is  
 19 amended to read:

20           400.993 Unlicensed clinics; reporting penalties;  
 21 finer; verification of licensure status.--

22           ~~(1) It is unlawful to own, operate, or maintain a~~  
 23 ~~clinic without obtaining a license under this part.~~

24           (1)(2) Any person who violates s. 408.812 regarding  
 25 unlicensed activity owns, operates, or maintains an unlicensed  
 26 elinie commits a felony of the third degree, punishable as  
 27 provided in s. 775.082, s. 775.083, or s. 775.084. Each day of  
 28 continued operation is a separate offense.

29           (2)(3) Any person found guilty of violating s. 408.812  
 30 subsection (2) a second or subsequent time commits a felony of  
 31 the second degree, punishable as provided under s. 775.082, s.

1 775.083, or s. 775.084. Each day of continued operation is a  
2 separate offense.

3 ~~(4) Any person who owns, operates, or maintains an~~  
4 ~~unlicensed clinic due to a change in this part or a~~  
5 ~~modification in agency rules within 6 months after the~~  
6 ~~effective date of such change or modification and who, within~~  
7 ~~10 working days after receiving notification from the agency,~~  
8 ~~fails to cease operation or apply for a license under this~~  
9 ~~part commits a felony of the third degree, punishable as~~  
10 ~~provided in s. 775.082, s. 775.083, or s. 775.084. Each day of~~  
11 ~~continued operation is a separate offense.~~

12 ~~(5) Any clinic that fails to cease operation after~~  
13 ~~agency notification may be fined for each day of noncompliance~~  
14 ~~pursuant to this part.~~

15 ~~(6) When a person has an interest in more than one~~  
16 ~~clinic, and fails to obtain a license for any one of these~~  
17 ~~clinics, the agency may revoke the license, impose a~~  
18 ~~moratorium, or impose a fine pursuant to this part on any or~~  
19 ~~all of the licensed clinics until such time as the unlicensed~~  
20 ~~clinic is licensed or ceases operation.~~

21 ~~(7) Any person aware of the operation of an unlicensed~~  
22 ~~clinic must report that facility to the agency.~~

23 ~~(3)(8)~~ In addition to the requirements of part II of  
24 chapter 408, any health care provider who is aware of the  
25 operation of an unlicensed clinic shall report that facility  
26 to the agency. Failure to report a clinic that the provider  
27 knows or has reasonable cause to suspect is unlicensed shall  
28 be reported to the provider's licensing board.

29 ~~(9) The agency may not issue a license to a clinic~~  
30 ~~that has any unpaid fines assessed under this part.~~

31

1           Section 128. Section 400.9935, Florida Statutes, is  
2 amended to read:

3           400.9935 Clinic responsibilities.--

4           (1) Each clinic shall appoint a medical director or  
5 clinic director who shall agree in writing to accept legal  
6 responsibility for the following activities on behalf of the  
7 clinic. The medical director or the clinic director shall:

8           (a) Have signs identifying the medical director or  
9 clinic director posted in a conspicuous location within the  
10 clinic readily visible to all patients.

11           (b) Ensure that all practitioners providing health  
12 care services or supplies to patients maintain a current  
13 active and unencumbered Florida license.

14           (c) Review any patient referral contracts or  
15 agreements executed by the clinic.

16           (d) Ensure that all health care practitioners at the  
17 clinic have active appropriate certification or licensure for  
18 the level of care being provided.

19           (e) Serve as the clinic records owner as defined in s.  
20 456.057.

21           (f) Ensure compliance with the recordkeeping, office

23 chapter 456, the respective practice acts, and rules adopted  
24 under this part and part II of chapter 408.

25           (g) Conduct systematic reviews of clinic billings to  
26 ensure that the billings are not fraudulent or unlawful. Upon  
27 discovery of an unlawful charge, the medical director or  
28 clinic director shall take immediate corrective action. If the  
29 clinic performs only the technical component of magnetic  
30 resonance imaging, static radiographs, computed tomography, or  
31 positron emission tomography, and provides the professional

1 interpretation of such services, in a fixed facility that is  
2 accredited by the Joint Commission on Accreditation of  
3 Healthcare Organizations or the Accreditation Association for  
4 Ambulatory Health Care, and the American College of Radiology;  
5 and if, in the preceding quarter, the percentage of scans  
6 performed by that clinic which was billed to all personal  
7 injury protection insurance carriers was less than 15 percent,  
8 the chief financial officer of the clinic may, in a written  
9 acknowledgment provided to the agency, assume the  
10 responsibility for the conduct of the systematic reviews of  
11 clinic billings to ensure that the billings are not fraudulent  
12 or unlawful.

13 (h) Not refer a patient to the clinic if the clinic  
14 performs magnetic resonance imaging, static radiographs,  
15 computed tomography, or positron emission tomography. The term  
16 "refer a patient" means the referral of one or more patients  
17 of the medical or clinical director or a member of the medical  
18 or clinical director's group practice to the clinic for  
19 magnetic resonance imaging, static radiographs, computed  
20 tomography, or positron emission tomography. A medical  
21 director who is found to violate this paragraph commits a  
22 felony of the third degree, punishable as provided in s.

24 ~~(2) Any business that becomes a clinic after~~  
25 ~~commencing operations must, within 5 days after becoming a~~  
26 ~~clinic, file a license application under this part and shall~~  
27 ~~be subject to all provisions of this part applicable to a~~  
28 ~~clinic.~~

29 (2)(3) Any contract to serve as a medical director or  
30 a clinic director entered into or renewed by a physician or a  
31 licensed health care practitioner in violation of this part is

1 void as contrary to public policy. This subsection shall apply  
2 to contracts entered into or renewed on or after March 1,  
3 2004.

4 ~~(3)(4)~~ All charges or reimbursement claims made by or  
5 on behalf of a clinic that is required to be licensed under  
6 this part, but that is not so licensed, or that is otherwise  
7 operating in violation of this part, are unlawful charges, and  
8 therefore are noncompensable and unenforceable.

9 ~~(4)(5)~~ In addition to the requirements of s. 408.812,  
10 any person establishing, operating, or managing an unlicensed  
11 clinic otherwise required to be licensed under this part or  
12 part II of chapter 408, or any person who knowingly files a  
13 false or misleading license application or license renewal  
14 application, or false or misleading information related to  
15 such application or department rule, commits a felony of the  
16 third degree, punishable as provided in s. 775.082, s.  
17 775.083, or s. 775.084.

18 ~~(5)(6)~~ Any licensed health care provider who violates  
19 this part is subject to discipline in accordance with this  
20 chapter and his or her respective practice act.

21 ~~(7) The agency may fine, or suspend or revoke the~~  
22 ~~license of, any clinic licensed under this part for operating~~  
23 ~~in violation of the requirements of this part or the rules~~  
24 ~~adopted by the agency.~~

25 ~~(8) The agency shall investigate allegations of~~  
26 ~~noncompliance with this part and the rules adopted under this~~  
27 ~~part.~~

28 ~~(6)(9)~~ Any person or entity providing health care  
29 services which is not a clinic, as defined under s. 400.9905,  
30 may voluntarily apply for a certificate of exemption from  
31 licensure under its exempt status with the agency on a form

1 that sets forth its name or names and addresses, a statement  
2 of the reasons why it cannot be defined as a clinic, and other  
3 information deemed necessary by the agency. An exemption is  
4 not transferable. The agency may charge an applicant for a  
5 certificate of exemption in an amount equal to \$100 or the  
6 actual cost of processing the certificate, whichever is less.

7 ~~(10) The clinic shall display its license in a~~  
8 ~~conspicuous location within the clinic readily visible to all~~  
9 ~~patients.~~

10 (7)~~(11)~~(a) Each clinic engaged in magnetic resonance  
11 imaging services must be accredited by the Joint Commission on  
12 Accreditation of Healthcare Organizations, the American  
13 College of Radiology, or the Accreditation Association for  
14 Ambulatory Health Care, within 1 year after licensure.  
15 However, a clinic may request a single, 6-month extension if  
16 it provides evidence to the agency establishing that, for good  
17 cause shown, such clinic can not be accredited within 1 year  
18 after licensure, and that such accreditation will be completed  
19 within the 6-month extension. After obtaining accreditation as  
20 required by this subsection, each such clinic must maintain  
21 accreditation as a condition of renewal of its license.

22 (b) The agency may deny the application or revoke the  
23 license of any entity formed for the purpose of avoiding  
24 compliance with the accreditation provisions of this  
25 subsection and whose principals were previously principals of  
26 an entity that was unable to meet the accreditation  
27 requirements within the specified timeframes. The agency may  
28 adopt rules as to the accreditation of magnetic resonance  
29 imaging clinics.

30 (8)~~(12)~~ The agency shall give full faith and credit  
31 pertaining to any past variance and waiver granted to a

1 magnetic resonance imaging clinic from rule 64-2002, Florida  
 2 Administrative Code, by the Department of Health, until  
 3 September 2004. After that date, such clinic must request a  
 4 variance and waiver from the agency under s. 120.542.

5 ~~(9)(13)~~ In addition to the requirements of part II of  
 6 chapter 408, the clinic shall display a sign in a conspicuous  
 7 location within the clinic readily visible to all patients  
 8 indicating that, pursuant to s. 626.9892, the Department of  
 9 Financial Services may pay rewards of up to \$25,000 to persons  
 10 providing information leading to the arrest and conviction of  
 11 persons committing crimes investigated by the Division of  
 12 Insurance Fraud arising from violations of s. 440.105, s.  
 13 624.15, s. 626.9541, s. 626.989, or s. 817.234. An authorized  
 14 employee of the Division of Insurance Fraud may make  
 15 unannounced inspections of a clinic licensed under this part  
 16 as necessary to determine whether the clinic is in compliance  
 17 with this subsection. A licensed clinic shall allow full and  
 18 complete access to the premises to such authorized employee of  
 19 the division who makes an inspection to determine compliance  
 20 with this subsection.

21 Section 129. Section 400.994, Florida Statutes, is  
 22 repealed.

23 Section 130. Section 400.9945, Florida Statutes, is  
 24 repealed.

25 Section 131. Section 400.995, Florida Statutes, is  
 26 amended to read:

27 400.995 Agency administrative penalties.--

28 (1) In addition to the requirements of part II of  
 29 chapter 408, the agency may deny the application for a license  
 30 renewal, revoke and ~~or~~ suspend the license, and impose  
 31 administrative fines of up to \$5,000 per violation for

1 | violations of the requirements of this part or rules of the  
2 | agency. In determining if a penalty is to be imposed and in  
3 | fixing the amount of the fine, the agency shall consider the  
4 | following factors:

5 |       (a) The gravity of the violation, including the  
6 | probability that death or serious physical or emotional harm  
7 | to a patient will result or has resulted, the severity of the  
8 | action or potential harm, and the extent to which the  
9 | provisions of the applicable laws or rules were violated.

10 |       (b) Actions taken by the owner, medical director, or  
11 | clinic director to correct violations.

12 |       (c) Any previous violations.

13 |       (d) The financial benefit to the clinic of committing  
14 | or continuing the violation.

15 |       (2) Each day of continuing violation after the date  
16 | fixed for termination of the violation, as ordered by the  
17 | agency, constitutes an additional, separate, and distinct  
18 | violation.

19 |       (3) Any action taken to correct a violation shall be  
20 | documented in writing by the owner, medical director, or  
21 | clinic director of the clinic and verified through followup  
22 | visits by agency personnel. The agency may impose a fine and,  
23 | in the case of an owner-operated clinic, revoke or deny a  
24 | clinic's license when a clinic medical director or clinic  
25 | director knowingly misrepresents actions taken to correct a  
26 | violation.

27 |       ~~(4) For fines that are upheld following administrative~~  
28 | ~~or judicial review, the violator shall pay the fine, plus~~  
29 | ~~interest at the rate as specified in s. 55.03, for each day~~  
30 | ~~beyond the date set by the agency for payment of the fine.~~

31 |

1           ~~(5) Any unlicensed clinic that continues to operate~~  
2 ~~after agency notification is subject to a \$1,000 fine per day.~~

3           (4)(6) Any licensed clinic whose owner, medical

8 change-of-ownership license in accordance with s. 400.992 and

11           (6)(8) The agency, as an alternative to or in  
12 conjunction with an administrative action against a clinic for  
13 violations of this part and adopted rules, shall make a  
14 reasonable attempt to discuss each violation and recommended  
15 corrective action with the owner, medical director, or clinic  
16 director of the clinic, prior to written notification. The  
17 agency, instead of fixing a period within which the clinic  
18 shall enter into compliance with standards, may request a plan  
19 of corrective action from the clinic which demonstrates a good  
20 faith effort to remedy each violation by a specific date,  
21 subject to the approval of the agency.

22           ~~(9) Administrative fines paid by any clinic under this~~

8 of the state by Title XIX of the Social Security Act,  
9 furnished by Medicaid providers to recipients who are  
10 determined to be eligible on the dates on which the services  
11 were provided. Any service under this section shall be  
12 provided only when medically necessary and in accordance with  
13 state and federal law. Mandatory services rendered by  
14 providers in mobile units to Medicaid recipients may be  
15 restricted by the agency. Nothing in this section shall be  
16 construed to prevent or limit the agency from adjusting fees,  
17 reimbursement rates, lengths of stay, number of visits, number  
18 of services, or any other adjustments necessary to comply with  
19 the availability of moneys and any limitations or directions  
20 provided for in the General Appropriations Act or chapter 216.

21           (8) NURSING FACILITY SERVICES.--The agency shall pay  
22 for 24-hour-a-day nursing and rehabilitative services for a

27 licensed under part I of chapter 395, and in accordance with  
28 provisions set forth in s. 409.908(2)(a), which services are  
29 ordered by and provided under the direction of a licensed  
30 physician. However, if a nursing facility has been destroyed  
31 or otherwise made uninhabitable by natural disaster or other

1 emergency and another nursing facility is not available, the  
2 agency must pay for similar services temporarily in a hospital  
3 licensed under part I of chapter 395 provided federal funding  
4 is approved and available. The agency shall pay only for  
5 bed-hold days if the facility has an occupancy rate of 95  
6 percent or greater. The agency is authorized to seek any  
7 federal waivers to implement this policy.

8 Section 137. Subsection (7) of section 409.907,  
9 Florida Statutes, is amended to read:

10 409.907 Medicaid provider agreements.--The agency may  
11 make payments for medical assistance and related services  
12 rendered to Medicaid recipients only to an individual or  
13 entity who has a provider agreement in effect with the agency,  
14 who is performing services or supplying goods in accordance  
15 with federal, state, and local law, and who agrees that no  
16 person shall, on the grounds of handicap, race, color, or  
17 national origin, or for any other reason, be subjected to  
18 discrimination under any program or activity for which the  
19 provider receives payment from the agency.

20 (7) The agency may require, as a condition of  
21 participating in the Medicaid program and before entering into  
22 the provider agreement, that the provider submit information,  
23 in an initial and any required renewal applications,  
24 concerning the professional, business, and personal background  
25 of the provider and permit an onsite inspection of the  
26 provider's service location by agency staff or other personnel  
27 designated by the agency to perform this function. The agency  
28 shall perform a random onsite inspection, within 60 days after  
29 receipt of a fully complete new provider's application, of the  
30 provider's service location prior to making its first payment  
31 to the provider for Medicaid services to determine the

1 applicant's ability to provide the services that the applicant  
2 is proposing to provide for Medicaid reimbursement. The agency  
3 is not required to perform an onsite inspection of a provider  
4 or program that is licensed by the agency, that provides  
5 services under waiver programs for home and community-based  
6 services, or that is licensed as a medical foster home by the  
7 Department of Children and Family Services. As a continuing  
8 condition of participation in the Medicaid program, a provider  
9 shall immediately notify the agency of any current or pending  
10 bankruptcy filing. Before entering into the provider  
11 agreement, or as a condition of continuing participation in  
12 the Medicaid program, the agency may also require that  
13 Medicaid providers reimbursed on a fee-for-services basis or  
14 fee schedule basis which is not cost-based, post a surety bond  
15 not to exceed \$50,000 or the total amount billed by the  
16 provider to the program during the current or most recent  
17 calendar year, whichever is greater. For new providers, the  
18 amount of the surety bond shall be determined by the agency  
19 based on the provider's estimate of its first year's billing.  
20 If the provider's billing during the first year exceeds the  
21 bond amount, the agency may require the provider to acquire an  
22 additional bond equal to the actual billing level of the  
23 provider. A provider's bond shall not exceed \$50,000 if a  
24 physician or group of physicians licensed under chapter 458,  
25 chapter 459, or chapter 460 has a 50 percent or greater  
26 ownership interest in the provider or if the provider is an  
27 assisted living facility licensed under chapter 429. The bonds  
28 permitted by this section are in addition to the bonds  
29 referenced in s. 400.179(2)(~~5~~)(d). If the provider is a  
30 corporation, partnership, association, or other entity, the  
31 agency may require the provider to submit information

1 concerning the background of that entity and of any principal  
2 of the entity, including any partner or shareholder having an  
3 ownership interest in the entity equal to 5 percent or  
4 greater, and any treating provider who participates in or  
5 intends to participate in Medicaid through the entity. The  
6 information must include:

7 (a) Proof of holding a valid license or operating  
8 certificate, as applicable, if required by the state or local  
9 jurisdiction in which the provider is located or if required  
10 by the Federal Government.

11 (b) Information concerning any prior violation, fine,  
12 suspension, termination, or other administrative action taken  
13 under the Medicaid laws, rules, or regulations of this state  
14 or of any other state or the Federal Government; any prior  
15 violation of the laws, rules, or regulations relating to the  
16 Medicare program; any prior violation of the rules or  
17 regulations of any other public or private insurer; and any  
18 prior violation of the laws, rules, or regulations of any  
19 regulatory body of this or any other state.

20 (c) Full and accurate disclosure of any financial or  
21 ownership interest that the provider, or any principal,  
22 partner, or major shareholder thereof, may hold in any other  
23 Medicaid provider or health care related entity or any other  
24 entity that is licensed by the state to provide health or  
25 residential care and treatment to persons.

26 (d) If a group provider, identification of all members  
27 of the group and attestation that all members of the group are  
28 enrolled in or have applied to enroll in the Medicaid program.

29 Section 138. Subsections (6) through (27) of section  
30 429.02, Florida Statutes, are renumbered as subsections (5)

31

1 through (26), respectively, and present subsections (5) and  
 2 (12) of that section are amended to read:

3 429.02 Definitions.--When used in this part, the term:

4 ~~(5) "Applicant" means an individual owner,~~  
 5 ~~corporation, partnership, firm, association, or governmental~~  
 6 ~~entity that applies for a license.~~

7 ~~(11)(12)~~ "Extended congregate care" means acts beyond  
 8 those authorized in subsection ~~(16)(17)~~ that may be performed  
 9 pursuant to part I of chapter 464 by persons licensed  
 10 thereunder while carrying out their professional duties, and  
 11 other supportive services which may be specified by rule. The  
 12 purpose of such services is to enable residents to age in  
 13 place in a residential environment despite mental or physical  
 14 limitations that might otherwise disqualify them from  
 15 residency in a facility licensed under this part.

16 Section 139. Section 429.07, Florida Statutes, is  
 17 amended to read:

18 429.07 License required; fee, ~~display~~.--

19 (1) The requirements of part II of chapter 408 apply  
 20 to the provision of services that require licensure pursuant  
 21 to this part and part II of chapter 408 and to entities  
 22 licensed by or applying for such licensure from the agency  
 23 pursuant to this part. A license issued by the agency is  
 24 required in order to operate ~~for~~ an assisted living facility  
 25 ~~operating~~ in this state.

26 (2) Separate licenses shall be required for facilities  
 27 maintained in separate premises, even though operated under  
 28 the same management. A separate license shall not be required  
 29 for separate buildings on the same grounds.

30 (3) In addition to the requirements of s. 408.806,  
 31 each ~~Any~~ license granted by the agency must state ~~the maximum~~

1 ~~resident capacity of the facility,~~ the type of care for which  
2 the license is granted, ~~the date the license is issued, the~~  
3 ~~expiration date of the license, and any other information~~  
4 ~~deemed necessary by the agency.~~ Licenses shall be issued for  
5 one or more of the following categories of care: standard,  
6 extended congregate care, limited nursing services, or limited  
7 mental health.

8 (a) A standard license shall be issued to facilities  
9 providing one or more of the personal services identified in  
10 s. 429.02. Such facilities may also employ or contract with a  
11 person licensed under part I of chapter 464 to administer  
12 medications and perform other tasks as specified in s.  
13 429.255.

14 (b) An extended congregate care license shall be  
15 issued to facilities providing, directly or through contract,  
16 services beyond those authorized in paragraph (a), including  
17 acts performed pursuant to part I of chapter 464 by persons  
18 licensed thereunder, and supportive services defined by rule  
19 to persons who otherwise would be disqualified from continued  
20 residence in a facility licensed under this part.

21 1. In order for extended congregate care services to  
22 be provided in a facility licensed under this part, the agency  
23 must first determine that all requirements established in law  
24 and rule are met and must specifically designate, on the  
25 facility's license, that such services may be provided and  
26 whether the designation applies to all or part of a facility.  
27 Such designation may be made at the time of initial licensure  
28 or relicensure, or upon request in writing by a licensee under  
29 this part and part II of chapter 408. Notification of approval  
30 or denial of such request shall be made in accordance with  
31 part II of chapter 408 ~~within 90 days after receipt of such~~

1 ~~request and all necessary documentation.~~ Existing facilities  
2 qualifying to provide extended congregate care services must  
3 have maintained a standard license and may not have been  
4 subject to administrative sanctions during the previous 2  
5 years, or since initial licensure if the facility has been  
6 licensed for less than 2 years, for any of the following  
7 reasons:

- 8 a. A class I or class II violation;
- 9 b. Three or more repeat or recurring class III  
10 violations of identical or similar resident care standards as  
11 specified in rule from which a pattern of noncompliance is  
12 found by the agency;
- 13 c. Three or more class III violations that were not  
14 corrected in accordance with the corrective action plan  
15 approved by the agency;
- 16 d. Violation of resident care standards resulting in a  
17 requirement to employ the services of a consultant pharmacist  
18 or consultant dietitian;
- 19 e. Denial, suspension, or revocation of a license for  
20 another facility under this part in which the applicant for an  
21 extended congregate care license has at least 25 percent  
22 ownership interest; or
- 23 f. Imposition of a moratorium pursuant to this part or  
24 part II of chapter 408 on admissions or initiation of  
25 injunctive proceedings.

26 2. Facilities that are licensed to provide extended  
27 congregate care services shall maintain a written progress  
28 report on each person who receives such services, which report  
29 describes the type, amount, duration, scope, and outcome of  
30 services that are rendered and the general status of the  
31 resident's health. A registered nurse, or appropriate

1 | designee, representing the agency shall visit such facilities  
2 | at least quarterly to monitor residents who are receiving  
3 | extended congregate care services and to determine if the  
4 | facility is in compliance with this part, part II of chapter  
5 | 408, and ~~with~~ rules that relate to extended congregate care.  
6 | One of these visits may be in conjunction with the regular  
7 | survey. The monitoring visits may be provided through  
8 | contractual arrangements with appropriate community agencies.  
9 | A registered nurse shall serve as part of the team that  
10 | inspects such facility. The agency may waive one of the  
11 | required yearly monitoring visits for a facility that has been  
12 | licensed for at least 24 months to provide extended congregate  
13 | care services, if, during the inspection, the registered nurse  
14 | determines that extended congregate care services are being  
15 | provided appropriately, and if the facility has no class I or  
16 | class II violations and no uncorrected class III violations.  
17 | Before such decision is made, the agency shall consult with  
18 | the long-term care ombudsman council for the area in which the  
19 | facility is located to determine if any complaints have been  
20 | made and substantiated about the quality of services or care.  
21 | The agency may not waive one of the required yearly monitoring  
22 | visits if complaints have been made and substantiated.

23 |         3. Facilities that are licensed to provide extended  
24 | congregate care services shall:

25 |             a. Demonstrate the capability to meet unanticipated  
26 | resident service needs.

27 |             b. Offer a physical environment that promotes a  
28 | homelike setting, provides for resident privacy, promotes  
29 | resident independence, and allows sufficient congregate space  
30 | as defined by rule.

31 |

1           c. Have sufficient staff available, taking into  
2 account the physical plant and firesafety features of the  
3 building, to assist with the evacuation of residents in an  
4 emergency, as necessary.

5           d. Adopt and follow policies and procedures that  
6 maximize resident independence, dignity, choice, and  
7 decisionmaking to permit residents to age in place to the  
8 extent possible, so that moves due to changes in functional  
9 status are minimized or avoided.

10          e. Allow residents or, if applicable, a resident's  
11 representative, designee, surrogate, guardian, or attorney in  
12 fact to make a variety of personal choices, participate in  
13 developing service plans, and share responsibility in  
14 decisionmaking.

15          f. Implement the concept of managed risk.

16          g. Provide, either directly or through contract, the  
17 services of a person licensed pursuant to part I of chapter  
18 464.

19          h. In addition to the training mandated in s. 429.52,  
20 provide specialized training as defined by rule for facility  
21 staff.

22          4. Facilities licensed to provide extended congregate  
23 care services are exempt from the criteria for continued  
24 residency as set forth in rules adopted under s. 429.41.  
25 Facilities so licensed shall adopt their own requirements  
26 within guidelines for continued residency set forth by ~~the~~  
27 ~~department in~~ rule. However, such facilities may not serve  
28 residents who require 24-hour nursing supervision. Facilities  
29 licensed to provide extended congregate care services shall  
30 provide each resident with a written copy of facility policies  
31 governing admission and retention.

1           5. The primary purpose of extended congregate care  
2 services is to allow residents, as they become more impaired,  
3 the option of remaining in a familiar setting from which they  
4 would otherwise be disqualified for continued residency. A  
5 facility licensed to provide extended congregate care services  
6 may also admit an individual who exceeds the admission  
7 criteria for a facility with a standard license, if the  
8 individual is determined appropriate for admission to the  
9 extended congregate care facility.

10           6. Before admission of an individual to a facility  
11 licensed to provide extended congregate care services, the  
12 individual must undergo a medical examination as provided in  
13 s. 429.26(4) and the facility must develop a preliminary  
14 service plan for the individual.

15           7. When a facility can no longer provide or arrange  
16 for services in accordance with the resident's service plan  
17 and needs and the facility's policy, the facility shall make

1 ~~has been convicted of any such offense, the facility shall~~  
2 ~~submit to the agency a description and explanation of the~~  
3 ~~conviction at the time of license application. This~~  
4 ~~subparagraph does not apply to a board member of a~~

28 ~~Investigation portions of a level 2 background check.~~

29 ~~(c) The agency may grant a provisional license to a~~  
30 ~~facility applying for an initial license when each individual~~  
31 ~~required by this subsection to undergo screening has completed~~

1 ~~the Department of Law Enforcement background checks, but has~~  
2 ~~not yet received results from the Federal Bureau of~~  
3 ~~Investigation, or when a request for an exemption from~~  
4 ~~disqualification has been submitted to the agency pursuant to~~  
5 ~~s. 435.07, but a response has not been issued.~~

17 professional license and an affidavit of current compliance  
18 with the background screening requirements.

19 ~~(2)(b)~~ The person required to be screened has been  
20 continuously employed in the same type of occupation for which  
21 the person is seeking employment without a breach in service  
22 which exceeds 180 days, and proof of compliance with the level  
23 1 screening requirement which is no more than 2 years old is  
24 provided. Proof of compliance shall be provided directly from  
25 one employer or contractor to another, and not from the person  
26 screened. Upon request, a copy of screening results shall be  
27 provided by the employer retaining documentation of the  
28 screening to the person screened.

29 ~~(3)(c)~~ The person required to be screened is employed  
30 by a corporation or business entity or related corporation or

 2 level 1 screening was conducted by the corporation or business  
 3 entity as a condition of initial or continued employment.

4 Section 148. Section 429.176, Florida Statutes, is

 8 administrators, the owner must notify the agency of the change  
 9 within 10 days and provide documentation within 90 days that  
 10 the new administrator has completed the applicable core

17 ~~(1) Income from license fees, inspection fees, late~~  
 18 ~~fees, and administrative fines collected under this part~~  
 19 ~~generated pursuant to ss. 429.07, 429.08, 429.17, 429.19, and~~  
 20 ~~429.31 shall be deposited in the Health Care Trust Fund~~  
 21 ~~administered by the agency. Such funds shall be directed to~~  
 22 and used by the agency for the following purposes:

23 ~~(1)(a)~~ Up to 50 percent of the trust funds accrued  
 24 each fiscal year under this part may be used to offset the  
 25 expenses of receivership, pursuant to s. 429.22, if the court  
 26 determines that the income and assets of the facility are  
 27 insufficient to provide for adequate management and operation.

28 ~~(2)(b)~~ An amount of \$5,000 of the trust funds accrued  
 29 each year under this part shall be allocated to pay for  
 30 inspection-related physical and mental health examinations  
 31 requested by the agency pursuant to s. 429.26 for residents

1 who are either recipients of supplemental security income or

 10 costs of the licensure program, ~~including the costs of~~  
 11 ~~conducting background investigations~~, verifying information  
 12 submitted, defraying the costs of processing the names of  
 13 applicants, and conducting inspections and monitoring visits  
 14 pursuant to this part and part II of chapter 408.

15 ~~(2) Income from fees generated pursuant to s.~~  
 16 ~~429.41(5) shall be deposited in the Health Care Trust Fund and~~  
 17 ~~used to offset the costs of printing and postage.~~

18 Section 150. Section 429.19, Florida Statutes, is  
 19 amended to read:

20 429.19 Violations; imposition of administrative fines;  
 21 grounds.--

22 (1) In addition to the requirements of part II of  
 23 chapter 408, the agency shall impose an administrative fine in  
 24 the manner provided in chapter 120 for the violation of any  
 25 provision of this part, part II of chapter 408, and applicable  
 26 rules any of the actions or violations as set forth within  
 27 ~~this section~~ by an assisted living facility, for the actions  
 28 of any person subject to level 2 background screening under s.  
 29 408.809 s. 429.174, for the actions of any facility employee,  
 30 or for an intentional or negligent act seriously affecting the  
 31 health, safety, or welfare of a resident of the facility.

1           (2) Each violation of this part and adopted rules  
2 shall be classified according to the nature of the violation  
3 and the gravity of its probable effect on facility residents.  
4 The agency shall indicate the classification on the written  
5 notice of the violation as follows:

6           (a) Class "I" violations are those conditions or  
7 occurrences related to the operation and maintenance of a  
8 facility or to the personal care of residents which the agency  
9 determines present an imminent danger to the residents or  
10 guests of the facility or a substantial probability that death  
11 or serious physical or emotional harm would result therefrom.  
12 The condition or practice constituting a class I violation  
13 shall be abated or eliminated within 24 hours, unless a fixed  
14 period, as determined by the agency, is required for  
15 correction. The agency shall impose an administrative fine for  
16 a cited class I violation in an amount not less than \$5,000  
17 and not exceeding \$10,000 for each violation. A fine may be  
18 levied notwithstanding the correction of the violation.

19           (b) Class "II" violations are those conditions or  
20 occurrences related to the operation and maintenance of a  
21 facility or to the personal care of residents which the agency  
22 determines directly threaten the physical or emotional health,  
23 safety, or security of the facility residents, other than  
24 class I violations. The agency shall impose an administrative  
25 fine for a cited class II violation in an amount not less than  
26 \$1,000 and not exceeding \$5,000 for each violation. A fine  
27 shall be levied notwithstanding the correction of the  
28 violation.

29           (c) Class "III" violations are those conditions or  
30 occurrences related to the operation and maintenance of a  
31 facility or to the personal care of residents which the agency

1 determines indirectly or potentially threaten the physical or  
2 emotional health, safety, or security of facility residents,  
3 other than class I or class II violations. The agency shall  
4 impose an administrative fine for a cited class III violation  
5 in an amount not less than \$500 and not exceeding \$1,000 for  
6 each violation. A citation for a class III violation must  
7 specify the time within which the violation is required to be  
8 corrected. If a class III violation is corrected within the  
9 time specified, no fine may be imposed, unless it is a  
10 repeated offense.

11 (d) Class "IV" violations are those conditions or  
12 occurrences related to the operation and maintenance of a  
13 building or to required reports, forms, or documents that do  
14 not have the potential of negatively affecting residents.  
15 These violations are of a type that the agency determines do  
16 not threaten the health, safety, or security of residents of  
17 the facility. The agency shall impose an administrative fine  
18 for a cited class IV violation in an amount not less than \$100  
19 and not exceeding \$200 for each violation. A citation for a  
20 class IV violation must specify the time within which the  
21 violation is required to be corrected. If a class IV violation  
22 is corrected within the time specified, no fine shall be  
23 imposed. Any class IV violation that is corrected during the  
24 time an agency survey is being conducted will be identified as  
25 an agency finding and not as a violation.

26 (3) For purposes of this section, in determining if a  
27 penalty is to be imposed and in fixing the amount of the fine,  
28 the agency shall consider the following factors:

29 (a) The gravity of the violation, including the  
30 probability that death or serious physical or emotional harm  
31 to a resident will result or has resulted, the severity of the

1 action or potential harm, and the extent to which the  
2 provisions of the applicable laws or rules were violated.

3 (b) Actions taken by the owner or administrator to  
4 correct violations.

5 (c) Any previous violations.

6 (d) The financial benefit to the facility of  
7 committing or continuing the violation.

8 (e) The licensed capacity of the facility.

9 (4) Each day of continuing violation after the date  
10 fixed for termination of the violation, as ordered by the  
11 agency, constitutes an additional, separate, and distinct  
12 violation.

13 (5) Any action taken to correct a violation shall be  
14 documented in writing by the owner or administrator of the  
15 facility and verified through followup visits by agency  
16 personnel. The agency may impose a fine and, in the case of an  
17 owner-operated facility, revoke or deny a facility's license  
18 when a facility administrator fraudulently misrepresents  
19 action taken to correct a violation.

20 ~~(6) For fines that are upheld following administrative~~  
21 ~~or judicial review, the violator shall pay the fine, plus~~  
22 ~~interest at the rate as specified in s. 55.03, for each day~~  
23 ~~beyond the date set by the agency for payment of the fine.~~

24 ~~(7) Any unlicensed facility that continues to operate~~  
25 ~~after agency notification is subject to a \$1,000 fine per day.~~

26 ~~(8) Any licensed facility whose owner or administrator~~  
27 ~~concurrently operates an unlicensed facility shall be subject~~  
28 ~~to an administrative fine of \$5,000 per day.~~

29 ~~(6)(9)~~ Any facility whose owner fails to apply for a  
30 change-of-ownership license in accordance with part II of  
31

1 chapter 408 s. 429.12 and operates the facility under the new  
2 ownership is subject to a fine of \$5,000.

3 ~~(7)(10)~~ In addition to any administrative fines  
4 imposed, the agency may assess a survey fee, equal to the  
5 lesser of one half of the facility's biennial license and bed  
6 fee or \$500, to cover the cost of conducting initial complaint  
7 investigations that result in the finding of a violation that  
8 was the subject of the complaint or monitoring visits  
9 conducted under s. 429.28(3)(c) to verify the correction of  
10 the violations.

11 ~~(8)(11)~~ The agency, as an alternative to or in  
12 conjunction with an administrative action against a facility  
13 for violations of this part and adopted rules, shall make a  
14 reasonable attempt to discuss each violation and recommended  
15 corrective action with the owner or administrator of the  
16 facility, prior to written notification. The agency, instead  
17 of fixing a period within which the facility shall enter into  
18 compliance with standards, may request a plan of corrective  
19 action from the facility which demonstrates a good faith  
20 effort to remedy each violation by a specific date, subject to  
21 the approval of the agency.

22 ~~(12) Administrative fines paid by any facility under~~  
23 ~~this section shall be deposited into the Health Care Trust~~  
24 ~~Fund and expended as provided in s. 429.18.~~

25 ~~(9)(13)~~ The agency shall develop and disseminate an  
26 annual list of all facilities sanctioned or fined \$5,000 or  
27 more for violations of state standards, the number and class  
28 of violations involved, the penalties imposed, and the current  
29 status of cases. The list shall be disseminated, at no charge,  
30 to the Department of Elderly Affairs, the Department of  
31 Health, the Department of Children and Family Services, the

1 Agency for Persons with Disabilities, the area agencies on  
 2 aging, the Florida Statewide Advocacy Council, and the state  
 3 and local ombudsman councils. The Department of Children and  
 4 Family Services shall disseminate the list to service  
 5 providers under contract to the department who are responsible  
 6 for referring persons to a facility for residency. The agency  
 7 may charge a fee commensurate with the cost of printing and  
 8 postage to other interested parties requesting a copy of this  
 9 list.

10 Section 151. Section 429.21, Florida Statutes, is  
 11 repealed.

12 Section 152. Subsection (9) of section 429.22, Florida  
 13 Statutes, is amended to read:

14 429.22 Receivership proceedings.--

15 (9) The court may direct the agency to allocate funds  
 16 from the Health Care Trust Fund to the receiver, subject to  
 17 the provisions of s. 429.18~~(1)~~.

18 Section 153. Subsection (9) of section 429.26, Florida  
 19 Statutes, is amended to read:

20 429.26 Appropriateness of placements; examinations of  
 21 residents.--

22 (9) If, at any time after admission to a facility, a  
 23 resident appears to need care beyond that which the facility  
 24 is licensed to provide, the agency shall require the resident  
 25 to be physically examined by a licensed physician, physician  
 26 assistant, or licensed nurse practitioner. This examination  
 27 shall, to the extent possible, be performed by the resident's  
 28 preferred physician or nurse practitioner and shall be paid  
 29 for by the resident with personal funds, except as provided in  
 30 s. 429.18~~(2)(1)(b)~~. Following this examination, the examining  
 31 physician, physician assistant, or licensed nurse practitioner

1 shall complete and sign a medical form provided by the agency.  
2 The completed medical form shall be submitted to the agency  
3 within 30 days after the date the facility owner or  
4 administrator is notified by the agency that the physical  
5 examination is required. After consultation with the  
6 physician, physician assistant, or licensed nurse practitioner  
7 who performed the examination, a medical review team  
8 designated by the agency shall then determine whether the  
9 resident is appropriately residing in the facility. The  
10 medical review team shall base its decision on a comprehensive  
11 review of the resident's physical and functional status,  
12 including the resident's preferences, and not on an isolated  
13 health-related problem. In the case of a mental health  
14 resident, if the resident appears to have needs in addition to  
15 those identified in the community living support plan, the  
16 agency may require an evaluation by a mental health  
17 professional, as determined by the Department of Children and  
18 Family Services. A facility may not be required to retain a  
19 resident who requires more services or care than the facility  
20 is able to provide in accordance with its policies and  
21 criteria for admission and continued residency. Members of the  
22 medical review team making the final determination may not  
23 include the agency personnel who initially questioned the  
24 appropriateness of a resident's placement. Such determination  
25 is final and binding upon the facility and the resident. Any  
26 resident who is determined by the medical review team to be  
27 inappropriately residing in a facility shall be given 30 days'  
28 written notice to relocate by the owner or administrator,  
29 unless the resident's continued residence in the facility  
30 presents an imminent danger to the health, safety, or welfare  
31 of the resident or a substantial probability exists that death

1 or serious physical harm would result to the resident if  
2 allowed to remain in the facility.

3 Section 154. Subsections (1), (4), and (5) of section  
4 429.31, Florida Statutes, are amended to read:

5 429.31 Closing of facility; notice; penalty.--

6 (1) In addition to the requirements of part II of  
7 chapter 408, ~~Whenever a facility voluntarily discontinues~~  
8 ~~operation, it shall inform the agency in writing at least 90~~  
9 ~~days prior to the discontinuance of operation.~~ the facility  
10 shall ~~also~~ inform each resident or the next of kin, legal  
11 representative, or agency acting on each resident's behalf, of  
12 the fact and the proposed time of ~~such~~ discontinuance of  
13 operation, following the notification requirements provided in  
14 s. 429.28(1)(k). In the event a resident has no person to  
15 represent him or her, the facility shall be responsible for  
16 referral to an appropriate social service agency for  
17 placement.

18 ~~(4) Immediately upon discontinuance of the operation~~  
19 ~~of a facility, the owner shall surrender the license therefor~~  
20 ~~to the agency, and the license shall be canceled.~~

21 ~~(4)(5)~~ The agency may levy a fine in an amount no  
22 greater than \$5,000 upon each person or business entity that  
23 owns any interest in a facility that terminates operation  
24 without providing notice to the agency and the residents of  
25 the facility at least 30 days before operation ceases. This  
26 fine shall not be levied against any facility involuntarily  
27 closed at the initiation of the agency. The agency shall use  
28 the proceeds of the fines to operate the facility until all  
29 residents of the facility are relocated ~~and shall deposit any~~  
30 ~~balance of the proceeds into the Health Care Trust Fund~~  
31 ~~established pursuant to s. 429.18.~~

1 Section 155. Section 429.34, Florida Statutes, is  
2 amended to read:

3 429.34 Right of entry and inspection.--In addition to  
4 the requirements of s. 408.811, any duly designated officer or  
5 employee of the department, the Department of Children and  
6 Family Services, ~~the agency~~, the Medicaid Fraud Control Unit  
7 of the Office of the Attorney General ~~Department of Legal~~  
8 ~~Affairs~~, the state or local fire marshal, or a member of the  
9 state or local long-term care ombudsman council shall have the  
10 right to enter unannounced upon and into the premises of any  
11 facility licensed pursuant to this part in order to determine  
12 the state of compliance with the provisions of this part, part  
13 II of chapter 408, and applicable ~~of rules or standards in~~  
14 ~~force pursuant thereto. The right of entry and inspection~~  
15 ~~shall also extend to any premises which the agency has reason~~  
16 ~~to believe is being operated or maintained as a facility~~  
17 ~~without a license; but no such entry or inspection of any~~  
18 ~~premises may be made without the permission of the owner or~~  
19 ~~person in charge thereof, unless a warrant is first obtained~~  
20 ~~from the circuit court authorizing such entry. The warrant~~  
21 ~~requirement shall extend only to a facility which the agency~~  
22 ~~has reason to believe is being operated or maintained as a~~  
23 ~~facility without a license. Any application for a license or~~  
24 ~~renewal thereof made pursuant to this part shall constitute~~  
25 ~~permission for, and complete acquiescence in, any entry or~~  
26 ~~inspection of the premises for which the license is sought, in~~  
27 ~~order to facilitate verification of the information submitted~~  
28 ~~on or in connection with the application; to discover,~~  
29 ~~investigate, and determine the existence of abuse or neglect;~~  
30 ~~or to elicit, receive, respond to, and resolve complaints. Any~~  
31 ~~current valid license shall constitute unconditional~~

1 ~~permission for, and complete acquiescence in, any entry or~~  
 2 ~~inspection of the premises by authorized personnel. The agency~~  
 3 ~~shall retain the right of entry and inspection of facilities~~  
 4 ~~that have had a license revoked or suspended within the~~  
 5 ~~previous 24 months, to ensure that the facility is not~~  
 6 ~~operating unlawfully. However, before entering the facility, a~~  
 7 ~~statement of probable cause must be filed with the director of~~  
 8 ~~the agency, who must approve or disapprove the action within~~  
 9 ~~48 hours. Probable cause shall include, but is not limited to,~~  
 10 ~~evidence that the facility holds itself out to the public as a~~  
 11 ~~provider of personal care services or the receipt of a~~  
 12 ~~complaint by the long term care ombudsman council about the~~  
 13 ~~facility.~~ Data collected by the state or local long-term care  
 14 ombudsman councils or the state or local advocacy councils may  
 15 be used by the agency in investigations involving violations  
 16 of regulatory standards.

17 Section 156. Section 429.35, Florida Statutes, is  
 18 amended to read:

19 429.35 Maintenance of records; reports.--

20 (1) Every facility shall maintain, as public  
 21 information available for public inspection under such  
 22 conditions as the agency shall prescribe, records containing  
 23 copies of all inspection reports pertaining to the facility  
 24 that have been issued by the agency to the facility. Copies of  
 25 inspection reports shall be retained in the records for 5  
 26 years from the date the reports are filed or issued.

27 (2) Within 60 days after the date of the biennial  
 28 inspection visit required under s. 408.811 or within 30 days  
 29 after the date of any interim visit, the agency shall forward  
 30 the results of the inspection to the local ombudsman council  
 31 in whose planning and service area, as defined in part I ~~II~~ of

1 chapter 400, the facility is located; to at least one public  
2 library or, in the absence of a public library, the county  
3 seat in the county in which the inspected assisted living  
4 facility is located; and, when appropriate, to the district  
5 Adult Services and Mental Health Program Offices.

6 (3) Every facility shall post a copy of the last  
7 inspection report of the agency for that facility in a  
8 prominent location within the facility so as to be accessible  
9 to all residents and to the public. Upon request, the  
10 facility shall also provide a copy of the report to any  
11 resident of the facility or to an applicant for admission to  
12 the facility.

13 Section 157. Section 429.41, Florida Statutes, is  
14 amended to read:

15 429.41 Rules establishing standards.--

16 (1) It is the intent of the Legislature that rules  
17 published and enforced pursuant to this section shall include  
18 criteria by which a reasonable and consistent quality of  
19 resident care and quality of life may be ensured and the  
20 results of such resident care may be demonstrated. Such rules  
21 shall also ensure a safe and sanitary environment that is  
22 residential and noninstitutional in design or nature. It is  
23 further intended that reasonable efforts be made to  
24 accommodate the needs and preferences of residents to enhance  
25 the quality of life in a facility. The agency, in consultation  
26 with the department, may adopt rules to administer the  
27 requirements of part II of chapter 408. In order to provide  
28 safe and sanitary facilities and the highest quality of  
29 resident care accommodating the needs and preferences of  
30 residents, the department, in consultation with the agency,  
31 the Department of Children and Family Services, and the

1 Department of Health, shall adopt rules, policies, and  
2 procedures to administer this part, which must include  
3 reasonable and fair minimum standards in relation to:

4 (a) The requirements for and maintenance of  
5 facilities, not in conflict with the provisions of chapter  
6 553, relating to plumbing, heating, cooling, lighting,  
7 ventilation, living space, and other housing conditions, which  
8 will ensure the health, safety, and comfort of residents and  
9 protection from fire hazard, including adequate provisions for  
10 fire alarm and other fire protection suitable to the size of  
11 the structure. Uniform firesafety standards shall be  
12 established and enforced by the State Fire Marshal in  
13 cooperation with the agency, the department, and the  
14 Department of Health.

15 1. Evacuation capability determination.--

16 a. The provisions of the National Fire Protection  
17 Association, NFPA 101A, Chapter 5, 1995 edition, shall be used  
18 for determining the ability of the residents, with or without  
19 staff assistance, to relocate from or within a licensed  
20 facility to a point of safety as provided in the fire codes  
21 adopted herein. An evacuation capability evaluation for  
22 initial licensure shall be conducted within 6 months after the  
23 date of licensure. For existing licensed facilities that are  
24 not equipped with an automatic fire sprinkler system, the  
25 administrator shall evaluate the evacuation capability of  
26 residents at least annually. The evacuation capability  
27 evaluation for each facility not equipped with an automatic  
28 fire sprinkler system shall be validated, without liability,  
29 by the State Fire Marshal, by the local fire marshal, or by  
30 the local authority having jurisdiction over firesafety,  
31 before the license renewal date. If the State Fire Marshal,

1 | local fire marshal, or local authority having jurisdiction  
2 | over firesafety has reason to believe that the evacuation  
3 | capability of a facility as reported by the administrator may  
4 | have changed, it may, with assistance from the facility  
5 | administrator, reevaluate the evacuation capability through  
6 | timed exiting drills. Translation of timed fire exiting drills  
7 | to evacuation capability may be determined:

8 |       (I) Three minutes or less: prompt.

9 |       (II) More than 3 minutes, but not more than 13  
10 | minutes: slow.

11 |       (III) More than 13 minutes: impractical.

12 |       b. The Office of the State Fire Marshal shall provide  
13 | or cause the provision of training and education on the proper  
14 | application of Chapter 5, NFPA 101A, 1995 edition, to its  
15 | employees, to staff of the Agency for Health Care  
16 | Administration who are responsible for regulating facilities  
17 | under this part, and to local governmental inspectors. The  
18 | Office of the State Fire Marshal shall provide or cause the  
19 | provision of this training within its existing budget, but may  
20 | charge a fee for this training to offset its costs. The  
21 | initial training must be delivered within 6 months after July  
22 | 1, 1995, and as needed thereafter.

23 |       c. The Office of the State Fire Marshal, in  
24 | cooperation with provider associations, shall provide or cause  
25 | the provision of a training program designed to inform  
26 | facility operators on how to properly review bid documents  
27 | relating to the installation of automatic fire sprinklers. The  
28 | Office of the State Fire Marshal shall provide or cause the  
29 | provision of this training within its existing budget, but may  
30 | charge a fee for this training to offset its costs. The

31 |

1 initial training must be delivered within 6 months after July  
2 1, 1995, and as needed thereafter.

3 d. The administrator of a licensed facility shall sign  
4 an affidavit verifying the number of residents occupying the  
5 facility at the time of the evacuation capability evaluation.

6 2. Firesafety requirements.--

7 a. Except for the special applications provided  
8 herein, effective January 1, 1996, the provisions of the  
9 National Fire Protection Association, Life Safety Code, NFPA  
10 101, 1994 edition, Chapter 22 for new facilities and Chapter  
11 23 for existing facilities shall be the uniform fire code  
12 applied by the State Fire Marshal for assisted living  
13 facilities, pursuant to s. 633.022.

14 b. Any new facility, regardless of size, that applies  
15 for a license on or after January 1, 1996, must be equipped  
16 with an automatic fire sprinkler system. The exceptions as  
17 provided in s. 22-2.3.5.1, NFPA 101, 1994 edition, as adopted  
18 herein, apply to any new facility housing eight or fewer  
19 residents. On July 1, 1995, local governmental entities  
20 responsible for the issuance of permits for construction shall  
21 inform, without liability, any facility whose permit for  
22 construction is obtained prior to January 1, 1996, of this  
23 automatic fire sprinkler requirement. As used in this part,  
24 the term "a new facility" does not mean an existing facility  
25 that has undergone change of ownership.

26 c. Notwithstanding any provision of s. 633.022 or of  
27 the National Fire Protection Association, NFPA 101A, Chapter  
28 5, 1995 edition, to the contrary, any existing facility  
29 housing eight or fewer residents is not required to install an  
30 automatic fire sprinkler system, nor to comply with any other  
31 requirement in Chapter 23, NFPA 101, 1994 edition, that

1 exceeds the firesafety requirements of NFPA 101, 1988 edition,  
2 that applies to this size facility, unless the facility has  
3 been classified as impractical to evacuate. Any existing  
4 facility housing eight or fewer residents that is classified  
5 as impractical to evacuate must install an automatic fire  
6 sprinkler system within the timeframes granted in this  
7 section.

8 d. Any existing facility that is required to install  
9 an automatic fire sprinkler system under this paragraph need  
10 not meet other firesafety requirements of Chapter 23, NFPA  
11 101, 1994 edition, which exceed the provisions of NFPA 101,  
12 1988 edition. The mandate contained in this paragraph which  
13 requires certain facilities to install an automatic fire  
14 sprinkler system supersedes any other requirement.

15 e. This paragraph does not supersede the exceptions  
16 granted in NFPA 101, 1988 edition or 1994 edition.

17 f. This paragraph does not exempt facilities from  
18 other firesafety provisions adopted under s. 633.022 and local  
19 building code requirements in effect before July 1, 1995.

20 g. A local government may charge fees only in an  
21 amount not to exceed the actual expenses incurred by local  
22 government relating to the installation and maintenance of an  
23 automatic fire sprinkler system in an existing and properly  
24 licensed assisted living facility structure as of January 1,  
25 1996.

26 h. If a licensed facility undergoes major  
27 reconstruction or addition to an existing building on or after  
28 January 1, 1996, the entire building must be equipped with an  
29 automatic fire sprinkler system. Major reconstruction of a  
30 building means repair or restoration that costs in excess of  
31 50 percent of the value of the building as reported on the tax

1 rolls, excluding land, before reconstruction. Multiple  
2 reconstruction projects within a 5-year period the total costs  
3 of which exceed 50 percent of the initial value of the  
4 building at the time the first reconstruction project was  
5 permitted are to be considered as major reconstruction.  
6 Application for a permit for an automatic fire sprinkler  
7 system is required upon application for a permit for a  
8 reconstruction project that creates costs that go over the  
9 50-percent threshold.

10 i. Any facility licensed before January 1, 1996, that  
11 is required to install an automatic fire sprinkler system  
12 shall ensure that the installation is completed within the  
13 following timeframes based upon evacuation capability of the  
14 facility as determined under subparagraph 1.:

15 (I) Impractical evacuation capability, 24 months.

16 (II) Slow evacuation capability, 48 months.

17 (III) Prompt evacuation capability, 60 months.

18

19 The beginning date from which the deadline for the automatic  
20 fire sprinkler installation requirement must be calculated is  
21 upon receipt of written notice from the local fire official  
22 that an automatic fire sprinkler system must be installed. The  
23 local fire official shall send a copy of the document  
24 indicating the requirement of a fire sprinkler system to the  
25 Agency for Health Care Administration.

26 j. It is recognized that the installation of an  
27 automatic fire sprinkler system may create financial hardship  
28 for some facilities. The appropriate local fire official  
29 shall, without liability, grant two 1-year extensions to the  
30 timeframes for installation established herein, if an  
31 automatic fire sprinkler installation cost estimate and proof

1 of denial from two financial institutions for a construction  
2 loan to install the automatic fire sprinkler system are  
3 submitted. However, for any facility with a class I or class  
4 II, or a history of uncorrected class III, firesafety  
5 deficiencies, an extension must not be granted. The local fire  
6 official shall send a copy of the document granting the time  
7 extension to the Agency for Health Care Administration.

8 k. A facility owner whose facility is required to be  
9 equipped with an automatic fire sprinkler system under Chapter  
10 23, NFPA 101, 1994 edition, as adopted herein, must disclose  
11 to any potential buyer of the facility that an installation of  
12 an automatic fire sprinkler requirement exists. The sale of  
13 the facility does not alter the timeframe for the installation  
14 of the automatic fire sprinkler system.

15 l. Existing facilities required to install an  
16 automatic fire sprinkler system as a result of  
17 construction-type restrictions in Chapter 23, NFPA 101, 1994  
18 edition, as adopted herein, or evacuation capability  
19 requirements shall be notified by the local fire official in  
20 writing of the automatic fire sprinkler requirement, as well  
21 as the appropriate date for final compliance as provided in  
22 this subparagraph. The local fire official shall send a copy  
23 of the document to the Agency for Health Care Administration.

24 m. Except in cases of life-threatening fire hazards,  
25 if an existing facility experiences a change in the evacuation  
26 capability, or if the local authority having jurisdiction  
27 identifies a construction-type restriction, such that an  
28 automatic fire sprinkler system is required, it shall be  
29 afforded time for installation as provided in this  
30 subparagraph.

31

1 Facilities that are fully sprinkled and in compliance with  
2 other firesafety standards are not required to conduct more  
3 than one of the required fire drills between the hours of 11  
4 p.m. and 7 a.m., per year. In lieu of the remaining drills,  
5 staff responsible for residents during such hours may be  
6 required to participate in a mock drill that includes a review  
7 of evacuation procedures. Such standards must be included or  
8 referenced in the rules adopted by the State Fire Marshal.  
9 Pursuant to s. 633.022(1)(b), the State Fire Marshal is the  
10 final administrative authority for firesafety standards  
11 established and enforced pursuant to this section. All  
12 licensed facilities must have an annual fire inspection  
13 conducted by the local fire marshal or authority having  
14 jurisdiction.

15           3. Resident elopement requirements.--Facilities are  
16 required to conduct a minimum of two resident elopement  
17 prevention and response drills per year. All administrators  
18 and direct care staff must participate in the drills which  
19 shall include a review of procedures to address resident  
20 elopement. Facilities must document the implementation of the  
21 drills and ensure that the drills are conducted in a manner  
22 consistent with the facility's resident elopement policies and  
23 procedures.

24           (b) The preparation and annual update of a  
25 comprehensive emergency management plan. Such standards must  
26 be included in the rules adopted by the department after  
27 consultation with the Department of Community Affairs. At a  
28 minimum, the rules must provide for plan components that  
29 address emergency evacuation transportation; adequate  
30 sheltering arrangements; postdisaster activities, including  
31 provision of emergency power, food, and water; postdisaster

1 transportation; supplies; staffing; emergency equipment;  
2 individual identification of residents and transfer of  
3 records; communication with families; and responses to family  
4 inquiries. The comprehensive emergency management plan is  
5 subject to review and approval by the local emergency  
6 management agency. During its review, the local emergency  
7 management agency shall ensure that the following agencies, at  
8 a minimum, are given the opportunity to review the plan: the  
9 Department of Elderly Affairs, the Department of Health, the  
10 Agency for Health Care Administration, and the Department of  
11 Community Affairs. Also, appropriate volunteer organizations  
12 must be given the opportunity to review the plan. The local  
13 emergency management agency shall complete its review within  
14 60 days and either approve the plan or advise the facility of  
15 necessary revisions.

16 (c) The number, training, and qualifications of all  
17 personnel having responsibility for the care of residents. The  
18 rules must require adequate staff to provide for the safety of  
19 all residents. Facilities licensed for 17 or more residents  
20 are required to maintain an alert staff for 24 hours per day.

21 (d) All sanitary conditions within the facility and  
22 its surroundings which will ensure the health and comfort of  
23 residents. The rules must clearly delineate the  
24 responsibilities of the agency's licensure and survey staff,  
25 the county health departments, and the local authority having  
26 jurisdiction over firesafety and ensure that inspections are  
27 not duplicative. The agency may collect fees for food service  
28 inspections conducted by the county health departments and  
29 transfer such fees to the Department of Health.

30 (e) License application and license renewal, transfer  
31 of ownership, proper management of resident funds and personal

1 | property, surety bonds, resident contracts, refund policies,  
2 | financial ability to operate, and facility and staff records.

3 |       (f) Inspections, complaint investigations,  
4 | moratoriums, classification of deficiencies, levying and  
5 | enforcement of penalties, and use of income from fees and  
6 | fines.

7 |       (g) The enforcement of the resident bill of rights  
8 | specified in s. 429.28.

9 |       (h) The care and maintenance of residents, which must  
10 | include, but is not limited to:

- 11 |           1. The supervision of residents;
- 12 |           2. The provision of personal services;
- 13 |           3. The provision of, or arrangement for, social and  
14 | leisure activities;
- 15 |           4. The arrangement for appointments and transportation  
16 | to appropriate medical, dental, nursing, or mental health  
17 | services, as needed by residents;
- 18 |           5. The management of medication;
- 19 |           6. The nutritional needs of residents;
- 20 |           7. Resident records; and
- 21 |           8. Internal risk management and quality assurance.

22 |       (i) Facilities holding a limited nursing, extended  
23 | congregate care, or limited mental health license.

24 |       (j) The establishment of specific criteria to define  
25 | appropriateness of resident admission and continued residency  
26 | in a facility holding a standard, limited nursing, extended  
27 | congregate care, and limited mental health license.

28 |       (k) The use of physical or chemical restraints. The  
29 | use of physical restraints is limited to half-bed rails as  
30 | prescribed and documented by the resident's physician with the  
31 | consent of the resident or, if applicable, the resident's

1 representative or designee or the resident's surrogate,  
2 guardian, or attorney in fact. The use of chemical restraints  
3 is limited to prescribed dosages of medications authorized by  
4 the resident's physician and must be consistent with the  
5 resident's diagnosis. Residents who are receiving medications  
6 that can serve as chemical restraints must be evaluated by  
7 their physician at least annually to assess:

8 1. The continued need for the medication.

9 2. The level of the medication in the resident's  
10 blood.

11 3. The need for adjustments in the prescription.

12 (1) The establishment of specific policies and  
13 procedures on resident elopement. Facilities shall conduct a  
14 minimum of two resident elopement drills each year. All  
15 administrators and direct care staff shall participate in the  
16 drills. Facilities shall document the drills.

17 (2) In adopting any rules pursuant to this part, the  
18 department, in conjunction with the agency, shall make  
19 distinct standards for facilities based upon facility size;  
20 the types of care provided; the physical and mental  
21 capabilities and needs of residents; the type, frequency, and  
22 amount of services and care offered; and the staffing  
23 characteristics of the facility. Rules developed pursuant to  
24 this section shall not restrict the use of shared staffing and  
25 shared programming in facilities that are part of retirement  
26 communities that provide multiple levels of care and otherwise  
27 meet the requirements of law and rule. Except for uniform  
28 firesafety standards, the department shall adopt by rule  
29 separate and distinct standards for facilities with 16 or  
30 fewer beds and for facilities with 17 or more beds. The  
31 standards for facilities with 16 or fewer beds shall be

1 appropriate for a noninstitutional residential environment,  
2 provided that the structure is no more than two stories in  
3 height and all persons who cannot exit the facility unassisted  
4 in an emergency reside on the first floor. The department, in  
5 conjunction with the agency, may make other distinctions among  
6 types of facilities as necessary to enforce the provisions of  
7 this part. Where appropriate, the agency shall offer alternate  
8 solutions for complying with established standards, based on  
9 distinctions made by the department and the agency relative to  
10 the physical characteristics of facilities and the types of  
11 care offered therein.

12 (3) The department shall submit a copy of proposed  
13 rules to the Speaker of the House of Representatives, the  
14 President of the Senate, and appropriate committees of  
15 substance for review and comment prior to the promulgation  
16 thereof.

17 ~~(a)~~ Rules promulgated by the department shall  
18 encourage the development of homelike facilities which promote  
19 the dignity, individuality, personal strengths, and  
20 decisionmaking ability of residents.

21 (4)~~(b)~~ The agency, in consultation with the  
22 department, may waive rules promulgated pursuant to this part  
23 in order to demonstrate and evaluate innovative or  
24 cost-effective congregate care alternatives which enable  
25 individuals to age in place. Such waivers may be granted only  
26 in instances where there is reasonable assurance that the  
27 health, safety, or welfare of residents will not be  
28 endangered. To apply for a waiver, the licensee shall submit  
29 to the agency a written description of the concept to be  
30 demonstrated, including goals, objectives, and anticipated  
31 benefits; the number and types of residents who will be

1 affected, if applicable; a brief description of how the  
2 demonstration will be evaluated; and any other information  
3 deemed appropriate by the agency. Any facility granted a  
4 waiver shall submit a report of findings to the agency and the  
5 department within 12 months. At such time, the agency may  
6 renew or revoke the waiver or pursue any regulatory or  
7 statutory changes necessary to allow other facilities to adopt  
8 the same practices. The department may by rule clarify terms  
9 and establish waiver application procedures, criteria for  
10 reviewing waiver proposals, and procedures for reporting  
11 findings, as necessary to implement this subsection.

12 (5)~~(4)~~ The agency may use an abbreviated biennial  
13 standard licensure inspection that consists of a review of key  
14 quality-of-care standards in lieu of a full inspection in  
15 facilities which have a good record of past performance.  
16 However, a full inspection shall be conducted in facilities  
17 which have had a history of class I or class II violations,  
18 uncorrected class III violations, confirmed ombudsman council  
19 complaints, or confirmed licensure complaints, within the  
20 previous licensure period immediately preceding the inspection  
21 or when a potentially serious problem is identified during the  
22 abbreviated inspection. The agency, in consultation with the  
23 department, shall develop the key quality-of-care standards  
24 with input from the State Long-Term Care Ombudsman Council and  
25 representatives of provider groups for incorporation into its  
26 rules. The department, in consultation with the agency, shall  
27 report annually to the Legislature concerning its  
28 implementation of this subsection. The report shall include,  
29 at a minimum, the key quality-of-care standards which have  
30 been developed; the number of facilities identified as being  
31 eligible for the abbreviated inspection; the number of

1 facilities which have received the abbreviated inspection and,  
2 of those, the number that were converted to full inspection;  
3 the number and type of subsequent complaints received by the  
4 agency or department on facilities which have had abbreviated  
5 inspections; any recommendations for modification to this  
6 subsection; any plans by the agency to modify its  
7 implementation of this subsection; and any other information  
8 which the department believes should be reported.

9 ~~(5) A fee shall be charged by the department to any~~  
10 ~~person requesting a copy of this part or rules promulgated~~  
11 ~~under this part. Such fees shall not exceed the actual cost of~~  
12 ~~duplication and postage.~~

13 Section 158. Subsections (4) through (7) of section  
14 429.47, Florida Statutes, are renumbered as subsections (1)  
15 through (4), respectively, and present subsections (1), (2),  
16 and (3) of that section are amended to read:

17 429.47 Prohibited acts; penalties for violation.--

18 ~~(1) It is unlawful for any person or public body to~~  
19 ~~offer or advertise to the public, in any way by any medium~~  
20 ~~whatever, personal services as defined in this act, without~~  
21 ~~obtaining a valid current license. It is unlawful for any~~  
22 ~~holder of a license issued pursuant to the provisions of this~~  
23 ~~act to advertise or hold out to the public that it holds a~~  
24 ~~license for a facility other than that for which it actually~~  
25 ~~holds a license.~~

26 ~~(2) It is unlawful for any holder of a license issued~~  
27 ~~pursuant to the provisions of this act to withhold from the~~  
28 ~~agency any evidence of financial instability, including, but~~  
29 ~~not limited to, bad checks, delinquent accounts, nonpayment of~~  
30 ~~withholding taxes, unpaid utility expenses, nonpayment for~~  
31 ~~essential services, or adverse court action concerning the~~

1 ~~financial viability of the facility or any other facility~~  
2 ~~licensed under part II of chapter 400 or under this part which~~  
3 ~~is owned by the licensee.~~

4 ~~(3) Any person found guilty of violating subsection~~  
5 ~~(1) or subsection (2) commits a misdemeanor of the second~~  
6 ~~degree, punishable as provided in s. 775.083. Each day of~~  
7 ~~continuing violation shall be considered a separate offense.~~

8 Section 159. Section 429.51, Florida Statutes, is  
9 repealed.

10 Section 160. Section 429.67, Florida Statutes, is  
11 amended to read:

12 429.67 Licensure ~~application and renewal.~~--

13 (1) The requirements of part II of chapter 408 apply  
14 to the provision of services that require licensure pursuant  
15 to this part and part II of chapter 408 and to entities  
16 licensed by or applying for such licensure from the Agency for  
17 Health Care Administration pursuant to this part. A license  
18 issued by the agency is required in order to operate an adult  
19 family-care home in this state. ~~Each person who intends to be~~  
20 ~~an adult family care home provider must apply for a license~~  
21 ~~from the agency at least 90 days before the applicant intends~~  
22 ~~to operate the adult family care home.~~

23 (2) A person who intends to be an adult family-care  
24 home provider must own or rent the adult family-care home that  
25 is to be licensed and reside therein.

26 (3) In accordance with s. 408.805, an applicant or  
27 licensee shall pay a fee for each license application  
28 submitted under this part, part II of chapter 408, and  
29 applicable rules. The amount of the fee shall be \$200 per  
30 biennium. ~~The agency shall notify a licensee at least 120 days~~  
31 ~~before the expiration date that license renewal is required to~~

1 ~~continue operation. The notification must be provided~~  
2 ~~electronically or by mail delivery. Application for a license~~  
3 ~~or annual license renewal must be made on a form provided by~~  
4 ~~the agency, signed under oath, and must be accompanied by a~~  
5 ~~licensing fee of \$100 per year.~~

6 (4) Upon receipt of a completed license application or  
7 license renewal, and the fee, the agency shall initiate a  
8 level 1 background screening as provided under chapter 435 on  
9 the adult family-care home provider, the designated relief  
10 person, all adult household members, and all staff members.  
11 ~~The agency shall conduct an onsite visit to the home that is~~  
12 ~~to be licensed.~~

13 (a) Proof of compliance with level 1 screening  
14 standards which has been submitted within the previous 5 years  
15 to meet any facility or professional licensure requirements of  
16 the agency or the Department of Health satisfies the  
17 requirements of this subsection. Such proof must be  
18 accompanied, under penalty of perjury, by a copy of the  
19 person's current professional license and an affidavit of  
20 current compliance with the background screening requirements.

21 (b) The person required to be screened must have been  
22 continuously employed in the same type of occupation for which  
23 the person is seeking employment without a breach in service  
24 that exceeds 180 days, and proof of compliance with the level  
25 1 screening requirement which is no more than 2 years old must  
26 be provided. Proof of compliance shall be provided directly  
27 from one employer or contractor to another, and not from the  
28 person screened. Upon request, a copy of screening results  
29 shall be provided to the person screened by the employer  
30 retaining documentation of the screening.

31

1           ~~(5) The application must be accompanied by a~~  
2 ~~description and explanation of any exclusions, permanent~~  
3 ~~suspensions, or terminations of the applicant from~~  
4 ~~participation in the Medicaid or Medicare programs or any~~  
5 ~~other governmental health care or health insurance program.~~

6           (5)(6) Unless the adult family-care home is a  
7 community residential home subject to chapter 419, the  
8 applicant must provide documentation, signed by the  
9 appropriate governmental official, that the home has met local  
10 zoning requirements for the location for which the license is  
11 sought.

12           (6)(7) In addition to the requirements of s. 408.811,  
13 access to a licensed adult family-care home must be provided  
14 at reasonable times for the appropriate officials of the  
15 department, the Department of Health, the Department of  
16 Children and Family Services, the agency, and the State Fire  
17 Marshal, who are responsible for the development and  
18 maintenance of fire, health, sanitary, and safety standards,  
19 to inspect the facility to assure compliance with these  
20 standards. In addition, access to a licensed adult family-care  
21 home must be provided at reasonable times for the local  
22 long-term care ombudsman council.

23           ~~(8) A license is effective for 1 year after the date~~  
24 ~~of issuance unless revoked sooner. Each license must state the~~  
25 ~~name of the provider, the address of the home to which the~~  
26 ~~license applies, and the maximum number of residents of the~~  
27 ~~home. Failure to timely file a license renewal application~~  
28 ~~shall result in a late fee equal to 50 percent of the license~~  
29 ~~fee.~~

30  
31

1           ~~(9) A license is not transferable or applicable to any~~  
2 ~~location or person other than the location and person~~  
3 ~~indicated on the license.~~

4           ~~(7)(10)~~ The licensed maximum capacity of each adult  
5 family-care home is based on the service needs of the  
6 residents and the capability of the provider to meet the needs  
7 of the residents. Any relative who lives in the adult  
8 family-care home and who is a disabled adult or frail elder  
9 must be included in that limitation.

10           ~~(8)(11)~~ Each adult family-care home must designate at  
11 least one licensed space for a resident receiving optional  
12 state supplementation. The Department of Children and Family  
13 Services shall specify by rule the procedures to be followed  
14 for referring residents who receive optional state  
15 supplementation to adult family-care homes. Those homes  
16 licensed as adult foster homes or assisted living facilities  
17 prior to January 1, 1994, that convert to adult family-care  
18 homes, are exempt from this requirement.

19           ~~(9)(12)~~ In addition to the license categories  
20 available in s. 408.808, the agency may issue a conditional  
21 license to a provider for the purpose of bringing the adult  
22 family-care home into compliance with licensure requirements.  
23 A conditional license must be limited to a specific period,  
24 not exceeding 6 months. The department shall, by rule,  
25 establish criteria for issuing conditional licenses.

26           ~~(13) All moneys collected under this section must be~~  
27 ~~deposited into the Department of Elderly Affairs~~  
28 ~~Administrative Trust Fund.~~

29           ~~(10)(14)~~ The department may adopt rules to establish  
30 procedures, identify forms, specify documentation, and clarify  
31 terms, as necessary, to administer this section.

1           (11) The agency may adopt rules to administer the  
 2 requirements of part II of chapter 408.

3           Section 161. Section 429.69, Florida Statutes, is  
 4 amended to read:

5           429.69 Denial, revocation, and ~~or~~ suspension of a  
 6 license.--In addition to the requirements of part II of  
 7 chapter 408, the agency may deny, suspend, and ~~or~~ revoke a  
 8 license for any of the following reasons:

9           (1) Failure of any of the persons required to undergo  
 10 background screening under s. 429.67 to meet the level 1  
 11 screening standards of s. 435.03, unless an exemption from  
 12 disqualification has been provided by the agency.

13           ~~(2) An intentional or negligent act materially~~  
 14 ~~affecting the health, safety, or welfare of the adult~~  
 15 ~~family care home residents.~~

16           ~~(3) Submission of fraudulent information or omission~~  
 17 ~~of any material fact on a license application or any other~~  
 18 ~~document required by the agency.~~

19           ~~(4) Failure to pay an administrative fine assessed~~  
 20 ~~under this part.~~

21           ~~(5) A violation of this part or adopted rules which~~  
 22 ~~results in conditions or practices that directly threaten the~~  
 23 ~~physical or emotional health, safety, or welfare of residents.~~

24           (2)(6) Failure to correct cited fire code violations  
 25 that threaten the health, safety, or welfare of residents.

26           ~~(7) Failure to submit a completed initial license~~  
 27 ~~application or to complete an application for license renewal~~  
 28 ~~within the specified timeframes.~~

29           ~~(8) Exclusion, permanent suspension, or termination of~~  
 30 ~~the provider from the Medicare or Medicaid program.~~

31

1           Section 162. Section 429.71, Florida Statutes, is  
2 amended to read:

3           429.71 Classification of deficiencies; administrative  
4 fin ~~es~~ ~~Violations; penalties.~~--

5           (1) In addition to the requirements of part II of  
6 chapter 408 and in addition to any other liability or penalty  
7 provided by law, the agency may impose an administrative fine  
8 ~~a civil penalty~~ on a provider according to the following  
9 classification:

10           (a) Class I violations are those conditions or  
11 practices related to the operation and maintenance of an adult  
12 family-care home or to the care of residents which the agency  
13 determines present an imminent danger to the residents or  
14 guests of the facility or a substantial probability that death  
15 or serious physical or emotional harm would result therefrom.  
16 The condition or practice that constitutes a class I violation  
17 must be abated or eliminated within 24 hours, unless a fixed  
18 period, as determined by the agency, is required for  
19 correction. A class I deficiency is subject to an  
20 administrative fine in an amount not less than \$500 and not  
21 exceeding \$1,000 for each violation. A fine may be levied  
22 notwithstanding the correction of the deficiency.

23           (b) Class II violations are those conditions or  
24 practices related to the operation and maintenance of an adult  
25 family-care home or to the care of residents which the agency  
26 determines directly threaten the physical or emotional health,  
27 safety, or security of the residents, other than class I  
28 violations. A class II violation is subject to an  
29 administrative fine in an amount not less than \$250 and not  
30 exceeding \$500 for each violation. A citation for a class II  
31 violation must specify the time within which the violation is

1 required to be corrected. If a class II violation is corrected  
2 within the time specified, no civil penalty shall be imposed,  
3 unless it is a repeated offense.

4 (c) Class III violations are those conditions or  
5 practices related to the operation and maintenance of an adult  
6 family-care home or to the care of residents which the agency  
7 determines indirectly or potentially threaten the physical or  
8 emotional health, safety, or security of residents, other than  
9 class I or class II violations. A class III violation is  
10 subject to an administrative fine in an amount not less than  
11 \$100 and not exceeding \$250 for each violation. A citation for  
12 a class III violation shall specify the time within which the  
13 violation is required to be corrected. If a class III  
14 violation is corrected within the time specified, no civil  
15 penalty shall be imposed, unless it is a repeated offense.

16 (d) Class IV violations are those conditions or  
17 occurrences related to the operation and maintenance of an  
18 adult family-care home, or related to the required reports,  
19 forms, or documents, which do not have the potential of  
20 negatively affecting the residents. A provider that does not  
21 correct a class IV violation within the time limit specified  
22 by the agency is subject to an administrative fine in an  
23 amount not less than \$50 and not exceeding \$100 for each  
24 violation. Any class IV violation that is corrected during the  
25 time the agency survey is conducted will be identified as an  
26 agency finding and not as a violation.

27 (2) The agency may impose an administrative fine for  
28 violations which do not qualify as class I, class II, class  
29 III, or class IV violations. The amount of the fine shall not  
30 exceed \$250 for each violation or \$2,000 in the aggregate.

31 Unclassified violations may include:

- 1 (a) Violating any term or condition of a license.
- 2 (b) Violating any provision of rule adopted under this  
3 part, part II of chapter 408, or applicable rules.
- 4 (c) Failure to follow the criteria and procedures  
5 provided under part I of chapter 394 relating to the  
6 transportation, voluntary admission, and involuntary  
7 examination of adult family-care home residents.
- 8 (d) Exceeding licensed capacity.
- 9 (e) Providing services beyond the scope of the  
10 license.
- 11 (f) Violating a moratorium.
- 12 (3) Each day during which a violation occurs  
13 constitutes a separate offense.
- 14 (4) In determining whether a penalty is to be imposed,  
15 and in fixing the amount of any penalty to be imposed, the  
16 agency must consider:
- 17 (a) The gravity of the violation.
- 18 (b) Actions taken by the provider to correct a  
19 violation.
- 20 (c) Any previous violation by the provider.
- 21 (d) The financial benefit to the provider of  
22 committing or continuing the violation.
- 23 (5) As an alternative to or in conjunction with an  
24 administrative action against a provider, the agency may  
25 request a plan of corrective action that demonstrates a good  
26 faith effort to remedy each violation by a specific date,  
27 subject to the approval of the agency.
- 28 (6) The department shall set forth, by rule, notice  
29 requirements and procedures for correction of deficiencies.
- 30 ~~(7) Civil penalties paid by a provider must be~~  
31 ~~deposited into the Department of Elderly Affairs~~

1 ~~Administrative Trust Fund and used to offset the expenses of~~  
2 ~~departmental training and education for adult family care home~~  
3 ~~providers.~~

4 ~~(8) The agency may impose an immediate moratorium on~~  
5 ~~admissions to any adult family care home if the agency finds~~  
6 ~~that a condition in the home presents a threat to the health,~~  
7 ~~safety, or welfare of its residents. The department may by~~  
8 ~~rule establish facility conditions that constitute grounds for~~  
9 ~~imposing a moratorium and establish procedures for imposing~~  
10 ~~and lifting a moratorium.~~

11 Section 163. Section 429.73, Florida Statutes, is  
12 amended to read:

13 429.73 Rules and standards relating to adult  
14 family-care homes.--

15 (1) The agency, in consultation with the department,  
16 may adopt rules to administer the requirements of part II of  
17 chapter 408. The department, in consultation with the  
18 Department of Health, the Department of Children and Family  
19 Services, and the agency shall, by rule, establish minimum  
20 standards to ensure the health, safety, and well-being of each  
21 resident in the adult family-care home pursuant to this part.

22 The rules must address:

23 (a) Requirements for the physical site of the facility  
24 and facility maintenance.

25 (b) Services that must be provided to all residents of  
26 an adult family-care home and standards for such services,

16 residency in an adult family-care home. A resident who  
17 requires 24-hour nursing supervision may not be retained in an  
18 adult family-care home unless such resident is an enrolled  
19 hospice patient and the resident's continued residency is  
20 mutually agreeable to the resident and the provider.

21           (g) Procedures for providing notice and assuring the  
22 least possible disruption of residents' lives when residents  
23 are relocated, an adult family-care home is closed, or the

 4 department and the agency, shall adopt uniform firesafety  
 5 standards for adult family-care homes.

6           (3) The department shall adopt rules providing for the  
 7 implementation of orders not to resuscitate. The provider may  
 8 withhold or withdraw cardiopulmonary resuscitation if  
 9 presented with an order not to resuscitate executed pursuant  
 10 to s. 401.45. The provider shall not be subject to criminal  
 11 prosecution or civil liability, nor be considered to have  
 12 engaged in negligent or unprofessional conduct, for

24 ~~disqualification exemption has not been requested of and~~  
25 ~~granted by the agency as set forth in chapter 435.~~

26 ~~(e) Each applicant must submit to the agency, with its~~
