 6 service is provided.

7 (2) Discrimination among residents by a provider of
 8 cable or video services is declared unlawful and constitutes a
 9 violation of this section.

10 (3) For purposes of determining whether a provider has
 11 violated subsection (2), a cable or video service provider may
 12 satisfy the nondiscrimination requirements of this section
 13 through the use of alternative technology that offers service,
 14 functionality, and content that is demonstrably similar to
 15 that provided through the provider's system and may include a
 16 technology that does not require the use of any public

4 (5) The Department of Legal Affairs shall be the sole
5 enforcing authority to bring an action pursuant to subsection
6 (2) and may initiate such action on its own, or on behalf of
7 a resident or an applicable local government. A private right

9 (6) In addition to all other remedies in this section,
10 only the enforcing authority may bring an action to enjoin
11 discrimination in the delivery of cable or video services and

13 (7) Upon a finding by a court of competent
14 jurisdiction that a provider has engaged in unlawful
