1 ~~reduced as a result of the rate adjustments made by a local~~
2 ~~exchange telecommunications company in accordance with s.~~
3 ~~364.164 shall decrease its intrastate long distance revenues~~
4 ~~by the amount necessary to return the benefits of such~~

13 ~~results in the elimination of such fee in a revenue-neutral~~
14 ~~manner. The tariff changes, if any, made by the intrastate~~
15 ~~interexchange telecommunications company to carry out the~~
16 ~~requirements of this subsection shall be presumed valid and~~
17 ~~shall become effective on 1 day's notice.~~

18 ~~(3) The commission shall have continuing regulatory~~
19 ~~oversight of intrastate switched network access and customer~~
20 ~~long distance rates for purposes of determining the~~
21 ~~correctness of any rate decrease by a telecommunications~~
22 ~~company resulting from the application of s. 364.164 and~~
23 ~~making any necessary adjustments to those rates.~~
