The Committee on Community Affairs (Storms) recommended the following **amendment to substitute amendment** (324716):

Senate Amendment

On page 2, lines 18-30, delete those lines

and insert: cable or video service provider shall furnish up to two public, educational, or governmental channels or capacity equivalent. The usage of the channels or capacity equivalent shall be determined by a majority of all of the provider's subscribers in the jurisdiction, in order of preference of all cable subscribers. Cable subscribers must be provided clear, plain language informing them that public access is unfiltered programming and contains adult content.
