

Amendment No.

CHAMBER ACTION

Senate

House

.

Representatives Altman offered the following:

Amendment

Between lines 960 and 961 insert:

h. Any structure designed by a licensed architect or engineer and constructed or renovated by a licensed contractor to withstand a 100 year storm event shall be entitled coverage by Citizens Property Insurance Corporation at a rate that is 10 percent above the private market for similarly constructed structures. The rates shall be published by the corporation to ensure property owners that coverage will be available at the time construction is complete.
