11   Senator Haridopolos moved the following amendment:

12

13   **Senate Amendment**

14   On page 25, lines 3 through 7, delete those lines, and

15   insert:

16   (7) On or before June 25, 2007, the executive director

17   of the Department of Revenue shall notify each property

18   appraiser and the chair of the governing body of each county

19   and municipality of the amount of the tax levies that will be

20   used to calculate each jurisdiction's compound annual growth

21   rate as determined in this subsection. On or before July 2,

22   2007, each property appraiser and the chair of each such

23   governing body, or their designee, shall report to the

24   executive director whether the information that was provided

25   is correct and, if incorrect, provide corrected information

26   along with the basis for any correction. The Governor may

27   consider failure to report as required in this subsection as

28   sufficient grounds to constitute malfeasance or neglect of

29   duty by any person required to report under this subsection.

30   On or before July 13, 2007, the executive director of the

31   Department of Revenue, after consultation with the Revenue

1 Estimating Conference, shall determine and publish on the

2 Department of Revenue's website the compound annual
