In order to identify potential cost savings for inmate health services, the Department of Corrections shall release an invitation to negotiate by November 15, 2007, to (a) consider whether costs associated with contracted rates of medical providers for off-site inmate medical care could be reduced under a statewide preferred provider organization or other network provider; (b) determine whether costs associated with inmate prescription drugs may be reduced through the use of a drug-purchasing consortium; and (c) identify other cost savings that could be achieved through other health services utilization management controls. The department shall report its findings and recommendations to the Executive Office of the Governor, Office of Policy and Budget, the chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council by January 15, 2008.

PROGRAM: RESIDENTIAL CORRECTIONS PROGRAM

It is the intent of the Legislature that the Department of Juvenile Justice place the greatest priority on reducing the number of juveniles who are committed to residential facilities which have more than 165 beds by placing juveniles in facilities with 165 beds or less. The Legislature further intends that the department fill as many of the vacancies as possible in facilities having fewer than 165 beds. The department may fund new facilities having fewer than 165 beds.

The department shall initiate the transfer of juvenile offenders from the Polk Youth Development Center to existing facilities serving offenders at the same risk level, which have 165 beds or less and which have vacancies. As soon as possible after the closure of the Polk Youth Development Center, the Department of Juvenile Justice shall transfer the facility to the Department of Corrections for the purpose of housing inmates in its custody that have been sentenced to imprisonment for eighteen months or less. In addition, the Department of Corrections shall submit a report to the Executive Office of the Governor, Office of Policy and Budget, the chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council by January 1, 2008, detailing the cost and timeline for transferring this facility to the department.

The Department of Juvenile Justice shall develop a plan for phasing out residential commitment facilities with capacities exceeding 165 residents. Such plan shall include any cost savings resulting from the closure of these facilities and shall be submitted to the Executive Office of the Governor, Office of Policy and Budget, the chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council by January 1, 2008. The department must seek approval of the Legislative Budget Commission to use funds realized from the cost savings resulting from the closure of these facilities.

The funds shall be applied to each of the trauma centers and hospitals defined in section 408.07(45), Florida Statutes, in the same proportion as the reduction amounts are applied under Section 3 of this act. The agency shall implement a methodology in the Title XIX Inpatient Hospital Reimbursement Plan to achieve this offset, effective January 1, 2008. SECTION 14. The Department of Corrections and the Department of Management Services are authorized to reimburse contractors moneys that were appropriated in the Privately Operated Institutions Inmate Welfare Trust Fund for the 2005-2006 fiscal year but were not distributed during the 2005-2006 fiscal year, provided the invoices were approved for reimbursement under the contract during the 2005-2006 fiscal year.

The plan shall document the department's need for general revenue after accounting for updated projections of trust fund receipts, balances and cash reserves, evaluating current expenditure levels, proposing actions to reduce current year expenditures, and proposing actions to prioritize spending of available trust funds with consideration given to deferring implementation of those appropriations that are new for, or reflect increases for, the 2007-2008 fiscal year.
