JUVENILE JUSTICE, DEPARTMENT OF

It is the intent of the Legislature that the Department of Juvenile Justice place the greatest priority on reducing the number of juveniles who are committed to residential facilities which have more than 165 beds by placing juveniles in facilities with 165 beds or less. The Legislature further intends that the department fill as many of the vacancies as possible in facilities having fewer than 165 beds. The department may fund new facilities having fewer than 165 beds.

The department shall initiate the transfer of juvenile offenders from the Polk Youth Development Center to existing facilities serving offenders at the same risk level, which have 165 beds or less and which have vacancies. As soon as possible after the closure of the Polk Youth Development Center, the Department of Juvenile Justice shall transfer the facility to the Department of Corrections for the purpose of housing inmates in its custody that have been sentenced to imprisonment for eighteen months or less. In addition, the Department of Corrections shall submit a report to the Office of Policy and Budget, chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council by January 1, 2008, detailing the cost and timeline for transferring this facility to the department.

The Department of Juvenile Justice shall develop a plan for phasing out residential commitment facilities with capacities exceeding 165 residents. Such plan shall include any cost savings resulting from the closure of these facilities and shall be submitted to the Office of Policy and Budget, the chair of the Senate Fiscal Policy and Calendar Committee and the chair of the House Policy and Budget Council by January 1, 2008.
