17 owner-controlled insurance program for both private and public
18 entities to meet minimum deductible and premium requirements.
19 For purposes of this section, the term "owner-controlled
20 insurance program" means a consolidated insurance program or
21 series of insurance policies issued to an entity that may
22 provide one or more of the following types of insurance coverage
23 for any contractor or subcontractor working at specified or
24 multiple contracted work sites of a construction project:
25 general liability, property damage excluding damage to real
26 property, workers' compensation, or employer's liability. Such
27 deductibles shall in all cases be in a form and manner which is
28 consistent with the underlying purpose of chapter 440.
