 19 Be It Enacted by the Legislature of the State of Florida:

20
 21 Section 1. Subsection (5) of section 163.3162, Florida
 22 Statutes, is amended to read:

23 163.3162 Agricultural Lands and Practices Act.--

24 (5) AMENDMENT TO LOCAL GOVERNMENT COMPREHENSIVE PLAN.--The
 25 owner of a parcel of land defined as an agricultural enclave
 26 under s. 163.3164(33) may apply for an amendment to the local
 27 government comprehensive plan pursuant to s. 163.3187. Such
 28 amendment is presumed to be consistent with rule 9J-5.006(5),

29 Florida Administrative Code, and may include land uses,
30 densities, and intensities of use that are consistent with the
31 uses, densities, and intensities of use of the industrial,
32 commercial, or residential areas that surround the parcel. This
33 presumption may be rebutted by clear and convincing evidence.
34 Each application for a comprehensive plan amendment under this
35 subsection for a parcel larger than 640 acres must include
36 appropriate new urbanism concepts such as clustering, mixed-use
37 development, the creation of rural village and city centers, and
38 the transfer of development rights in order to discourage urban
39 sprawl while protecting landowner rights. Notwithstanding the
40 provisions of a comprehensive plan, the local government may not
41 prohibit land uses, densities, and intensities of use that are
42 consistent with the uses, densities, and intensities of use of
43 the industrial, commercial, or residential areas that surround
44 the parcel. Densities and intensities of use for an agricultural
45 enclave shall, at minimum, be calculated as the average density
46 or intensity of uses within 3 miles of the perimeter of the
47 parcel. If a local government imposes development conditions
48 that prevent the owner from achieving consistent densities and
49 intensities of use pursuant to this subsection, the owner may
50 apply to the circuit court for appropriate relief pursuant to s.
51 70.001 after presenting a claim to the local government as set
52 forth in s. 70.001(4)(a). The imposition of such conditions is
53 presumed to impose an inordinate burden. This presumption may be
54 rebutted by clear and convincing evidence. This subsection shall
55 not apply to comprehensive plan provisions, development
56 conditions, or land development regulations enacted by a local

57 government to address compatibility of land uses with military
58 operations or installations.

59 (a) The local government and the owner of a parcel of land
60 that is the subject of an application for an amendment shall
61 have 180 days following the date that the local government
62 receives a complete application to negotiate in good faith to
63 reach consensus on the land uses, densities, and intensities of
64 use that are consistent with the uses, densities, and
65 intensities of use of the industrial, commercial, or residential
66 areas that surround the parcel. Within 30 days after the local
67 government's receipt of such an application, the local
68 government and owner must agree in writing to a schedule for
69 information submittal, public hearings, negotiations, and final
70 action on the amendment, which schedule may thereafter be
71 altered only with the written consent of the local government
72 and the owner. Compliance with the schedule in the written
73 agreement constitutes good faith negotiations for purposes of
74 paragraph (d) ~~(e)~~.

75 (b) Upon conclusion of good faith negotiations under
76 paragraph (a), regardless of whether the local government and
77 owner reach consensus on the land uses, densities, and
78 intensities of use that are consistent with the uses, densities,
79 and intensities of use of the industrial, commercial, or
80 residential areas that surround the parcel, the amendment must
81 be transmitted to the state land planning agency for review
82 pursuant to s. 163.3184. If the local government fails to
83 transmit the amendment within 180 days after receipt of a
84 complete application, the amendment must be immediately

85 transferred to the state land planning agency for such review at
86 the first available transmittal cycle. A plan amendment
87 transmitted to the state land planning agency submitted under
88 this subsection is presumed to be consistent with rule 9J-
89 5.006(5), Florida Administrative Code. This presumption may be
90 rebutted by clear and convincing evidence.

91 (c) Notwithstanding the provisions of a comprehensive
92 plan, after review by the state land planning agency, the owner
93 shall respond to any objections, recommendations, or comments
94 issued by the agency pursuant to s. 163.3184(6) and address each
95 compliance issue raised by the state land planning agency
96 related to the owner's property. If the department has issued no
97 objections, recommendations, or comments, or if the owner has
98 responded to any objections, recommendations, or comments and
99 the local government denies or fails to approve the amendment
100 within the time period specified in s. 163.3184(7), such denial
101 or failure to approve the amendment is presumed to impose an
102 inordinate burden, and the owner may apply to the circuit court
103 for appropriate relief pursuant to s. 70.001 after presenting a
104 claim to the local government as set forth in s. 70.001(4)(a). A
105 plan amendment reviewed by the land planning agency under this
106 subsection is presumed to be consistent with the provisions of
107 rule 9J-5.006(5), Florida Administrative Code. This presumption
108 may be rebutted by clear and convincing evidence.

109 (d)-(e) If the owner fails to negotiate in good faith, a
110 plan amendment submitted under this subsection is not entitled
111 to the rebuttable presumption under this subsection in the
112 negotiation and amendment process.

113 (e)~~(d)~~ Nothing within this subsection relating to
 114 agricultural enclaves shall preempt or replace any protection
 115 currently existing for any property located within the
 116 boundaries of the following areas:

- 117 1. The Wekiva Study Area, as described in s. 369.316; or
- 118 2. The Everglades Protection Area, as defined in s.
 119 373.4592(2).

120 (f) For concurrency purposes, agricultural enclaves shall
 121 be treated as any previously approved development surrounding
 122 the agricultural enclave has been treated and calculated as the
 123 average concurrency requirements within 3 miles of the perimeter
 124 of the parcel.

125 Section 2. Paragraph (d) of subsection (33) of section
 126 163.3164, Florida Statutes, is amended to read:

127 163.3164 Local Government Comprehensive Planning and Land
 128 Development Regulation Act; definitions.--As used in this act:

129 (33) "Agricultural enclave" means an unincorporated,
 130 undeveloped parcel that:

131 (d) Has public services, including water, wastewater,
 132 transportation, schools, and recreation facilities, available or
 133 such public services are scheduled in the capital improvement
 134 element to be provided by the local government or can be
 135 provided by an alternative provider of local government
 136 infrastructure ~~in order to ensure consistency with applicable~~
 137 ~~concurrency provisions of s. 163.3180; and~~

138 Section 3. Subsections (6) and (7) of section 163.3245,
 139 Florida Statutes, are renumbered as subsections (7) and (8),

140 respectively, and a new subsection (6) is added to that section
141 to read:

142 163.3245 Optional sector plans.--

143 (6) If an application for development approval or an
144 application for a comprehensive plan amendment pursuant to this
145 part has been filed and is pending prior to the effective date
146 of a sector plan, the application shall only be required to
147 comply with the provisions of a subsequently adopted sector plan
148 upon written consent of the applicant. This subsection applies
149 to all applications within a sector planning area pending before
150 a local government on or before December 31, 2007.

151 Section 4. This act shall take effect July 1, 2008.
