---

1 The Committee on Community Affairs (Haridopolos) recommended the  
 2 following **substitute for amendment (082600)**:

**Senate Amendment (with title amendment)**

Between line(s) 155-156

and insert:

Section 3. Subsection (3) of section 381.0101, Florida Statutes, is amended to read:

381.0101 Environmental health professionals.--

(3) CERTIFICATION REQUIRED.--No person shall perform environmental health or sanitary evaluations in any primary program area of environmental health without being certified by the department as competent to perform such evaluations. ~~The requirements of This section does not apply to: shall not be mandatory for~~

(a) Persons performing inspections of public food service establishments licensed under chapter 509; or

687590

18       (b) Persons performing site evaluations in order to  
 19 determine proper placement and installation of onsite wastewater  
 20 treatment and disposal systems who have successfully completed a  
 21 department-approved soils morphology course and who are working  
 22 under the direct responsible charge of an engineer licensed under  
 23 chapter 471. Such persons shall receive a minimum of 6 continuing  
 24 education units of department-approved training in soils  
 25 morphology every two years.

26  
27 ===== T I T L E   A M E N D M E N T =====

28 And the title is amended as follows:

29       On line 9, after the semicolon  
30 insert:

31       amending s. 318.0101, F.S.; exempting certain persons who  
 32       are performing site evaluations relating to wastewater  
 33       treatment and disposal systems from having to be certified  
 34       as an environmental health professional by the Department  
 35       of Health; providing that such persons must have completed  
 36       a soils morphology course approved by the department and  
 37       be working under the direct responsible charge of a  
 38       licensed engineer; providing continuing education  
 39       requirements for such persons;
