7  
8 (c) Notwithstanding any other provision of law, expressway  
9 authorities created under parts I-X of chapter 348 may index toll  
10 rates on toll facilities to the annual Consumer Price Index or  
11 similar inflation indicators. Once a toll rate index has been  
12 implemented pursuant to this paragraph, the toll rate index shall  
13 remain in place and may not be revoked. Toll rate index for  
14 inflation under this subsection must be adopted and approved by  
15 the expressway authority board at a public meeting and may be  
16 made no more frequently than once a year and must be made no less  
17 frequently than once every 5 years as necessary to accommodate
