1 The Committee on Education Pre-K - 12 Appropriations
2 (Constantine) recommended the following **amendment**:

3
4 **Senate Amendment (with title amendment)**

5 Delete lines 16-20

6 and insert:

7 (1) INCENTIVES.--

8 (a) A provider or school district may not provide
9 incentives to entice a student or a student's parent to choose a
10 provider. After a provider has been chosen, the student may be
11 awarded incentives for performance or attendance, the total value
12 of which may not exceed \$50 per student per year.

13 (b) A provider may allow a student who has successfully
14 completed the program to retain instructional materials; however,
15 notwithstanding paragraph (a), a provider may not promote any
16 such retention of instructional materials as an incentive to
17 entice a student or a student's parent to participate in the

18 program. As used in this paragraph, the term "instructional
19 materials" means materials that are necessary for a student's
20 participation and completion of the program and may include, but
21 are not limited to, textbooks, workbooks, computers, and
22 educational software.

25 And the title is amended as follows:

26 On line 3, after the semicolon,
27 insert:

28 authorizing a provider of supplemental educational
29 services to allow students to retain instructional
30 materials after completion of the program; prohibiting the
31 promotion of such materials as an incentive to entice a
32 student or parent to choose a provider; defining the term
33 "instructional materials";
