19 (1) INCENTIVES.--A provider or school district may not
20 provide incentives to entice a student or a student's parent to
21 choose a provider. After a provider has been chosen, the student
22 may be awarded incentives for performance or attendance, the
23 total value of which may not exceed \$50 per student per year.

24 (2) RESPONSIBILITIES OF SCHOOL DISTRICT AND PROVIDER.--

25 (a) School districts must create a streamlined parent
26 enrollment and provider selection process for supplemental
27 educational services and ensure that the process enables eligible
28 students to begin receiving supplemental educational services no
29 later than October 15 of each school year.

20081414e1

30 (b) Supplemental educational services enrollment forms must
31 be made freely available to the parents of eligible students and
32 providers both prior to and after the start of the school year.

33 (c) School districts must provide notification to parents
34 of students eligible to receive supplemental educational services
35 prior to and after the start of the school year. Notification
36 shall include contact information for state-approved providers as
37 well as the enrollment form, clear instructions, and timeline for
38 the selection of providers and commencement of services.

40 providers must be able to provide services to eligible students
41 no later than October 15 of each school year contingent upon
42 their receipt of their district-approved student enrollment lists
43 at least 20 days prior to the start date.

45 provider is signed less than 20 days prior to October 15, the
46 provider shall be afforded no less than 20 days from the date the
47 contract was executed to begin delivering services.

49 supplemental educational services unless or until it has obtained
50 a written election to receive or reject services from parents in
51 accordance with paragraph (3) (a).

52 (g) School districts, using the same policies applied to
53 other organizations that have access to school sites, shall

63 of at least a majority of the students receiving free or reduced-
64 price lunch in Title I schools that are eligible for parental
65 choice of transportation or supplemental educational services
66 unless a waiver is granted by the State Board of Education. A
67 waiver shall only be granted if there is clear and convincing
68 evidence of the district's efforts to secure evidence of the

73 educational services to school districts in which the provider is
74 approved by the state. If a state-approved provider withdraws
75 from offering services to students in a school district in which
76 it is approved and in which it has signed either a contract to
77 provide services or a letter of intent and the minimums per site
78 set by the provider have been met, the school district must
79 report the provider to the department. The provider shall be
80 immediately removed from the state-approved list for the current
81 school year for that school district. Upon the second such
82 withdrawal in any school district, the provider shall be
83 ineligible to provide services in the state the following year.

85 spent the required supplemental educational services set-aside

88 Commissioner of Education does not approve the reallocation of
89 funds, the district may appeal to the State Board of Education.

92 final.

105 learning gains and student proficiency levels, as measured by the
106 statewide assessment pursuant to s. 1008.22, and norm-referenced
107 tests approved by the Department of Education for students in
108 kindergarten through grade 3.
