13 Be It Enacted by the Legislature of the State of Florida:
 14

15 Section 1. This act may be cited as "Erin's Law."

16 Section 2. Paragraph (d) of subsection (3) of section
 17 1006.15, Florida Statutes, is amended, and paragraphs (e) and
 18 (f) are added to that subsection, to read:

19 1006.15 Student standards for participation in
 20 interscholastic extracurricular student activities;
 21 regulation.--

22 (3)

23 (d) An individual charter school student pursuant to s.
 24 1002.33 is eligible to participate at the public school to which
 25 the student would be assigned according to district school board
 26 attendance area policies or which the student could choose to
 27 attend, pursuant to district or interdistrict controlled open-
 28 enrollment provisions, in any interscholastic extracurricular

29 activity of that school, unless such activity is provided by the
30 student's charter school, if the following conditions are met:

31 1. The charter school student must meet the requirements
32 of the charter school education program as determined by the
33 charter school governing board.

34 2. During the period of participation at a school, the
35 charter school student must demonstrate educational progress by
36 maintaining the grade point average required by this section and
37 passing each class for which he or she is enrolled ~~as required~~
38 ~~in paragraph (b)~~.

39 3. The charter school student must meet the same residency
40 requirements as other students in the school at which he or she
41 participates.

42 4. The charter school student must meet the same standards
43 of acceptance, behavior, and performance that are required of
44 other students in extracurricular activities.

45 5. The charter school student must register with the
46 school his or her intent to participate in interscholastic
47 extracurricular activities as a representative of the school
48 before the beginning date of the season for the activity in
49 which he or she wishes to participate. A charter school student
50 must be able to participate in curricular activities if that is
51 a requirement for an extracurricular activity.

52 6. A student who transfers from a charter school program
53 to a traditional public school before or during the first
54 grading period of the school year is academically eligible to
55 participate in interscholastic extracurricular activities during
56 the first grading period if the student has a successful

57 | evaluation from the previous school year, pursuant to
58 | subparagraph 2.

59 | 7. Any public school or private school student who has
60 | been unable to maintain academic eligibility for participation
61 | in interscholastic extracurricular activities is ineligible to
62 | participate in such activities as a charter school student until
63 | the student has successfully completed one grading period in a
64 | charter school pursuant to subparagraph 2. to become eligible to
65 | participate as a charter school student.

66 | (e) A private school student is eligible to participate in
67 | interscholastic sports at the public school to which the student
68 | would be assigned according to the district school board's
69 | attendance area policies or at a public school that the student
70 | could choose to attend under district or interdistrict
71 | controlled open enrollment provisions if all of the following
72 | conditions are met:

73 | 1. The private school student meets the requirements of
74 | the private school program pursuant to s. 1002.42.

75 | 2. The private school in which the student is enrolled
76 | does not offer the interscholastic sports in which the student
77 | would participate at the public school.

78 | 3. During the period of participation at the public
79 | school, the private school student demonstrates educational
80 | progress by maintaining the grade point average required by this
81 | section and passing each class for which he or she is enrolled
82 | in the private school program as confirmed by a transcript from
83 | the private school. If the private school student is unable to
84 | maintain academic eligibility for participating in

85 interscholastic sports, the student is ineligible to participate
86 in such activities until he or she successfully completes one
87 grading period in all subjects taken in the private school
88 program.

89 4. The private school student meets the same residency
90 requirements as other students in the school at which he or she
91 participates.

92 5. The private school student meets the same standards of
93 acceptance, behavior, and performance as required of other
94 students participating in interscholastic sports at the public
95 school.

96 6. The private school student registers with the public
97 school his or her intent to participate in interscholastic
98 sports as a representative of the school before the beginning
99 date of the season for the activity in which he or she wishes to
100 participate; however, the private school student must be able to
101 participate in curricular activities if that is a requirement
102 for interscholastic sports. A student who transfers from a
103 private school program to a public school before or during the
104 first grading period of the school year is academically eligible
105 to participate in interscholastic sports during the first
106 grading period if the student meets the requirements of
107 subparagraph 3. from the previous school year.

108 7. The private school in which the student is enrolled
109 provides an affidavit to the public school which states that the
110 private school:

111 a. Does not offer the interscholastic sports in which the
112 student would participate at the public school; and

113 b. Did not offer the interscholastic sports in which the
114 student would participate in during the prior academic year.

115 (f) A public school student is eligible to participate in
116 interscholastic sports at another public school to which the
117 student would be assigned according to the district school
118 board's attendance area policies or at a public school that the
119 student could choose to attend under district controlled open
120 enrollment provisions if all of the following conditions are
121 met:

122 1. The public school in which the student is enrolled does
123 not offer the interscholastic sports in which the student would
124 participate at the public school.

125 2. During the period of participation at the school, the
126 student demonstrates educational progress as required in
127 paragraph (a).

128 3. The public school in which the student is enrolled is
129 in the same school district as that in which the student intends
130 to participate in the interscholastic sports under this section.

131 4. The student meets the same standards of acceptance,
132 behavior, and performance as required of other students in
133 interscholastic sports.

134 5. The student registers with the school his or her intent
135 to participate in interscholastic sports as a representative of
136 the school before the beginning date of the season for the
137 activity in which he or she wishes to participate. A student
138 must be able to participate in curricular activities if that is
139 a requirement for interscholastic sports.

140 6. A student who transfers from the school in which he or

CS/HB 1481

2008

141 she is enrolled to another public school before or during the
142 first grading period of the school year is academically eligible
143 to participate in interscholastic sports during the first
144 grading period if the student has a successful evaluation from
145 the previous school year pursuant to subparagraph 2.

146 7. Any public school student who has been unable to
147 maintain academic eligibility for participation in
148 interscholastic sports is ineligible to participate in such
149 activities until the student has successfully completed one
150 grading period in the student's home school pursuant to
151 subparagraph 2. to become eligible to participate.

152 Section 3. This act shall take effect July 1, 2008.
