- (b) "Unblended gasoline" means gasoline that has not been blended with fuel ethanol.
- (2) FUEL STANDARD. -- On and after December 31, 2010, all gasoline sold or offered for sale in Florida at retail shall contain, at a minimum 10 percent of a agriculturally derived, denatured ethanol fuel by volume. No terminal supplier, importer, exporter, blender, or wholesaler in this state shall sell or deliver fuel, as mandated in this act, which does not meet the blending requirements of this act.
- (3) EXEMPTIONS. -- The requirements of this act do not apply to the following:
 - (a) Fuel used in aircraft;
- (b) Fuel sold at marinas and mooring docks for use in boats and similar watercraft;
- (c) Fuel sold at public or private racecourses intended to be used exclusively as a fuel for off-highway motor sports racing events;
- (d) Fuel sold for use in collector vehicles or vehicles eligible to be licensed as collector vehicles, off-road vehicles, motorcycles, or small engines.
- (e) Fuel unable to comply due to requirements of the United States Environmental Protection Agency;
 - (f) Fuel bulk transferred between terminals;
 - (g) Fuel exported from the state in accordance with 206.052;
- (h) Fuel qualifying for any exemption in accordance with chapter 206;
- (i) Fuel at an electric power plant that is regulated by the United States Nuclear Regulatory Commission unless such commission has approved the use of fuel meeting the requirements of subsection (2);

- (j) Fuel for a railroad locomotive; or
- (k) Fuel for equipment, including vehicle or vessel, covered by a warranty that would be voided, if explicitly stated in writing by the vehicle or vessel manufacturer, if it were to be operated using fuel meeting the requirements of subsection (2).
- (4) REPORT. -- Pursuant to s. 206.43, each terminal supplier, importer, exporter, blender, and wholesaler shall include in its report to the Department of Revenue, the number of gallons of gasoline fuel meeting and not meeting the requirements of this act, sold and delivered by the terminal supplier, importer, exporter, blender, or wholesaler in the state, and the destination as to the county in the state to which the gasoline was delivered for resale at retail or use.

Section 30. Section 526.204, Florida Statutes, is created to read:

- 526.204 Suspension during declared emergencies; waivers.--
- (1) To account for supply disruptions and ensure reliable supplies of motor fuels for Florida, the requirements of this act shall be suspended when the provisions of s. 252.36(2) in any area of the state are in effect plus an additional thirty days.
- (2) If a terminal supplier, importer, exporter, blender, or wholesaler is unable to obtain fuel ethanol or fuel ethanolblended gasoline at the same or lower price than the price of unblended gasoline, then the sale or delivery of unblended gasoline by the terminal supplier, importer, exporter, blender, or wholesaler shall not be deemed a violation of this act. The terminal supplier, importer, exporter, blender, or wholesaler shall, upon request, provide the required documentation regarding the sales transaction and price of fuel ethanol, fuel ethanol-

blended gasoline, and unblended gasoline to the Department of Revenue.

Section 31. Section 526.205, Florida Statutes, is created to read:

526.205 Enforcement.--

- (1) It is unlawful to sell or distribute, or offer for sale or distribution, any gasoline which fails to meet the requirements of this act.
- (2) Upon determining that a terminal supplier, importer, exporter, blender, or wholesaler is not meeting the requirements of s. 526.203(2), the Department of Revenue shall notify the department.
- (3) Upon notification by the Department of Revenue of a violation of this act, the department shall, subject to subsection (1), grant an extension or enter an order imposing one or more of the following penalties:
 - 1. Issuance of a warning letter.
- 2. Imposition of an administrative fine of not more than \$1,000 per violation for a first-time offender. For a second-time or repeat offender, or any person who is shown to have willfully and intentionally violated any provision of this chapter, the administrative fine shall not exceed \$5,000 per violation. When imposing any fine under this section, the department shall consider the amount of money the violator benefited from by noncompliance, whether the violation was committed willfully, and the compliance record of the violator.
- 3. Revocation or suspension of any registration issued by the department.
- (4) Any terminal supplier, importer, exporter, blender, or wholesaler may apply to the department by September 30, 2010, for

an extension of time to comply with the requirements of this act. The application for an extension must demonstrate that the applicant has made a good faith effort to comply with the requirements but has been unable to do so for reasons beyond the applicant's control, such as delays in receiving governmental permits. The department shall review each application and make a determination as to whether the failure to comply was beyond the control of the applicant. If the department determines that the applicant made a good faith effort to comply, but was unable to do so for reasons beyond the applicant's control, the department shall grant an extension of time determined necessary for the applicant to comply. If no extension is granted, the department shall proceed with enforcement pursuant to subsection (3).

Section 32. Section 526.206, Florida Statutes, is created to read:

526.206 Rules.--

- (1) The Department of Revenue is authorized to adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this act.
- (2) The Department of Agriculture and Consumer Services is authorized to adopt rules pursuant to ss. 120.536(1) and 120.54 to implement the provisions of this act.

Section 33. Section 526.207, Florida Statutes, is created to read:

526.207 Studies and Reports.--

(1) The Florida Energy Commission shall conduct a study to evaluate and recommend the lifecycle greenhouse gas emissions associated with all renewable fuels including, but not limited to, biodiesel, renewable diesel, biobutanol, ethanol derived from corn, ethanol derived from sugar, and cellulosic ethanol. In

addition, the study shall evaluate and recommend a requirement that all renewable fuels introduced into commerce in the state, as a result of the Renewable Fuel Standard, shall reduce the lifecycle greenhouse gas emissions by an average percentage. The study may also evaluate and recommend any benefits associated with the creation, banking, transfer, and sale of credits among fuel refiners, blenders, and importers.

(2) The Florida Energy Commission shall submit a report containing specific recommendations to the President of the Senate and the Speaker of the House of Representatives no later than December 31, 2010.
