**Senate Amendment (with title amendment)**

Between line(s) 33-34

insert:

Section 3. Subsection (12) is added to section 633.0215, Florida Statutes, to read:

633.0215 Florida Fire Prevention Code.--

(12) Notwithstanding other provisions of this section, the State Fire Marshall must study the use of managed, facilities-based voice over Internet protocol telephone service for monitoring fire alarm signals. If the study determines that voice over Internet protocol telephone service technology provides a level of protection equivalent to that required by NFPA 72: National Fire Alarm Code, the State Fire Marshall must initiate rulemaking pursuant to ss. 120.536(1) and 120.54 by December 1,
