CHAMBER ACTION

<u>Senate</u>	.	<u>House</u>
Comm: RCS	.	
3/19/2008	.	
	.	
	.	

1 The Committee on Health Regulation (Peaden) recommended the
 2 following **amendment**:

Senate Amendment

Delete line(s) 184-188

and insert:

7 (1) Notwithstanding any other law, all residential swimming
 8 pools and spas in the state having a single main drain other than
 9 an unblockable drain must be equipped with devices and systems
 10 designed to prevent entrapment by pool or spa drains. Such
 11 devices and systems must, at a minimum, include one or more of
 12 the following:
