Florida Senate - 2008 Bill No. SB 1634

18	Department of Environmental Protection shall notify the relevant
19	local government in writing or by electronic correspondence of
20	the results of its investigation.
21	
22	=========== T I T L E A M E N D M E N T =================================
23	And the title is amended as follows:
24	Delete line(s) 35-39
25	and insert:
26	
27	the local government and the local office of the
28	Department of Environmental Protection contemporaneously
29	with the issuance of the health advisory; requiring the
30	Department of Environmental Protection to promptly
31	investigate wastewater treatment facilities within a
32	certain distance of the affected beach; requiring the
33	department to notify the local government in writing or by
34	electronic correspondence of the results of such
35	investigation; providing an effective date.
