 8 to the state. When the Department of Health issues a health
 9 advisory against swimming in beach waters on the basis of finding
 10 elevated levels of fecal coliform or enterococci bacteria in a
 11 water sample, the Wastewater Compliance Evaluation Section of the
 12 Department of Environmental Protection shall investigate
 13 wastewater treatment facilities within 1 mile of the affected
 14 beach to determine if a wastewater treatment facility experienced
 15 an incident that may have contributed to the contamination. The
 16 Department of Health shall also notify the municipality or county
 17 in which the affected beach is located of the health advisory.
