SUMMARY ANALYSIS

Property appraisers are responsible for preparing and delivering to each taxpayer on the current year's assessment roll a notice of proposed property taxes and non-ad valorem assessments on behalf of taxing authorities and local governing boards levying both ad valorem taxes and non-ad valorem assessments. This notice is commonly referred to as the Truth in Millage (TRIM) notice.

This bill revises the TRIM notice to include millage rates by adding three additional columns for the following information:

- Last year's millage rate;
- Current year's millage rate if the proposed budget change is made; and
- Current year's millage rate if no budget change is made.

This bill does not appear to have a fiscal impact on state government; Some local governments may incur additional expenses to redesign the form.

This bill has an effective date of January 1, 2009.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government – The bill creates additional requirements for the Truth in Millage notice.

Ensure lower taxes – The bill increases the information given to taxpayers in the Truth in Millage notice, which will assist them in evaluating taxes local governments propose for the next fiscal year.

B. EFFECT OF PROPOSED CHANGES:

PRESENT SITUATION

Property appraisers are responsible for preparing notices of proposed property taxes and non-ad valorem assessments on behalf of all taxing authorities and local governing boards levying ad valorem taxation and non-ad valorem assessments. Property appraisers must prepare and deliver these notices to each taxpayer listed on the current year's assessment roll.¹ This notice is called the Truth in Millage Notice (TRIM).

Section 200.069, F.S., provides the elements and format of the TRIM notice, which generally is the only acceptable means of providing notice to taxpayers. The Department of Revenue (Department) prescribes the forms. A county officer may use a different form provided that it is substantively similar to the one prescribed by the Department, his or her office pays the related expenses, and he or she obtains prior written permission from the executive director of the Department.

For counties with populations of 100,000 or fewer, the Department provides the forms. For counties with a higher population, the responsible county officer reproduces the forms for distribution at the expense of their office.²

Section 200.069, F.S., specifies that the information on the TRIM notice must appear in columnar form:

TAXING AUTHORITY	Your Property Taxes Last Year	Your Taxes This Year IF PROPOSED BUDGET CHANGE IS MADE	A Public Hearing on the Proposed Taxes and Budget Will be Held:	Your Taxes This Year IF NO Budget Change is Made
------------------	-------------------------------	--	---	--

The following information must be listed underneath each of the headings:

- Taxing Authority – A brief commonly used name for the taxing authority or local governing body.
- Your Property Taxes Last Year – The gross amount of ad valorem taxes levied against the parcel in the previous year. If the parcel did not exist in the previous year, this column shall be blank.
- Your Taxes This Year IF PROPOSED BUDGET CHANGE IS MADE – The gross amount of ad valorem taxes proposed to be levied in the current year, which amount shall be based on the proposed millage rates provided to the property appraiser, or in the case of voted levies for debt service, the millage rate previously authorized by referendum, and the taxable value of the parcel as shown on the current year's assessment roll.
- A Public Hearing on the Proposed Taxes and Budget Will be Held – The date, time, and a brief description of the location of the required public hearing.

¹ Section 200.065(2)(b), F.S.

² Section 195.022, F.S.

- Your Taxes This Year IF NO Budget Change is Made – The gross amount of ad valorem taxes which would apply to the parcel in the current year if each taxing authority were to levy the rolled-back rate.³

EFFECT OF PROPOSED CHANGES

This bill amends s. 200.069, F.S., to include three additional columns in the TRIM notice, bringing the total to eight. The new factors included on the notice are:

- Millage Rate Last Year – The millage rate for ad valorem taxes levied against the parcel in the previous year. If the parcel did not exist in the previous year, this column shall be blank.
- Millage Rate This Year IF PROPOSED Budget Change is Made – The proposed millage rate for ad valorem taxes to be levied against the parcel in the current year.
- Millage Rate IF NO Budget Change is Made – The millage rate for ad valorem taxes to be levied against the parcel if no budget change is made.

The changes would result in the following format:

TAXING AUTHORITY	Your Property Taxes Last Year	Millage Rate Last Year	Your Taxes This Year IF PROPOSED BUDGET CHANGE IS MADE	Millage Rate This Year IF PROPOSED BUDGET CHANGE IS MADE	A Public Hearing on the Proposed Taxes and Budget Will be Held:	Your Taxes This Year IF NO Budget Change is Made	Millage Rate IF NO Budget Change is Made
------------------	-------------------------------	------------------------	--	--	---	--	--

C. SECTION DIRECTORY:

Section 1 amends s. 200.069, F.S., to include historic and proposed millage rates in the TRIM notice.

Section 2 amends s. 200.065, F.S., to conform a cross-reference.

Section 3 provides an effective date of January 1, 2009.

2. Expenditures:

None.⁴

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

³ Section 200.065(1), F.S., describes the “rolled-back rate” as the millage rate which, exclusive of new construction, additions to structures, deletions, increase in the value of improvements that have undergone substantial rehabilitation which increased the assessed value by at least 100 percent, and property added due to geographic boundary changes, will yield the same ad valorem tax revenue for each taxing authority as was levied during the prior year.

⁴ Email from the Department of Revenue, January 28, 2008.

County officers who use a form other than the form prescribed by the Department of Revenue, after receiving the written permission of the Department, may incur additional expenses to redesign the form. In addition, counties with a population of 100,000 or more are required to print their own TRIM notices. As such, these counties may incur additional expenditures in the change from one form to another.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill may require counties to spend funds to redesign the TRIM notice. As such, the mandates provision may apply. However, expenditures, if any, are expected to be insignificant. Therefore, the bill will be exempt from the mandates provision.

B. RULE-MAKING AUTHORITY:

D. STATEMENT OF THE SPONSOR

HB 177 amends the current requirements of 200.065 F.S. This statute requires the property appraisers pursuant to s. 200.065(2)(b) to prepare and deliver each taxpayer a notice of proposed taxes. This notice is commonly called the Truth in Millage Notice (TRIM). Presently the TRIM notice does not include the millage each taxing authority and local governing boards levy within their jurisdiction. This bill requires the Truth in Millage Notice to disclose the actual millage used to determine the actual tax.

IV. AMENDMENTS/COUNCIL SUBSTITUTE CHANGES

None.
