6 and insert:

7 (c) The department may enter into agreements under this  
8 subsection for a project or project phase not included in the  
9 adopted work program. As used in this paragraph, the term  
10 "project phase" means acquisition of rights-of-way, construction,  
11 construction inspection, and related support phases. The project  
12 or project phase must be a high priority of the governmental  
13 entity. Reimbursement for a project or project phase must be made  
14 from funds appropriated by the Legislature pursuant to s.  
15 339.135(5). All other provisions of this subsection apply to  
16 agreements entered into under this paragraph. The total amount of  
17 project agreements for projects or project phases not included in
