1 The Committee on Judiciary (Villalobos) recommended the following  
2 **amendment:**

3  
4 **Senate Amendment (with title amendment)**

5 Between line(s) 144-145,  
6 insert:

7 Section 2. Subsection (1) of section 943.043, Florida  
8 Statutes, is amended, and new subsections (6), (7), and (8) are  
9 added to that section to read:

10 943.043 Toll-free telephone number; Internet notification;  
11 sexual predator and sexual offender information.--

12 (1) The department shall ~~may~~ notify the public through the  
13 Internet of any information regarding sexual predators and sexual  
14 offenders which is not confidential and exempt from public  
15 disclosure under s. 119.07(1) and s. 24(a), Art. I of the State  
16 Constitution.

045686

- 17       (6) The notification to the public of any information  
18 regarding sexual predators and sexual offenders through the  
19 Internet under this section, at a minimum, must:
- 20       (a) Communicate information including:
- 21       1. The name of the sexual predator or sexual offender;  
22       2. A description of the sexual predator or sexual offender,  
23 including a photograph;
- 24       3. The current address of the sexual predator or sexual  
25 offender, including the name of the county or municipality, if  
26 known;
- 27       4. The circumstances of the sexual predator or sexual  
28 offender's offense or offenses; and
- 29       5. Whether the victim of the sexual predator or sexual  
30 offender, at the time of the offense, was a minor or an adult;
- 31       (b) Provide for any feature that displays the location of  
32 predators and offenders on a map to visually distinguish newly  
33 registered or relocated predators or offenders from existing  
34 predators or offenders for a period of six months after the new  
35 registration or relocation;
- 36       (c) Enable a user to collapse the radius of a selected  
37 viewable area on a map from 1 mile to 1,000 feet to enhance the  
38 user's ability to identify sexual predators or sexual offenders  
39 located in smaller geographic areas; and
- 40       (d) Enable a user to select a particular point on a map and  
41 identify sexual predators and sexual offenders at specified  
42 distances from the selected point.
- 43       (7) The department shall develop, in cooperation with the  
44 reporting agencies, a uniform system to require verification of  
45 addresses submitted by sexual predators and sexual offenders when

46 the submitted address cannot be plotted on a map due to errors,  
47 omissions, or other irregularities in the address.

48 (8) The department shall determine the feasibility of  
49 providing a mapping mechanism for use by public users which is  
50 capable of plotting each sexual offender and sexual predator's  
51 known proximity to, and distance from, sites such as schools, day  
52 care centers, parks, or playgrounds, as indicated under s.  
53 794.065. The department should examine the feasibility of  
54 providing users with information regarding any given predator or  
55 offender's restricted access to those sites. The department  
56 shall report its findings and cost estimations to the Governor,  
57 the President of the Senate, and the Speaker of the House of  
58 Representatives by December 1, 2008.
