SUMMARY ANALYSIS

CS/HB 261 decriminalizes violations of the Department of Environmental Protection (DEP), Division of Recreation and Parks (division) rules, except for those specifically identified by statute. Penalties are established for noncriminal infractions that include ejection from all properties managed by the division and a fine of up to \$500.00. Specific violations are identified as misdemeanors of the second degree.

The bill further grants authority to the division to authorize the use of golf carts and utility vehicles on public roads within a state park when the posted speed limit is 35 mph or less. The bill restricts the operation of golf carts and utility vehicles within state parks by state employees and state park volunteers to state purposes, and restricts the operation of golf carts and utility vehicles by state park visitors to uses authorized by the division. The bill requires golf carts and utility vehicles operated within the boundaries of state parks to comply with statutory operational and safety requirements.

Proceeds from the collection of fines must be deposited into the State Park Trust Fund. Otherwise the bill does not appear to have a significant fiscal impact on state or local governments.

The bill will take effect on July 1, 2008.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Safeguard individual liberty; Promote Personal Responsibility: The bill decriminalizes violations of the Division of Recreation and Parks rules except for specifically identified acts.

B. EFFECT OF PROPOSED CHANGES:

Present Situation

From its beginning in 1935, Florida's state park system has expanded to one of the largest and most heavily used systems in the country. Containing over 700,000 acres in 161 separate units, the state park system today represents a major commitment by the State of Florida to the preservation of its scenic resources. Florida state parks provide outstanding recreation opportunities for its citizens and visitors.¹

Section 258.004, F.S., directs the Division of Recreation and Parks (division), Department of Environmental Protection (DEP) to preserve, manage, regulate, and protect all parks and recreational areas held by the state. To facilitate this charge, s. 258.007(2), F.S., authorizes the division to adopt rules for administrating the park system. This section further stipulates that any violation of the rules adopted by the division shall be a misdemeanor – the statute does not specify the misdemeanor degree nor does it address punishment other than to say “punishable accordingly”.

Chapter 316, F.S., provides the state’s intent for uniform traffic control. Although this statute addresses the limited operation of golf carts on certain public roads, it does not specifically address the operation of golf carts within state park boundaries or the operation by state employees, state park volunteers, or state park visitors, of golf carts or utility vehicles within state park boundaries.

Effect of Proposed Changes

This bill decriminalizes violations of the division’s rules except for certain identified violations. Penalties are established for noncriminal infractions that include ejection from all properties managed by the division and a fine of up to \$500.00. Unless a person has been granted specific permission by the division to engage in the activity, any of the following activities are violations identified by the bill as misdemeanors of the second degree, punishable as provided in ss. 775.082 and 775.083, F.S.:

- Cutting, carving, injuring, mutilating, moving, displacing, or breaking off any water bottom formation or growth within the boundaries of a state park.
- Capturing, trapping, injuring, or harassing wild animals within the boundaries of a state park.
- Collecting plant or animal specimens within the boundaries of a state park.
- Leaving the designated public roads with a vehicle within the boundaries of a state park.
- Hunting within the boundaries of a state park.
- Failing to sign a citation given under s. 258.008, F.S., failure to appear in court in response to such citation, or failure to comply with the court’s order.

The bill further grants authority to the division to authorize the use of golf carts and utility vehicles on public roads within a state park when the posted speed limit is 35 mph or less. The bill restricts the operation of golf carts and utility vehicles within state parks by state employees and state park volunteers to state purposes, and restricts the operation of golf carts and utility vehicles by state park visitors to uses authorized by the division. The bill requires golf carts and utility vehicles operated within the boundaries of state parks to comply with statutory operational and safety requirements.

C. SECTION DIRECTORY:

Section 1: Amends s. 258.007(2), F.S., authorizing the Division of Recreation and Parks to impose penalties and eliminating a criminal penalty.

Section 2: Creates s. 258.008, F.S., providing penalties for non-criminal violations of Division of Recreation and Parks rules, setting a maximum fine for violation of those rules, establishing certain specified violations of division rules as a misdemeanor of the second degree, providing that fines collected must be deposited into the State Park Trust Fund.

Section 3: Amends s. 316.212, F.S., authorizing the operation of a golf cart within a state park under certain circumstances and conforming cross-references.

Section 4: Amends s. 316.2125(1), F.S., providing conforming cross-references.

Section 5: Amends s. 316.2126, F.S., authorizing the Division of Recreation and Parks to operate golf carts and utility vehicles on public roads within state park boundaries for state purposes, allowing others to operate golf carts in state parks with specified conditions, and conforming cross-references.

Section 6: Provides an effective date of July 1, 2008.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable because this bill does not appear to require cities or counties to spend funds or take actions requiring the expenditure of funds, nor does it appear to reduce the authority that cities or counties have to raise revenues in the aggregate, nor does it appear to reduce the percentage of a state tax shared with cities or counties.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

No additional rulemaking authority is necessary or granted for implementing the provisions of this bill.

C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

D. STATEMENT OF THE SPONSOR

This bill will allow park rangers to do their jobs more efficiently and will allow them to have more control over individual situations when dealing with visitors to our park facilities.

IV. AMENDMENTS/COUNCIL SUBSTITUTE CHANGES

On March 5, 2008, the Environment & Natural Resources Council adopted one amendment and passed HB 261. The original bill was amended to clarify that the authorization for state employees and state park volunteers to operate golf carts and utility vehicles on public roads applies to roads within the boundaries of state parks for state purposes. The amendment also authorizes the division to allow state park visitors to operate golf carts and utility vehicles within state park boundaries.
